Social Problems Private Troubles And Public Issues:

Private Troubles and Public Issues David R. Simon, Joel H. Henderson, 1997 This book employs the paradigm advocated by C Wright Mills in *THE SOCIOLOGICAL IMAGINATION* The theme centers on how social problems directly impact the personal lives of students and other citizens in society The *SOCIOLOGICAL IMAGINATION* paradigm used throughout the text provides an integrated view of social problems **Social Problems: Private Troubles and Public Issues** Arnold Birenbaum, 1972

Social Problems: Private Troubles and Public Issues Arnold Birenbaum, 1972 **The McDonaldization Thesis** George Ritzer, 1998-02-17

In this major new book the author of the bestselling *McDonaldization of Society* provides an exploration of one of the most innovative and imaginative sociological theses of the last decade of the twentieth century McDonaldization Part One centres on a discussion of Karl Mannheim's theory of rationalization The author also assesses the degree to which sociology in general and sociological theory in particular have been McDonaldized The second part demonstrates the empirical reach of the McDonaldization process with discussions on work credit and globalization Part Three moves beyond McDonaldization to the worlds of new means of consumption and the postmodern perspectives that best illuminate them The author **Social Problems** Arnold Birenbaum, Edward Sagarin, 1972 *Social Problems* Anna Leon-Guerrero, 2010-09-16

With an engaging writing style that has made it a popular choice at both 2 and 4 year schools the Third Edition of Anna Leon Guerrero's *Social Problems* textbook clearly presents contemporary social problems and addresses their consequences while emphasizing community involvement by both individuals and groups to achieve real solutions With an overarching focus on social inequalities this proven text provides a platform for discussion that encourages critical thinking through compelling illustrations boxed features learning checks discussion questions and online learning tools all designed to inspire hope rather than simply present a disheartening parade of maladies *The Cambridge Handbook of Social Problems: A* Javier Treviño, 2018-03-22

The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems The *Cambridge Handbook of Social Problems* offers a wide ranging roster of the social problems currently pressing for attention and amelioration Unlike other works in this area it also gives great consideration to theoretical and methodological discussions This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems It is suitable for classes in social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research *The Sociological Quest* Evan Willis, 1996

Beginning a course in sociology can be a daunting experience Evan Willis's engaging primer smoothes the path for introductory students guiding them through the complex ideas of Durkheim Weber Marx and Mills By reading about events on a national and international level that have shaped their own lives and the societies in which they live students will learn in a meaningful way what it

means to have a sociological imagination Willis explains the distinction between concepts like social and sociological cultural and historical micro and macro and theory and method with a humor and clarity that will encourage students to delve deeper into the field The Sociological Quest has been a must read for students since the publication of the first edition in 1993 This expanded and revised third edition which features examples from current events on both a national and international level will have a permanent place on the syllabus of any introductory course in sociology

Social Problems and Inequality

Professor John C Alessio,2013-01-28 Social Problems and Inequality explores integrated and root cause based explanations of complex social problems Written in clear and understandable language allowing it to be used for classroom purposes it addresses the most fundamental principles of how humans acting through social units create and eventually can remedy social problems With a central focus on the problem of inequality and the manner in which this is manifested in crime social class and stratification this book examines the key theoretical perspectives relevant to the study and solution of social problems whilst drawing upon rich illustrations and case studies from the US and Europe to offer a thorough examination of the nature common root causes and social remedies of social problems Providing discussions of both theoretical approaches and concrete applications Social Problems and Inequality investigates the sources of various prejudices and attitudes that contribute to social problems and the associated issues of globalization economic greed and imperialism Accessible in style and comprehensive in its coverage this book will appeal to students and scholars of social problems across the social sciences

Understanding theories and concepts in social policy Ruth Lister,2010-06-01 A central theme of this lively and accessible text is that theory helps us to understand policy politics and practice The book combines an in depth exploration of selected theoretical perspectives and concepts with the student friendly format of the Understanding Welfare series The author uses diverse examples from contemporary social policy to help theoretical arguments come alive It should provide a key text for 2nd and 3rd year undergraduates and postgraduates in social policy and related subjects as well as their teachers
