Dictionary of Jesus and the Gospels (2nd edn) J B GREEN, J BROWN, N PERRIN, 2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of Jesus s day has advanced in ways that could not have been predicted in Hastings s day But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors teachers students and lay people desiring in depth treatment of select topics in an accessible and summary format The topics range from cross sectional themes such as faith law Sabbath to methods of interpretation such as form criticism redaction criticism sociological approaches from key events such as the birth temptation and death of Jesus to each of the four Gospels as a whole Some articles such as the Dead Sea Scrolls rabbinic traditions and revolutionary movements at the time of Jesus provide significant background information to the Gospels Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man ancient rhetoric and the chreiai Contemporary concerns of general interest are discusses in articles covering such topics as healing the demonic and the historical reliability of the Gospels And for those entrusted with communicating the message of the Gospels there is an extensive article on preaching from the Gospels The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church *The Content and the Setting of the Gospel Tradition* Mark Harding, Alanna Nobbs, 2010-10-22 Editors Mark Harding and Alanna Nobbs have here brought together the internationally recognized scholarly excellence of Macquarie University faculty and associates to provide a major contribution to the study of the content and environment of the New Testament Gospels Few books in current New Testament scholarship seriously tackle its social setting and textual tradition beyond a chapter or two The Content and Setting of the Gospel Tradition integrates the texts with the literary social and historical context in which they were written *Paul and the Gospels* Michael F. Bird, Joel Willits, 2013-05-01 This volume which collects together the work of several established scholars attempts to situate the Apostle Paul the Pauline writings and the earliest Christian Gospels together in the context of early Christianity It addresses the issue of how the Christianity depicted in and represented by the

individual Gospels relates to the vision of Christianity represented by Paul and the Pauline writings This raises such questions as to what extent did Paul influence the canonical and non canonical Gospels In what way are the Gospels reactions to Paul and his legacy A comparison of the Gospels and Paul on topics such as Old Testament Law Gentile mission Christology and early church leadership structures represents a fruitful area of study While a number of volumes have appeared that attempt to assess the relationship between the historical Jesus and the Apostle Paul relatively few studies on Paul and the Gospels have been published This volume excellently fills this gap in New Testament Studies and makes a valuable contribution to studies on Christian Origins Pauline research and the Gospels

Credit and Usury in Jewish Society in the Mishnah and Talmud Ben Zion Rosenfeld, 2023-12-05 Credit is the oxygen of every society In many cases we wonder why the rabbis prohibit certain business credit transactions considering them usury The writer uses literary and epigraphic sources to decipher the rabbinic approach This book shows how rabbinic legislation innovatively expand the Torah prohibition of usury in loans to all fields of credit It is a pioneering inquiry regarding rabbinic literature compiled under Roman and Sasanid rule helping to fill the void in research concerning credit It also distinguishes various kinds of credit differentiating credit of money for money or products exposing the ramifications of the rabbinic legislation

Shively, 2012-08-31 This narrative study uses Mark 3 22 30 as an interpretive lens to show that the Gospel of Mark has a thoroughly apocalyptic outlook That is Mark 3 22 30 constructs a symbolic world that shapes the Gospel s literary and theological logic Mark utilizes apocalyptic discourse portraying the Spirit filled Jesus in a struggle against Satan to establish the kingdom of God by liberating people to form a community that does God s will This discourse develops throughout the narrative by means of repetition and variation functioning rhetorically to persuade the reader that God manifests power out of suffering rejection and death This book fits among literary studies that focus on Mark as a unified narrative and rhetorical composition and uses narrative analysis as a key tool While narrative approaches to Mark generally offer non apocalyptic readings this study clarifies the symbols metaphors and themes of Mark 3 22 30 in light of the religious and social context in which the Gospel was produced in order to understand Mark s persuasive aims towards the reader Accordingly a comparative analysis of Jewish apocalyptic literature informs the use of Mark 3 22 30 as a paradigm for the Gospel The Words of Jesus in the Gospel of Thomas David W.
