Social Movements in Twentieth-century Iran Stephen C. Poulson,2005-01-01 Stephen C Poulson investigates cycles of social protest in Iran from 1890 to the present era This work covers the following social movements the 1890 92 Tobacco Movement the 1906 09 Constitutional Revolution two post World War II movements the Tudeh Masses and the National Front the 1963 Qom Protest and the 1978 79 Iranian Revolution Poulson shows how various Iranian political actors have framed their dissent drawing on both regional and Western influenced modes of protest to achieve their ends Social Movements in Twentieth-century Iran Stephen C. Poulson,2005 In this work Stephen C Poulson a scholar of collective action and social movements investigates cycles of social protest in Iran from 1890 to the present era He illuminates the following social movements the 1890 1892 Tobacco Movement the 1906 1909 Constitutional Revolution two post World War II movements the Tudeh Masses and the National Front the 1963 Qom Protest and the 1978 1979 Iranian Revolution These movements confronted two primary questions How should the Iranian state achieve independence in the world and what rights should individual Iranians enjoy in their political and social system Poulson examines the framing of these questions and their answers by various Iranian political actors over time revealing both continuity and change Social Movements in Egypt and Iran T. Povey,2016-02-09 This book analyses the reform movement in Iran and the Egyptian opposition movement since the early 1990s in their historical contexts It argues that the contemporary movements seen on the streets of the regions today represent the culmination of over twenty years of mobilisation by social movements Social Movements in Iran Simin Fadaee,2012-04-27 Despite the growing significance of social movements worldwide scholarship on the subject remains largely Western in nature with studies written primarily by Western scholars and based on the experiences of Western cultures and societies This book makes an important contribution to the study of social movements in non Western societies by examining their development in Iran With a particular focus on the recent environmental movement the author sheds new light on the implications and significance of these movements Drawing on in depth original research the case study of the environmental movement is integrated into a historical and comparative analysis Implementing the new social movement theory of Touraine and Melucci in the Iranian context the author shows that although the reform movement of Iran is unique in some aspects it is a continuation of the past social movements She places emphasis on the role of women in recent Iranian social movements exploring the significance of social movements in civil society and in instigating social change Using the case of Iran to offer a critical framework for studying social change and transformation of non European countries this book fills an important gap in the existing literature on the topic As such it will be of great interest to scholars and students of sociology political science and Middle Eastern studies **Discourses of Ideology and Identity** Chris Featherman,2015-03-24 In this monograph Chris Featherman adopts a discourse analytical approach to explore the ways in which social movement ideologies and identities are discursively constructed in new and old media In the context of his

argument Featherman also considers current debates surrounding the role that technologies play in democracy building and global activist networks He engages these critical issues through a case study of the 2009 Iranian presidential election protests looking at both US legacy media coverage of the protests as well as activists use of social media Through qualitative analysis of a corpus of activists Twitter tweets and Flickr uploads Featherman argues that activists social media discourses and protesters symbolic and tactical borrowing of global English contribute to micronarratives of globalization while also calling into question master narratives about Iran commonly found in mainstream Western media accounts This volume makes a timely contribution to discussions regarding the relationship between cyber rhetoric and democracy and provides new directions for researchers engaging with the influence of new media on globalized vernaculars of English

Women, Power and Politics in 21st Century Iran Tara Povey, 2016-02-17 This book examines the women s movement in Iran and its role in contesting gender relations since the 1979 revolution Looking at examples from politics law employment environment media and religion and the struggle for democracy this book demonstrates how material conditions have important social and political consequences for the lives of women in Iran and exposes the need to challenge the dominant theoretical perspectives on gender and Islam A truly fascinating insider s look at the experiences of Iranian women as academics political and civil society activists this book counters the often inaccurate and misleading stereotyping of Iranian women to present a vibrant and diverse picture of these women s lives A welcome and unique addition to the vibrant and growing literature on women Islam development democracy and feminisms

Social Movements, 1768 - 2012 Charles Tilly, Lesley J. Wood, 2015-12-22 The updated and expanded third edition of Tilly s widely acclaimed book brings this analytical history of social movements fully up to date Tilly and Wood cover such recent topics as the economic crisis and related protest actions around the globe while maintaining their attention to perennially important issues such as immigrants rights new media technologies and the role of bloggers and Facebook in social movement activities With new coverage of colonialism and its impact on movement formation as well as coverage and analysis of the 2011 Arab Spring this new edition of Social Movements adds more historical depth while capturing a new cycle of contention today New to the Third Edition Expanded discussion of the Facebook revolution and the significance of new technologies for social movements Analysis of current struggles including the Arab Spring and pro democracy movements in Egypt and Tunisia Arizona s pro and anti immigration movements the Tea Party and the movement inspired by Occupy Wall Street Expanded discussion of the way the emergence of capitalism affected the emergence of the social movement

Globalization and Inequality in Emerging Societies B. Rehbein, 2011-10-27 This volume studies the relation between globalization and inequalities in emerging societies by linking Area and Global Studies aiming at a new theory of inequality beyond the nation state and beyond Eurocentrism

Social Movements, 1768 - 2018 Charles Tilly, Ernesto Castañeda, Lesley J. Wood, 2019-07-24 Social Movements 1768 2018 provides the most comprehensive historical account of the birth and spread of social movements Renowned social scientist Charles

Tilly applies his synthetic theoretical skills to explain the evolution of social movements across time and space in an accessible manner full of historical vignettes and examples Tilly explains why social movements are but a type of contentious politics to decrease categorical inequalities Questions addressed include what are the implications of globalization and new technologies for social movements and what are the prospects for social movements The overall argument includes data from mobilizations in England Switzerland Czechoslovakia Russia China India Argentina Chile Cuba Mexico Egypt Tunisia Iran Iraq and Kazakhstan This new edition has been fully updated and revised with young researchers and students in mind New case studies focus on social movements in Mexico Spain and the United States including Black Lives Matter immigrants rights struggles The Indignados the Catalan movement for independence YoSoy132 Ayotzinapa43 mass incarceration and prisoner rights and more Timelines are included to familiarise the reader with the events discussed and discussion questions are framed to increase understanding of the implications limits and importance of historical and ongoing social movements

Culture and Customs of Iran Elton L. Daniel, Ali Akbar Mahdi, 2006-10-30 Iran is often a hotspot in the news and the Muslim state is usually negatively portrayed in the West *Culture and Customs of Iran* rejects facile stereotyping and presents the rich age old Persian culture that struggles with pressures of the modern world This is the first volume in English to reveal the important sociocultural facets of Iran today for a general audience in an objective fashion Authoritative substantive narrative chapters cover the gamut of topics from religion and religious thought to Iranian cuisine and festivals

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
