

Social Policy

A CRITICAL INTRODUCTION

FIONA WILLIAMS

Social Policy A Critical Introduction Issues Of Race Gender And Class

Hazel Conley, Margaret Page

Social Policy A Critical Introduction Issues Of Race Gender And Class:

Social Policy Fiona Williams,1989 *Social Policy* Fiona Williams,1989 This major new introductory textbook in social policy breaks new ground in arguing for the centrality of race gender and class in welfare theory and practice The book describes and evaluates the major theoretical perspectives on welfare as well as the different strands of feminism and work on racism which are relevant to social policy The author develops a new analytical framework for the study of the welfare state which takes account of factors deriving from capitalism patriarchy racism and the international division of labour This framework is then used to re examine the major developments in the history of the welfare state in Britain from the nineteenth century to the so called crisis of the welfare state today Fiona Williams draws out the implications of her approach for current debates about welfare policy and strategy *Social Policy* is an indispensable introductory text for all students and teachers of social policy and administration who want a clear challenging and politically relevant approach to welfare studies

Social Policy: A Critical Introduction Fiona WILLIAMS, *Handbook on Gender and Social Policy* Sheila Shaver,2018-09-28 Providing a state of the art overview this comprehensive Handbook is an essential introduction to the subject of Gender and Social Policy Bringing together original contributions and research from leading researchers it covers the theoretical perspectives of the field the central policy terrain of gender inequalities of income employment and care and family policy Examining gender and social policy at both the regional and national level the Handbook is an excellent resource for advanced students and scholars of sociology political science women s studies policy studies as well as practitioners seeking to understand how gender shapes the contours of social policy and politics *An Introduction to Social Policy* Peter Dwyer,Sandra Shaw,2013-03-15 *An Introduction to Social Policy* explores essential welfare topics themes and issues for students studying social policy or related disciplines such as sociology social work or nursing and social care Part One examines key concepts including welfare social justice diversity and health and well being Part Two explores policy issues in relation to key stages of the lifecourse Part Three takes a comparative perspective discussing the international issues and supranational bodies that impact on British and European social policy today The concise chapters define the key terms and outline the central debates giving students a fundamental foundation for their degree Chapter overviews and summaries guide readers through the book and questions for reflection conclude each chapter to test readers knowledge This book is essential reading for all students of social policy and the social sciences as well as those taking joint honours programmes in social work sociology criminology politics and social care Peter Dwyer is Professor of Social Policy at the University of Salford Sandra Shaw is Senior Lecturer in Social Policy at the University of Salford *Social Policy* Fiona Williams,2021-06-22 Welfare states face profound challenges Widening economic and social inequalities have been intensified by austerity politics sharpened by the rise in ethno nationalism and exposed by the COVID 19 pandemic At the same time recent decades have seen a resurgence of social justice activism at both the local and the transnational level Yet

the transformative power of feminist anti racist and postcolonial decolonial thinking has become relatively marginal to core social policy theory while other critical approaches around disability sexuality migration age and the environment have found recognition only selectively This book provides a much needed new analysis of this complex landscape drawing together critical approaches in social policy with intersectionality and political economy Fiona Williams contextualizes contemporary social policies not only in the global crisis of finance capitalism but also in the interconnected global crises of care ecology and racialized borders These shape and are shaped at national scale by the intersecting dynamics of family nation work and nature Through critical assessment of these realities the book probes the ethical prefigurative and transformative possibilities for a future welfare commons This significant intervention will animate social policy thinking teaching and research It will be essential reading for anyone wanting to understand the complexities of social policy for the years ahead

Advanced Introduction to Social Policy Daniel Béland,Rianne Mahon,2023-05-09 Extensively updated this second edition of the Advanced Introduction to Social Policy provides a concise overview of the field that takes newer realities into account as well as taking insights from the traditional social policy canon Daniel B land and Rianne Mahon draw on both classic and contemporary theories to illuminate the broad processes that are putting pressure on existing social policy arrangements and raising new research questions

Sociology and Social Work Jo Cunningham,Steve Cunningham,2014-03-24 Sociological perspectives and their application to social work are an inherent part of the QAA benchmark statements in the social work degree In addition graduates must understand how sociological perspectives can be used to dissect societal and structural influences on human behaviour at individual group and community levels This fully revised second edition includes a new chapter on social class and welfare and is mapped to the new Professional Capabilities Framework for Social Work

Gender Equality in Public Services Hazel Conley,Margaret Page,2014-11-13 The provision of state funded and democratically accountable care services represents one of the most potentially transformative advances in gendered social relations and equality for women by defamilizing care and providing paid work But the cost of providing these services which women have access to them and how they should be provided are always at the forefront of debate especially during economic crises Socially funded and publicly accountable care services are therefore a key site of feminist activity but also the frontline for spending cuts and reform during times of austerity Gender Equality in Public Services analyses how gender equality work in British public services is changing in response to factors including equality legislation the erosion of local democracy privatisation of public services and new forms of feminist activism and leadership It also assesses the challenges and opportunities for promoting women s equality in producing and using public services Impacting upon developed and developing economies the arguments in this challenging book explore the potential of equality and feminist activism and leadership for radical and transformational change It will appeal to advanced students researchers and practitioners interested in social policy feminist organization theory equal opportunities and gender mainstreaming practice

The Meaning of Care Bernhard Weicht, 2015-04-11 Bernhard Weicht provides a multi layered analysis of how we understand and construct care in everyday life the meanings it has for ourselves our families our relationships identities and our sense of society and what is right and proper making an original contribution to the discussion of the nature of care ethics and its political potential
