Social Issues In The English Classroom:

Handbook on Teaching Social Issues Ronald W. Evans, David W. Saxe, 2007-10-01 There is no book like this one for educators interested in issues centered teaching. More than 40 experts have contributed articles offering comprehensive coverage of the field of social issues education. In addition to a full examination of objectives and methods, contributors show how social issues can be taught as part of history, geography, the social sciences, and global and environmental studies. The challenges of assessment, curriculum, and effective teacher education are fully explored. With its teaching ideas and useful resource section, this book is an indispensable addition to your library. Contributors include Shirley Engle, Anna Ochoa, Becker, Jack Nelson, Carole Hahn, Byron Massialas, Jeff Passe, Jesus Garcia, Gloria Ladson Billings, Merry Merryfield, Patricia Avery, Sam Totten, Bill Wraga, Walter Parker, and James Shaver. **Social Justice Literacies in the English Classroom** Ashley S. Boyd, 2017-09-29 This timely book focuses on different social justice pedagogies and how they can work within standards and district mandates in a variety of English language arts classrooms. With detailed analysis and authentic classroom vignettes, the author explores how teachers cultivate relationships for equity, utilize transformative language practices, demonstrate critical caring, and develop students' critical literacies with traditional and critical content. Boyd offers a comprehensive model for taking social action with youth that also considers the obstacles teachers are likely to encounter. Presenting the case for more equity-oriented teaching, this rich resource examines the benefits of engaging students with critical pedagogies and provides concrete methods for doing so. Written for both pre- and inservice teachers, the text includes adaptable teaching models and tested ideas for preparing to teach for social justice. **Book Features:** Conceptualizes social justice as a set of literacies that can be learned and cultivated; Depicts social action projects being used to meet Common Core State Standards; Illustrates how social justice happens in small moments, both those that are planned and those that arise spontaneously; Shows teachers from rural and urban contexts adapting social justice to their teaching style and environment. Teaching Social Issues in the English Classroom Samuel Totten, 1986* **Educating About Social Issues in the 20th and 21st Centuries Vol. 3** Samuel Totten, Jon Pedersen, 2014-01-01 EDUCATING ABOUT SOCIAL ISSUES IN THE 20th and 21st Centuries: A Critical Annotated Bibliography. Volume 3 is the third volume in a series that addresses an eclectic host of issues germane to teaching and learning about social issues at the secondary level of schooling, ranging over roughly a one hundred year period between 1915 and 2013. Volume 3 specifically addresses how an examination of social issues can be incorporated into the extant curriculum. Experts in various areas each contribute a chapter in the book. Each chapter is comprised of a critical essay and an annotated bibliography of key works germane to the specific focus of the chapter. **Critical Issues in Teaching English and Language Education** Salah Troudi, 2020-11-05 This edited book brings together a collection of research-based chapters that address a variety of topics related to the teaching of English in different contexts around the world. The chapters are informed by a critical approach to research, employing a variety of research methods to question and

problematize taken for granted definitions and practices in areas such as classroom pedagogy testing curriculum language policy the position of English as a medium of instruction educational management teacher education materials and evaluation This book addresses a major gap in theoretical and research literature in the area of teaching English and it will be of interest to trainee and practising teachers research students and scholars of EFL and TESOL and researchers in applied linguistics

Questions of English Jeanne Gerlach, Annette Patterson, Robin Peel, 2002-11-01 The impact and content of English as a subject on the curriculum is once more the subject of lively debate Questions of English sets out to map the development of English as a subject and how it has come to encompass the diversity of ideas that currently characterise it Drawing on a combination of historical analysis and recent research findings Robin Peel Annette Patterson and Jeanne Gerlach bring together and compare important new insights on curriculum development and teaching practice from England Australia and the United States They also discuss the development of teacher training highlighting the variety of ways in which teachers build their own beliefs and knowledge about English
