Social Themes:

Themes in Dickens Peter J. Ponzio, 2018-03-04 The Victorian age is often portrayed as an era of repressive social mores Yet this simplified view ignores the context of Great Britain's profound shift through rapid industrialization from rural to metropolitan life during this time Throughout his career Charles Dickens addressed the numerous changes occurring in Victorian society His portrayals of organized religion class distinction worker's rights prison reform and rampant poverty resonated with readers experiencing social upheaval Focusing on his novels nonfiction writing speeches and personal correspondence this book explores Dickens's use of these themes as both literary devices and as a means to effect social progress

Societal Issues In Jose Garcia Villa's Footnote to Youth Bentazal, Jessabele Gorozon, 2022-01-10 Consider yourself living in an uncivilized place Where people are deprived of education where every parent has poor parental guidance where you are surrounded by crisis mental and emotional war As a youth what will you choose to become Will you choose to conform to the patterns of the world where you belong Or would you prefer to be the person who discovers what is wrong with the world you live in and works to make it a better place This research book will enable you to uncover various societal issues that you might be unaware of which have been happening around you to an increasing degree in today's modern society Prepare yourself as you journey through this study that delves into Jose Garcia Villa's Footnote to Youth for you will see how visible things are not seen while things not worth seeing are confronted

Understanding Social Sustainability in a Hill Town Bankerlang Kharmylliem, 2024-09-24 Nestled amidst rolling hills Shillong the Himalayan capital city of Meghalaya in India's northeast faces a growing challenge of water scarcity This timely book examines the role of urban and traditional village councils the Khasi dorbar shnong in shaping equitable water distribution and management through the lens of social sustainability The book navigates through the complexities of water governance shedding light on the challenges and opportunities and elucidating the interplay between tradition and modernity in urban governance It also features narratives of success and struggle and covers diverse themes including social capital and gender It initially foregrounds social sustainability setting the context for the study It ventures into a detailed examination of the institutions of the village councils with particular attention to water equity and water governance including highlighting differences between municipal and non-municipal areas The volume offers significant theoretical and empirical insights into Shillong's water challenges filling a gap in the literature on northeast hill towns cities Part of Transitions in Northeastern India series this book will be valuable to a diverse audience including students researchers policy practitioners community leaders and general readers interested in urban studies sociology development studies public administration Asian studies sustainability and those concerned about our urban water future

Uncovering the Theme of Revelation in Romans 1:16-3:26 Marcus A. Mininger, 2017-09-19 Past study of Rom 1:16-3:26 focuses on individual salvation or on social relations and also produces a host of interpretative quandaries Marcus A. Mininger develops a new approach which includes but goes beyond

these foci by unearthing the theme of revelation that runs throughout Paul's argument largely unnoticed. More than a proof of sin or of social equality, Paul provides a survey of numerous visible revelations in which otherwise invisible realities like God's wrath, the power of sin, and God's righteousness are seen through the observable effects they produce in different people. Read this way, the rationale of Paul's argument becomes quite clear, including for problem texts like Rom 2 and 3:1-8, as Paul proves that the gospel, not the law, overcomes sin's power and that God's righteousness always exists in contrast to the human condition in this age. From publisher's description: **Metropolitan Pulpit and Homiletic Monthly**, 1895

The Homiletic Review, 1895 **The Good, the Bad, and the Backstory** Melissa Minery, 2022-02-10 Welcome to a day in the life of five middle school students: Ashley, Kenishia, Taara, Ryan, and Andrew. Their day begins in the early morning hours when each of them is roused from slumber. Some awaken to the sound of an annoying alarm. Others are scared out of bed by Mom or Dad. Then there's Ryan, who oversleeps again. He forgot to set his alarm clock, and no one's ever at home to wake him. Ryan gets to school late. Melanie arrives excited and energetic. Tara comes anxious and distracted. Andrew shows up ready to bully someone, and Ashley enters sad and sulking because of unkind gossip she heard on the bus. As they walk the hallways, attend class, and navigate the dreaded lunchroom, they experience all of the messiness of middle school: the fragile friendships, the peer pressure, the fickle social hierarchy, and the relationship drama. Issues at home and interactions at school influence how they relate to one another, their classmates, and their teachers throughout the day. Author Melissa Minery gives the reader a birdseye view of a middle school day as it unfolds for each character, offering an unflinching look at how a child's backstory, family life, values, beliefs, triumphs, and tragedies influence his or her actions. Written for middle schoolers, it's a true-to-life story with a valuable message about courage, forgiveness, empathy, and understanding. **Life Cycle Assessment**

Michael Z. Hauschild, Ralph K. Rosenbaum, Stig Irving Olsen, 2017-09-01 This book is a uniquely pedagogical, while still comprehensive, state-of-the-art description of LCA methodology and its broad range of applications. The five parts of the book conveniently provide: I the history and context of Life Cycle Assessment (LCA) with its central role as a quantitative and scientifically based tool supporting society's transition towards a sustainable economy; II all there is to know about LCA methodology illustrated by a red thread example which evolves as the reader advances; III a wealth of information on a broad range of LCA applications with dedicated chapters on policy development, prospective LCA, life cycle management, waste, energy, construction, and building, nanotechnology, agri-food, transport, and LCA-related concepts such as footprinting, ecolabelling, design for environment, and cradle to cradle; IV a cookbook giving the reader recipes for all the concrete actions needed to perform an LCA; V an appendix with an LCA report template, a full example LCA report serving as inspiration for students who write their first LCA report, and a more detailed overview of existing LCIA methods and their similarities and differences. **SAGE Handbook of Education for Citizenship and Democracy** James Arthur, Ian Davies, Carole

Hahn, 2008-07-01 This handbook brings together new work by some of the leading authorities on citizenship education and is

divided into five sections The first section deals with key ideas about citizenship education including democracy rights globalization and equity Section two contains a wide range of national case studies of citizenship education including African Asian Australian European and North and South American examples The third section focuses on perspectives about citizenship education with discussions about key areas such as sustainable development anti racism gender Section four provides insights into different characterisations of citizenship education with illustrations of democratic schools peace and conflict education global education human rights education etc The final section provides a series of chapters on the pedagogy of citizenship education with discussions about curriculum teaching learning and assessment **Homiletic**
