Social Movement Society Contentious Politics For A New Century:

The Social Movement Society David S. Meyer, Sidney G. Tarrow, 1998 Scholars consider ways in which the social movement has changed as a politics and how it changes the societies in which it occurs This volume contains revealing perspectives on the effectiveness of social protest

The Social Movement Society David S. Meyer, Sidney Tarrow, 1997-12-29 Is there more social protest now than there was prior to the movement politics of the 1960s and if so does it result in a distinctly less civil society throughout the world If everybody protests what does protest mean in advanced industrial societies This volume brings together scholars from Europe and the U S and from both political science and sociology to consider the ways in which the social movement has changed as a political form and the ways in which it continues to change the societies in which it is prevalent

Cyberimperialism? Bosah Ebo, 2000-11-30 This collection of essays addresses whether all nations will actively participate in building the information superhighway or whether the Internet will reflect global technological inequalities The writings are grouped in four major sections which examine theoretical issues on cyberglobalization politics in the electronic global village global economic issues in cyberspace and national identities and grassroots movements in cyberspace Contributing scholars represent a wide spectrum of disciplines from political science economics and communications to sociology anthropology and philosophy A number of methodological and theoretical perspectives direct the writings Collectively the essays point toward an emerging technology that exhibits innate qualities characteristic of the classic notion of cultural imperialism This edited collection with its timely approach to the implications of the Internet for global relations will appeal to communication sociology and political science scholars The interdisciplinary approach will also attract students and educators from such fields as anthropology philosophy and economics To aid in further research select bibliographies follow each essay
