Social Work Practice With Refugee And Immigrant Youth In The United States:

Integrative Social Work Practice with Refugees, Asylum Seekers, and Other Forcibly Displaced Persons Nancy J. Murakami, Mashura Akilova, 2022-11-25 This textbook provides theoretical and clinical knowledge needed by social workers and other practitioners involved in humanitarian emergency response Social workers are well positioned to serve coordinating and leadership roles in this interdisciplinary field due to their holistic training This book weaves together micro mezzo and macro levels of practice into integrated social work practice Its historical account of humanitarian emergencies coverage of social work frameworks and principles and review of existing best practices at the clinical community and policy levels ground the reader in a field of social work that requires consideration of historical frameworks alongside innovative responses to the complexity of humanitarian emergencies The contributors incorporate best practices as well as address gaps in awareness knowledge and skills that they have observed and studied worldwide Some of the topics explored include Social Work with Displaced Children Women LGBTQI Asylum Seekers Return and Reintegration of Displaced Populations and Reconstruction in Post conflict Societies Culture Trauma and Loss Integrative Social Work Practice with Refugees and Asylum Seekers Clinical Social Work Practice with Forcibly Displaced Persons Grounded in Human Rights and Social Justice Principles Integrative Social Work Practice with Refugees Asylum Seekers and Other Forcibly Displaced Persons is adoptable as a primary text for MSW and doctoral elective courses on global social work or international social work practice with persecuted and forcibly displaced people This textbook is targeted to clinical social work or policy courses as well and can be supplemental reading for required courses for migration and forced displacement majors It is also useful for social workers or interdisciplinary practitioners working around the globe with displaced populations Best Practices for Social Work with Refugees and Immigrants Miriam Potocky, Mitra Naseh, 2019-10-29 Social work practice with refugees and immigrants requires specialized knowledge of these populations and specialized adaptations and applications of mainstream services and interventions Because they are often confronted with cultural linguistic political and socioeconomic barriers these groups are especially vulnerable to psychological problems such as anxiety depression alienation grief and post traumatic stress disorder as well as concerns arising from inadequate health care Institutionalized discrimination and anti immigrant policies and attitudes only exacerbate these challenges The second edition of Best Practices for Social Work with Refugees and Immigrants offers an update to this comprehensive guide to social work with foreign born clients and an evaluation of various helping strategies and their methodological strengths and weaknesses Part 1 sets forth the context for evidence based service approaches for such clients by describing the nature of these populations relevant policies designed to assist them service delivery systems and culturally competent practice Part 2 addresses specific problem areas common to refugees and immigrants and evaluates a variety of assessment and intervention techniques in each area Using a rigorous evidence based and pancultural approach Miriam Potocky and Mitra Naseh identify best practices at the macro meso and micro levels to

meet the pressing needs of uprooted peoples The new edition incorporates the latest research on contemporary social work practice with refugees and immigrants to provide a practical up to date resource for the multitude of issues and interventions for these populations

Social Work Practice with Men at Risk Rich Furman, 2010-04-22 Treating men as a culturally distinct group Rich Furman integrates key conceptions of masculinity into culturally sensitive social work practice with men Focusing on veterans displaced workers substance abusers mental health consumers and other groups that might be unlikely to seek help Furman deftly explores the psychosocial development of men along with the globalization of men's lives alternative conceptions of masculinity and special dynamics within male relationships Furman bolsters his conclusions with case studies and evidence based interventions His cutting edge research merges four key social work theories and explores how they inform practice with mental health issues compulsive disorders addiction and violence By promoting gender equity and culturally competent practice with men Furman bridges the gap between clinical and macro practice *Social Work Practice with Men at Risk* is a crucial text for educators and practitioners hoping to pursue effective far reaching interventions

Immigrant and Refugee Youth and Families Mo Yee Lee, 2021-05-19 The United States is known as a nation of immigrants Over the years the composition of immigrants has significantly changed From receiving immigrants from primarily Europe the United States is now home to people from countries around the globe One of the common challenges encountered by immigrant and refugee families and youth is to successfully resettle and integrate into the host country that is culturally different from their country of origin Depending on the context of migration families and youth oftentimes face additional challenges ranging from potential trauma prior to immigration language employment education healthcare accessibility integration discrimination etc This book focuses on different issues experienced by immigrant and refugee families and youth as well as programs implemented to serve these populations These issues pertain to the individual at a personal level attachment trauma bi cultural self efficacy behavioral problems and mental health family parenting work family conflict problems such as domestic violence community risk factors such as racial discrimination and protective factors such as social capital and policy immigration policy and enforcement Part I of the book focuses on immigrant and refugee families and Part II focuses on immigrant and refugee youth By increasing our awareness of issues pertinent to immigrant and refugee families and youth we can better provide culturally respectful and sensitive services and policy to this population at a time when they are navigating between their host culture and home culture in addition to dealing with challenges encountered in resettlement The book is a significant new contribution to migration studies and social justice and will be a great resource for academics researchers and advanced students of social work public policy law and sociology The chapters in this book were originally published in the *Journal of Ethnic Cultural Diversity in Social Work*

Social Work Live Carol Dorr, 2014-09-05 This book includes five video recorded interviews that students can identify with critique and imagine doing themselves to learn about practice It does more than just teach interviewing skills it helps demonstrate how to link

what is said in an interview to different theories and practice skills Each interview goes into sufficient depth to tease out many aspects of practice that students need to understand **The SAGE Handbook of Intercultural Competence** Darla K. Deardorff,2009-08-31 Bringing together leading experts and scholars from around the world this Handbook provides a comprehensive overview of the latest theories and research on intercultural competence It will be a useful and invaluable resource to administrators faculty researchers and students **Child Welfare Practice with Immigrant Children and Families** Alan Dettlaff,Rowena Fong,2014-06-11 Children in immigrant families represent nearly one fourth of all children living in the United States As this population of children has increased so has their representation among children involved in child welfare and related systems Once immigrant families come to the attention of these systems they often have multiple and complex needs that must be addressed to ensure children s safety and well being Culturally competent practice with Latino Asian and African immigrants requires that professionals understand the impact of immigration and acculturation on immigrant families to conduct adequate assessments and provide interventions that respond appropriately to their needs Professionals also need to be familiar with federal and state policies that affect immigrant families and how those policies may affect service delivery At the system level child welfare agencies need to educate and train a culturally competent workforce that responds appropriately to children and families from diverse cultures This book addresses these critical issues and provides recommendations for the development of culturally competent assessment intervention and prevention activities in child welfare agencies This information can be used as a resource by child welfare administrators practitioners and students to improve the child welfare system s response to immigrant children and families and promote culturally competent practice This book was published as a special issue of the Journal of Public Child Welfare **Social Work with Latinos** Melvin Delgado,2013-07-11 Beginning with a comprehensive definition and demographic map of Latinos Latino culture and a cultural asset paradigm this book identifies strategies for designing culturally relevant programs and services

Social Work Practice with African Americans in Urban Environments Halaevalu F.O. Vakalahi,Rhonda Wells-Wilbon,Anna R. McPhatter,2015-09-08 The experiences of African Americans in urban communities are distinct from those of other ethnic groups and to be truly understood require an in depth appreciation of the interface between micro and macro level factors This sweeping text an outgrowth of a groundbreaking urban social work curriculum focuses exclusively on the African American experience through field education community engagement and practice It presents a framework for urban social work practice that encompasses a deep understanding of the challenges faced by this community From a perspective based on empowerment strengths and resilience cultural competence and multi culturalism the book delivers proven strategies for social work practice with the urban African American population It facilitates the development of creative thinking skills and the ability to meet people where they are skills that are often necessary for true transformation to take root The book describes an overarching framework for understanding and practicing urban social work including

definitions and theories that have critical implications for working with people in such communities It encompasses the contributions of African American pioneers regarding a response to such challenges as poverty oppression and racism Focusing on the theory practice and policy aspects of urban social work the book examines specific subsets of the urban African American population including children adults families and older adults It addresses the challenges of urban social work in relation to public health health and mental health substance abuse criminal justice and violence prevention Additionally the book discusses how to navigate the urban built environment and the intersection between African Americans and other diverse groups Chapters include outcome measures of effectiveness case studies review questions suggested activities and supplemental readings Key Features Fills a void in the literature on urban social work practice with African Americans Presents the outgrowth of a renowned urban curriculum field education research community engagement and practice Fulfills the requirements of the CSWE in the Educational Policy and Accreditation Standards regarding diversity Synthesizes micro mezzo and macro content in each chapter Provides contributions from African American pioneers in urban social work practice

CHILDREN IN THE URBAN ENVIRONMENT Norma Kolko Phillips, Shulamith Lala Ashenberg Straussner, 2016-12-23 This updated and expanded third edition examines the significant changes impacting children in our society and is a significant revision of the second edition presented 10 years previous During that period there have been many important firsts in the United States the first African American president the first attempt at a health care system that includes everyone the first time for gay marriage sanctioned by the federal government numerous firsts in medical care a growing globalization and the ongoing technology revolution changing lives from day to day At the same time however there have been reactionary pulls that have halted progress in many critical areas such as income inequality racism poverty violence terrorist acts and critical flaws in the educational and criminal justice systems that continue to have disastrous consequences for children The chapters in the book discuss the cost in human terms of some of the missing opportunities for urban children and youth and illustrate the impact of social welfare policies on children their families and on the broader society To better prepare social workers to meet some of the pressing needs to children three completely new chapters have been added to this edition Beyond School and Community Violence Providing Environments Where Children Thrive Urban Lesbian Gay Bisexual and Transgender Children and Substance Use by Urban Children In addition to sections on Economic Social and Environmental Factors Impacting on Urban Children and Familial Factors Impacting on Urban Children a new section Behavioral and Physical Health and Urban Children has been introduced This new edition provides a significant resource for students and professionals in social work family counseling human services psychology and criminal justice Most importantly the various chapters in this text will help social workers and social work students recognize the nature of some of the current problems affecting children and come up with innovative solutions for the future
