Social Theories Of L T Hobhouse:

The Social Theories of L.T. Hobhouse Hugh Carter,1927 **Social Development** Leonard Trelawny Hobhouse,2010
Originally published in 1924 Professor Hobhouse s theories and commentaries upon social development are an important milestone in the history of sociological thought Of particular interest to the modern sociologist is his delineation of the struggle of the human mind towards rationality in thought and action and his insistence on the principle that in all social investigations it is necessary to distinguish between questions of fact and questions of value *The Social Theories of L. T. Hobhouse* Hugh Carter,1968 The Social Theories of L. T. Hobhouse Hugh Carter,1968 *The Social Theories of L. T. Hobhouse, by Hugh Carter,...* Hugh Carter,1927 *L. T. Hobhouse* J. A. Hobson,Morris Ginsberg,2022-09-16 First published in 1931 L T Hobhouse is an amalgamation of the late social philosopher L T Hobhouse s personal life and academic work The first part of this volume is a brief biography by Mr J A Hobson with added impressions by personal friends and colleagues It is followed by an account of his philosophy and sociology written by Professor Morris Ginsberg his pupil and successor at the London School of Economics Third section consists of some collected essays illustrative of his various capacities and interests This book will be of interest to students of philosophy and sociology **Social Theory** John Scott,2006 This is a comprehensive critical review of social theory that places leading contributions in their larger context Written predominantly for students the scope and range of the subjects and authors dealt with results in one of the most comprehensive introductions to social theory published to date Ranging from the philosophical foundations of sociology and the discovery of the social to distinctive sociological approaches to the significance of issues pertaining to gender and patriarchy to questions of modernity and post modernity the book is comprehensive in subject matter **Social Evolution and Political Theory** Leonard Trelawny Hobhouse,1911 **The Modern Liberal Theory of Man** Gerald F. Gaus,2019-11-19 First published in 1983 The primary argument of this book is that there is a coherent tradition of liberal thinking that extends from L S Mill through liberals like T H Green Bernard Bosanquet L T Hobhouse and John Dewey to John Rawls The author places Rawls within a longstanding tradition of liberal thinking while also arguing that Green and Hobhouse are not simply of historical interest but represent genuine and interesting attempts to develop a modern liberal theory It is argued that modern liberal theory centres on a conception of human nature that modern liberals have sought to harmonise the pursuit of individuality with participation in social and communal life Although the book focuses on six modern liberals the discussion proceeds topically rather than according to author thus highlighting similarities and disagreements and providing a comprehensive study of modern liberalism ,
