The background of the cover is a vibrant, abstract painting. In the upper left, a large, colorful, and somewhat abstract face is painted on a wall. The face is composed of various colors like blue, yellow, red, and green, with some black outlines. A young boy with dark hair, wearing a blue denim shirt and khaki pants, is standing in the lower left, pointing his right index finger up towards the face. The overall scene is set against a grey wall.

Gorilla Society Alexander H. Harcourt,Kelly J. Stewart,2008-09-15 Societies develop as a result of the interactions of individuals as they compete and cooperate with one

another in the evolutionary struggle to survive and reproduce successfully Gorilla society is arranged according to these different and sometimes conflicting evolutionary goals of the sexes In seeking to understand why gorilla society exists as it does Alexander H Harcourt and Kelly J Stewart bring together extensive data on wild gorillas collected over decades by numerous researchers working in diverse habitats across Africa to illustrate how the social system of gorillas has evolved and endured Gorilla Society introduces recent theories explaining primate societies describes gorilla life history ecology and social systems and explores both sexes evolutionary strategies of survival and reproduction With a focus on the future Harcourt and Stewart conclude with suggestions for future research and conservation An exemplary work of socioecology from two of the world s best known gorilla biologists Gorilla Society will be a landmark study on a par with the work of George Schaller a synthesis of existing research on these remarkable animals and the societies in which they live

International Society in the Early Twentieth Century Asia-Pacific Hiroo Nakajima, 2021-05-03 Concentrating on the rivalry between the formal and informal empires of Great Britain Japan and the United States of America this book examines how regional relations were negotiated in Asia and the Pacific during the interwar years A range of international organizations including the League of Nations and the Institute of Pacific Relations as well as internationally minded intellectuals in various countries intersected with each other forming a type of regional governance in the Asia Pacific This system transformed itself as post war decolonization accelerated and the United States entered as a major power in the region This was further reinforced by big foundations including Carnegie Rockefeller and Ford This book sheds light on the circumstances leading to the collapse of formal empires in the Asia Pacific alongside hitherto unknown aspects of the region s transnational history A valuable resource for students and scholars of the twentieth century history of the Asia Pacific region and of twentieth century internationalism
