

SOCIETY OF SIX

Society Of Six William Clapp August Gay

Nancy Boas

Society Of Six William Clapp August Gay:

Society of Six Oakland Museum, 1972 **Society of Six** Oakland Museum. Art Department, 1972 *Society of Six* Oakland Art Museum, Terry St. John, 1972* *Society of Six: William Clapp, August Gay, Selden Gile, Maurice Logan, Louis Siegriest, Bernard Von Eichman*, 1972 **Society of Six, William Clapp, August Gay, Selden Gile, Maurice Logan, Louis Siegriest, Bernard Von Eichman** Oakland Museum, 1972 **The Society of Six** Nancy Boas, 1997 The Oakland Six may constitute the most important modernist development that occurred in this country during the 1920s William H Gerds author of *American Impressionism* **Society of Six** Nancy Boas, 2023-09-01 Six plein air painters in Oakland California joined together in 1917 to form an association that lasted nearly fifteen years The Society of Six Selden Connor Gile Maurice Logan William H Clapp August F Gay Bernard von Eichman and Louis Siegriest created a color centered modernist idiom that shocked establishment tastes but remains the most advanced painting of its era in Northern California Nancy Boas's well informed and sumptuously illustrated chronicle recognizes the importance of these six painters in the history of American Post Impressionism The Six found themselves in the position of an avant garde not because they set out to reject conventionality but because they aspired to create their own indigenous modernism While the artists were considered outsiders in their time their work is now recognized as part of the vital and enduring lineage of American art Depression hardship ended the Six's ascendancy but their painterliness use of color and deep alliance with the land and the light became a beacon for postwar Northern California modern painters such as Richard Diebenkorn and Wayne Thiebaud Combining biography and critical analysis Nancy Boas offers a fitting tribute to the lives and exhilarating painting of the Society of Six

The ^ADream Endures Kevin Starr, 2002-11-28 What we now call the good life first appeared in California during the 1930s Motels home trailers drive ins barbecues beach life and surfing sports from polo and tennis and golf to mountain climbing and skiing sportswear a word coined at the time and sun suits were all a part of the good life perhaps California's most distinctive influence of the 1930s In *The Dream Endures* Kevin Starr shows how the good life prospered in California in pursuits such as film fiction leisure and architecture and helped to define American culture and society then and for years to come Starr previously chronicled how Californians absorbed the thousand natural shocks of the Great Depression unemployment strikes Communist agitation reactionary conspiracies in *Endangered Dreams* the fourth volume of his classic history of California In *The Dream Endures* Starr reveals the other side of the picture examining the newly important places where the good life flourished like Los Angeles where Hollywood lived Palm Springs where Hollywood vacationed San Diego where the Navy went the California Institute of Technology in Pasadena where Einstein went and changed his view of the universe and college towns like Berkeley We read about the rich urban life of San Francisco and Los Angeles and in newly important communities like Carmel and San Simeon the home of William Randolph Hearst where each Thursday afternoon automobiles packed with Hollywood celebrities would arrive from Southern California for the long weekend at Hearst Castle

The 1930s were the heyday of the Hollywood studios and Starr brilliantly captures Hollywood films and the society that surrounded the studios Starr offers an astute discussion of the European refugees who arrived in Hollywood during the period prominent European film actors and artists and the creative refugees who were drawn to Hollywood and Southern California in these years Igor Stravinsky Arnold Schoenberg Man Ray Bertolt Brecht Christopher Isherwood Aldous Huxley Thomas Mann and Franz Werfel Starr gives a fascinating account of how many of them attempted to recreate their European world in California and how others like Samuel Goldwyn provided stories and dreams for their adopted nation Starr reserves his greatest attention and most memorable writing for San Francisco For Starr despite the city's beauty and commercial importance San Francisco's most important achievement was the sense of well being it conferred on its citizens It was a city that magically belonged to everyone Whether discussing photographers like Edward Weston and Ansel Adams hard boiled fiction writers or the new breed of female star Marlene Dietrich Jean Harlow Bette Davis Carole Lombard and the improbable Mae West *The Dream Endures* is a brilliant social and cultural history in many ways the most far reaching and important of Starr's California books

The Life of Maynard Dixon Donald J. Hagerty, Maynard Dixon, 2010 Maynard Dixon embellished themes that encompassed the timeless truth of the majestic western landscape the humanity of its memorable people and the religious mysticism of the Native American In an attempt to uncover the spirit of the American West Dixon roamed its plains mesas and deserts drawing painting and expressing his creative personality in poems essays and letters Written in a very personal style this biography includes anecdotes from Dixon's children historical vignettes and interviews with those who knew the artist

Impressions of California Joseph N. Newland, 1996
