The Mark of Criminality Bryan J. McCann, 2017-06-06 Illustrates the ways that the war on crime became conjoined aesthetically politically and rhetorically with the emergence of gangsta rap as a lucrative and deeply controversial subgenre of hip hop In The Mark of Criminality Rhetoric Race and Gangsta Rap in the War on Crime Era Bryan J McCann argues that gangsta rap should be viewed as more than a damaging reinforcement of an era s worst racial stereotypes Rather he positions the works of key gangsta rap artists as well as the controversies their work produced squarely within the law and order politics and popular culture of the 1980s and 1990s to reveal a profoundly complex period in American history when the meanings of crime and criminality were incredibly unstable At the center of this era when politicians sought to prove their tough on crime credentials was the mark of criminality a set of discourses that labeled members of predominantly poor urban and minority communities as threats to the social order Through their use of the mark of criminality public figures implemented extremely harsh penal policies that have helped make the United States the world s leading jailer of its adult population At the same time when politicians like Ronald Reagan George H W Bush and Bill Clinton and television shows such as COPS and America s Most Wanted perpetuated images of gang and drug filled ghettos gangsta rap burst out of the hip hop nation emanating mainly from the predominantly black neighborhoods of South Central Los Angeles Groups like NWA and solo artists including Dr Dre Snoop Dogg and Tupac Shakur became millionaires by marketing the very discourses political and cultural leaders used to justify their war on crime For these artists the mark of criminality was a source of power credibility and revenue By understanding gangsta rap as a potent if deeply imperfect enactment of the mark of criminality we can better understand how crime is always a site of struggle over meaning Furthermore by underscoring the nimble rhetorical character of criminality we can learn lessons that may inform efforts to challenge our nation s failed policies of mass incarceration

**Introducing Cultural and Media Studies** Tony Thwaites, Lloyd Davis, Warwick Mules, 2018-08-18 This core textbook offers a concise direct and easy to use introduction to how semiotics can be employed to understand culture It adopts a practical and versatile approach to cultural analysis beginning not with an abstract body of theory but with a number of examples of social sign use which are examined critically using basic semiotic terms and concepts to build up the reader s analytic vocabulary in a practical way This book is designed to be read in several ways First of all it offers a structured approach to its subject with successive chapters reconsidering and building upon issues raised in earlier chapters The layout of the text supports alternative pathways through the material however Written principally with the undergraduate student reader in mind this is the essential research tool for students and lecturers It is the ideal international starting point for a very wide range of courses both in cultural and media studies and related subjects such as film studies literature and sociology

**Inscribing the Hundred Years' War in French and English Cultures** Denise N. Baker, 2000-09-28 This book explores the intersection of the Hundred Years War and the production of vernacular literature

in France and England Reviewing a range of prominent works that address the war including those by Deschamps Christine de Pizan Gower Langland and Chaucer as well as anonymous texts and the records of Joan of Arc s trial Inscribing the Hundred Years War In French and English Cultures demonstrates the ways in which late medieval authors responded to the immediate sociopolitical pressures and participated in the debates about the war The book also investigates the work literary texts performed in their cultural economy by showing how they influenced the development of French and English national identities Contributors include John M Bowers Ellen C Caldwell Susan Crane Patricia DeMarco Judith Ferster Norris Lacy Anne Lutkus Earl Jeffrey Richards Michele Szkilnik Julia M Walker and Robert Yeager A Clean House? Andreas Bergh, Gissur Ó Erlingsson, Richard Öhrvall, Mats Sjölin, 2016-04-12 In virtually all popular indices and scales measuring bribery and dishonesty on a national level Sweden performs strongly with its quality of rule of law and absence of corruption But does this automatically imply that this least sickly patient can be declared perfectly healthy By extensively reviewing existing research and consulting various sources of data the authors of A Clean House attempt to unpack the Swedish case What do we know about corruption in Sweden and what can be said of such affairs over time in the country The four scholars of political science demonstrate that countries typically viewed as low corruption states can have particular problems of a different type that should not be underestimated nor neglected *The Spirit, New Creation, and Christian Identity* Grant Buchanan, 2023-05-18 Considering the importance of pneumatological themes for interpreting Paul s argument of Galatians Grant Buchanan explores how Paul draws from Jewish traditions of creation and the Spirit and presents a fresh cosmogony to the Galatian church He suggests that Galatians outlines an epistemological shift in how Paul sees past present and future reality in light of Christ and the presence of the Spirit in the lives of the believers The most crucial aspect of this new cosmogony is the centrality of the Spirit in Paul s argument in Galatians 3 1 6 17 with Buchanan s exegesis revealing that the Spirit the Galatians identity as children of God and the new creation motif are not merely elements of Paul s argument but intrinsic to it Buchanan demonstrates that Paul renders Jewish and Gentile identities no longer valid instead revealing that God s favour and election is already with them by stating that those who have the promised Spirit are all children of God He examines Jewish biblical and Second Temple extra biblical texts that explicitly connect the Spirit to creation themes including Genesis Ezekiel the Dead Sea Scrolls and the Wisdom of Solomon Taking Galatians 6 11 17 as the body closing of the letter the new creation motif directly implies the activity of the Spirit in the creation of Christian identity Analysing 6 15 from this pneumatological perspective Buchanan argues that the new creation motif represents a key aspect of Paul s generative cosmogony and pneumatology indicating a far broader socio cosmic transformation than previously assumed and it becomes a key to understanding Paul s argument **The Lawyer in Dickens** Franziska Quabeck, 2021-09-07 The Lawyer in Dickens takes a closer look at the construction of his types of lawyers While Dickens s critique of the legal system and its representatives is almost proverbial a closer look at his lawyers uncovers a complex and ambiguous construction that

questions their status as Victorian gentlemen These characters offer a complex psychology that often surpasses their minor or stereotypical role within various Dickens novels for they act not only as alter egos for different protagonists but also exhibit behaviour that reveals their abusive attitude towards women This book argues that Uriah Heep lays the groundwork for Dickens s conception of the lawyer in his later works The close analysis identifies a strong anxiety about the uncertain social status of professionals in the law but also unfolds a deeply troubled attitude towards women The novels express admiration for the lawyer s professional power yet the individual characters are simultaneously exposed as ungentlemanly This discussion shows that the lawyer in Dickens is a difficult creature not only because of his professional ambition and social transgression but also because of his intrusion into the domestic space and into the lives of others especially women

## **Social Text 77 Introduction**

In today's digital age, the availability of Social Text 77 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Text 77 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Text 77 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Text 77 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Text 77 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Text 77 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Text 77 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many

universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Text 77 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Text 77 books and manuals for download and embark on your journey of knowledge?
