Handbook of Stress in the Occupations Janice Langan-Fox, Cary L. Cooper, 2011-01-01 The Handbook of Stress in the Occupations sets a new agenda for stress research and gives fresh impetus to scholars who wish to focus on issues and problems associated with specific jobs some of which have received little attention in the past Written by researchers who are true experts in the field of each occupation this comprehensive Handbook reviews stress in a wide range of jobs including transport education farming fishing oil rig drilling finance law enforcement fire fighting entrepreneurship music social services prisons sport and health including surgery internship dentistry nursing paramedics psychiatry and social work Several occupations such as oil rig drilling are reviewed these jobs have always been stressful but have received little attention by researchers and only now receive more focus due to the Bay of Mexico accident Other occupations demand more of our attention because there have been substantial technological changes in particular jobs such as in dentistry nursing and surgery This lucid and insightful

compendium will be a source of inspiration for those in the helping professions and all those individuals working in the industries described in the book More specifically the Handbook will strongly appeal to human resource specialists psychologists occupational health and safety professionals managers nurses and therapists Written in highly accessible language it will also provide rich reading to lay audiences including job incumbents themselves as well as specialists in industry and academia Academics and postgraduate students of business management and psychology will find plenty of detailed information regarding stress associated with occupations

Evidence-based Interventions in Social Work John S. Wodarski, Marvin D. Feit, 2009 Evidence based Interventions in Social Work A Practitioner's Manual centers on the factorial complexity of planning interventions with major client groups Monumental economic and political forces are reshaping the way medical mental health and social services are delivered in the United States By focusing on the role of the social worker in the evolving systems of care the book addresses the following critical questions that have been generated by the empirical practice research Who should deliver the intervention to whom What intervention is the most effective with which clients

Wher **Best Practices for Social Work with Refugees and Immigrants** Miriam Potocky, Mitra Naseh, 2019-10-29 Social work practice with refugees and immigrants requires specialized knowledge of these populations and specialized adaptations and applications of mainstream services and interventions Because they are often confronted with cultural linguistic political and socioeconomic barriers these groups are especially vulnerable to psychological problems such as anxiety depression alienation grief and post traumatic stress disorder as well as concerns arising from inadequate health care Institutionalized discrimination and anti immigrant policies and attitudes only exacerbate these challenges The second edition of Best Practices for Social Work with Refugees and Immigrants offers an update to this comprehensive guide to social work with foreign born clients and an evaluation of various helping strategies and their methodological strengths and weaknesses Part 1 sets forth the context for evidence based service approaches for such clients by describing the nature of these populations relevant policies designed to assist them service delivery systems and culturally competent practice Part 2 addresses specific problem areas common to refugees and immigrants and evaluates a variety of assessment and intervention techniques in each area Using a rigorous evidence based and pancultural approach Miriam Potocky and Mitra Naseh identify best practices at the macro meso and micro levels to meet the pressing needs of uprooted peoples The new edition incorporates the latest research on contemporary social work practice with refugees and immigrants to provide a practical up to date resource for the multitude of issues and interventions for these populations

Social Workers' Desk Reference Albert R. Roberts, 2009 This is a new edition of the wildly successful everyday reference for social workers Like the first edition it has been crafted with the help of an extensive needs assessment survey of educators and front line practitioners ensuring that it speaks directly to the daily realities of the profession It features 40% new material and a more explicit focus on evidence based practice

Applying Research Evidence in Social Work Practice Martin Webber, 2017-09-16 This

key textbook explores how good social work practice draws upon relevant and current research to ensure that interventions are as effective as possible. Social workers are increasingly required to demonstrate their knowledge of the research and evidence that underpin the daily decisions they make and actions they take and it is therefore vital that they are not only up to date with the latest research but that they have the tools and understanding to successfully apply this to their practice. Written by leading experts in the field, this text book provides a step by step guide to implementing research in to every day social work practice. This is essential reading for any one taking a research module on Social Work programmes at undergraduate and postgraduate level or practitioners wishing to advance their own practise and deliver the best possible service they can.
