Social Stratification and Mobility in the USSR. Murray Yanowitch, Wesley A. Fisher, 1973 Compilation of social research writings on social stratification and social mobility in the USSR examines some current social theories in respect of social structure the working class occupational choice social mobility among the rural population etc and includes the research results of six separate surveys and empirical studies Bibliography pp 393 to 401 references and statistical tables

Social Stratification and Moblity in the USSR Murray Yanowitch, Wesley A Fisher, 2019-01-15 This title was first published in 1973 The selections from Soviet sociological literature presented in this volume are significant from at least three standpoints First they reveal the extent to which the issue of social and economic inequality has become a subject for legitimate public discussion in the Soviet Union Second these selections offer the reader a means of appraising the quality of work in what under Soviet conditions is the formative period of a new intellectual discipline Third the selections provide abundant empirical evidence bearing on the forms and degrees of inequality currently found in Soviet society

Social Stratification and Mobility in the U. S. S. R. Murray Yanowitch, Wesley A. Fisher, **Politics, Work, and Daily Life in the USSR** James R. Millar, 1987 Politics work and daily life in the USSR is designed to illustrate how the Soviet social system really works and how the Soviet people cope with it This study is based on the first comprehensive survey of life in the USSR since the Harvard Project over thirty three years ago The essays contained analyze the variations in attitude and behaviour reflected in the findings of the Soviet Interview Project a five year investigation of contemporary daily life in the USSR The survey involved interviewing thousands of recent emigrants from the USSR to the United States as a means of learning about their former day to day lives Some aspects of this survey dealt with areas the Soviets themselves had never investigated so the data were not and indeed still are not available even in unpublished Soviet sources This study of a large volume of firsthand observations is extremely valuable to anyone interested in the inner workings and behavioural dynamics of the contemporary Soviet social system
