

FRENCH REVOLUTION

Social History Of The French Revolution

Arturo Cuomo

Social History Of The French Revolution:

A Social History of the French Revolution Norman Hampson, 2008-03-07 The revolutionary movement which began in 1787 disrupted every aspect of French society rising to a pitch of such extreme violence that the effects are still felt in France today The Revolution was the product of social tensions that developed throughout France in the second half of the eighteenth century Norman Hampson analyses the nature of these social conflicts within their political framework With enough background information to satisfy the general reader with no previous knowledge of the subject Norman Hampson's book devotes particular attention to provincial France The result is both a picture of the supreme crisis in French society and an examination of social attitudes and aspirations whose influence has been universal and enduring [A Social History of Nineteenth-century France](#) Roger Price, 1987 **A Social History of the French Revolution** P. M. Pasaribu, 1963

History of The French Revolution From 1789 To 1814 François-Auguste Mignet, 2023-10-01 Of the great incidents of History none has attracted more attention or proved more difficult of interpretation than the French Revolution The ultimate significance of other striking events and their place in the development of mankind can be readily estimated It is clear enough that the barbarian invasions marked the death of the classical world already mortally wounded by the rise of Christianity It is clear enough that the Renaissance emancipated the human intellect from the trammels of a bastard mediaevalism that the Reformation consolidated the victory of the new learning by including theology among the subjects of human debate But the French Revolution seems to defy complete analysis Its complexity was great its contradictions numerous and astounding A movement ostensibly directed against despotism culminated in the establishment of a despotism far more complete than that which had been overthrown The apostles of liberty proscribed whole classes of their fellow citizens drenching in innocent blood the land which they claimed to deliver from oppression The apostles of equality established a tyranny of horror labouring to extirpate all who had committed the sin of being fortunate The apostles of fraternity carried fire and sword to the farthest confines of Europe demanding that a continent should submit to the arbitrary dictation of a single people And of the Revolution were born the most rigid of modern codes of law that spirit of militarism which to day has caused a world to mourn that intolerance of intolerance which has armed anti clerical persecutions in all lands Nor were the actors in the drama less varied than the scenes enacted The Revolution produced Mirabeau and Talleyrand Robespierre and Napoleon Sieyès and Hérbert The marshals of the First Empire the doctrinaires of the Restoration the journalists of the Orleanist monarchy all were alike the children of this generation of storm and stress of high idealism and gross brutality of changing fortunes and glory mingled with disaster History of the French Revolution from 1789 to 1814 by M Mignet This classic history book provides readers with a detailed and insightful account of the French Revolution from its origins in 1789 to its aftermath in 1814 Mignet's work is an important contribution to the field of European history offering a comprehensive view of one of the most important events of the modern era Key Aspects of the Book History of the

French Revolution from 1789 to 1814 Comprehensiveness Mignet's book covers all the major events figures and trends of the French Revolution offering readers a deep understanding of the complexities and contradictions of this transformative period in European history Historical Context The book provides readers with a detailed understanding of the historical social and political context in which the French Revolution took place shedding light on the forces that shaped this important period Writing Style Mignet's writing is clear lucid and engaging making this history book a pleasure to read M Mignet was a French historian and journalist known for his work on the French Revolution Born in Provence in 1796 he wrote several books on the subject including his classic History of the French Revolution from 1789 to 1814 which continues to be celebrated for its comprehensiveness and readability A Short History of the French Revolution Jeremy D.

Popkin,2024-01-30 A Short History of the French Revolution is an up to date survey of the French Revolution and Napoleonic era that introduces readers to the origins and events of this turbulent period in French history and historians interpretations of these events The book covers all aspects of the Revolution including the political social and cultural origins of the Revolution and its causes events and aftermath It provides readers with a full and yet concise overview of the Revolution that helps them easily understand the key elements of the subject Fully updated and revised this new edition allows students to engage with the most current work on the subject with increased attention given to women's role in the Revolution full coverage of the struggles over race and slavery a new emphasis on the populist element in revolutionary politics and an expanded discussion of the historiography of the era Supported by learning objectives critical thinking questions and suggestions for further reading this is the perfect introduction to the French Revolution for students of French and European History in the late eighteenth century Origins of the French Revolution William Doyle,1999 The revised and updated 3rd edition of the Origins of the French Revolution emphasises the Revolution's social economic origins critically appraises the results of a new generation of research findings and interpretation The French Revolution Norman Hampson,1975 Ample contemporary illustrations accompany a survey of social political and military events surrounding the Revolution **The**

French Revolution in Social and Political Perspective Peter Jones,1996 This Reader introduces students to a wide range of modern scholarship on the French Revolution The readings are grouped into five categories Interpretations and Debates Socio Cultural Approaches Gender in the Public Sphere Revolutionary Politics and The Crowd Terror and Counter Terror

The Oxford History of the French Revolution William Doyle,2018 In this comprehensive history of the French Revolution of 1789 William Doyle draws on a generation of extensive research and scholarly debate to reappraise the most famous of all revolutions **The French Revolution** R. M. Johnston,2022-09-04 R M Johnston's The French Revolution presents a nuanced and comprehensive examination of one of history's most tumultuous periods Combining meticulous research with a rich narrative style Johnston delves into the political social and economic upheavals that defined France from 1789 to 1799 This work engages with both primary sources and contemporary scholarship situating the revolution within the

larger context of Enlightenment thought and the rise of modern political ideologies Johnston masterfully balances his prose between academic rigor and accessibility making the complexities of revolutionary fervor resonate with both scholars and general readers alike while also exploring the multifaceted roles of key figures and factions involved in the struggle for change As an esteemed historian R M Johnston draws on years of research and teaching experience in European history particularly the French Revolution His previous works have been acclaimed for their depth and insight reflecting a personal passion for unraveling the intricacies of societal transformation Johnston s academic background equips him with a keen understanding of the ideological undercurrents that drove the revolutionary spirit offering readers a lens informed by both personal conviction and scholarly objectivity For readers intrigued by the dynamics of social justice political upheaval and the quest for liberty The French Revolution is an essential addition to their library Johnston s engaging narrative will not only inform but also inspire a deeper reflection on the enduring implications of revolutionary thought in contemporary society
