Social Dimensions Of Advertising:

Social Dimensions of Advertising S. S. Kaptan, 2003 Indian context
Sheffield, 2006-11-13 This groundbreaking work explores media scholar Sut Jhally's thesis that advertising functions as a religion in late capitalism and relates this to critical theological studies Sheffield argues that advertising is not itself a religion but that it contains religious dimensions analogous to Durkheim's description of objects as totems

The Religious Dimensions of Advertising T. Sheffield, 2006-11-13

Handbook of Media and Communication Economics Jan Krone, Tassilo Pellegrini, 2024-10-28 This handbook maps the media economy in its entirety against the background of the advancing digitalization of communication media production media distribution and the adaptation of regulatory framework conditions from different disciplinary approaches It provides an integrated view on digitally induced economic transformations of the European media sector and gives an explicitly European perspective on media economics challenging the dominant US American view Topics covered include but are not limited to Theoretical approaches to media economics media technologies and data management in media economics building blocks of the media industry media types and core distribution markets system aspects and communication culture media systems and regulatory policy as well as methods of media economics The handbook is a must read for students teachers and researchers in media and communication economics and science as well as practitioners and policy makers at the nexus of media business and politics

Dimensions of Advertising Theory and Practice in Africa Rotimi Williams Olatunji, 2013-09-30 his book brings together cutting edge research by leading African communication and media theorists to provide a broad but detailed survey of the history and present state of the art of advertising in Africa The book is a thought provoking reminder of the variety of approaches to the study of marketing communication on a continent where advertising is often taken for granted From indigenous African forms of advertising by street criers wall paintings and even olfactory appeals to the latest experiments in integrated marketing communication via the Internet home videos smartphones and social media Dimensions of Advertising Theory and Practice in Africa is a comprehensive survey both of Africa's contributions to the globalized advertising industry and of the industry's profound affect on African economies and cultures The first collection of its kind the book marks an important moment in the study of marketing communication in Africa It will be an essential text for years to come

Social Communication in Advertising William Leiss, Stephen Kline, Sut Jhally, Jackie Botterill, 2013-05-13 Now available in a significantly updated third edition to address new issues such as the Internet and globalization Social Communication in Advertising remains the most comprehensive historical study of advertising and its function within contemporary society It traces advertising's influence within three key social domains the new commodities industry popular culture and the mass media that manages the constellation of images that unifies all three The third edition includes discussion of new technologies and issues from the Internet to globalization updated and expanded examples and illustrations revisions throughout to address recent developments in advertising scholarship and the latest trends in
