Society Under Stress Children And Young People In Northern Ireland:

Adolescents, Cultures, and Conflicts Jari-Erik Nurmi, 2020-03-12 First published in 1998 Adolescent development and well being are both affected by socio political change political violence immigrant status and various types of cultural social and institutional diversity These are realities faced by many adolescents in Europe today This book examines these circumstances and also the impact of recent socio political changes in Eastern Europe and conflicts in Northern Ireland Adolescent identities are looked at as well as the effects of prejudice towards immigrant youths from their host societies

The Psychological Effects of War and Violence on Children Lewis A. Leavitt, Nathan A. Fox, 2014-01-14 The outgrowth of a conference planned as a response to the need for researchers and clinicians to develop integrated plans for addressing the psychological trauma of children exposed to violence this volume s goals are to summarize research on the subject with particular emphasis on the Gulf War to use this information to formulate an outline of what current knowledge suggests are reasonable approaches to public mental health intervention and to develop an agenda for future research necessary for improving clinical efforts in varying international conflicts A significant collection of diverse perspectives attending to a diversity of cultural and political contexts the contributors offer many conclusions about important dimensions for analyzing the effects of violence on children Suggesting informed approaches to public mental health efforts which can be implemented the work presented here directs attention to the need for interdisciplinary collaboration among researchers and clinicians to better understand the effects of exposure to violence on the psychological well being of children and the optimal modes of remediation on individual family and community levels Facets of the Conflict in Northern Ireland Seamus

Dunn, 2016-07-27 an important volume for anyone anxious to understand the fundamentals of politics in Northern Ireland today Margaret O Callaghan Irish Times Facets of the Conflict in Northern Ireland is written by practising social science researchers all currently or recently working within Northern Ireland It provides an up to date background to the conflict and much of the material used arises from the wide range of funded researches carried out at the Centre for the Study of Conflict University of Ulster during the past sixteen years Each chapter focuses on a different facet of the problem and these include social legal political religious economic and cultural matters *The Routledge Handbook of the Northern Ireland Conflict and Peace* Laura McAtackney, Máirtín Ó Catháin, 2023-11-13 The Routledge Handbook of the Northern Ireland Conflict and Peace is the first multi authored volume to specifically address the many facets of the 30 year Northern Ireland conflict colloquially known as the Troubles and its subsequent peace process This volume is rooted in opening space to address controversial subjects answer key questions and move beyond reductive analysis that reproduces a simplistic two community theses The temporal span of individual chapters can reach back to the formation of the state of Northern Ireland with many starting in the late 1960s to include a range of individuals collectives organisations understandings and events at least up to the Good Friday Belfast Agreement in 1998 This volume has forefronted creative approaches in understanding

conflict and allows for analysis and reflection on conflict and peace to continue through to the present day With an extensive introduction preface and 45 individual chapters this volume represents an ambitious expansive interdisciplinary engagement with the North of Ireland through society conflict and peace from a wide range of disciplinary perspectives theoretical frameworks and methodological approaches While allowing for rich historical explorations of high level politics rooted in state documents and archives this volume also allows for the intermingling of different sources that highlight the role of personal papers memory space materials and experience in understanding the complexities of both Northern Ireland as a people place and political entity Religion, Identity and Politics in Northern Ireland Ms Claire Mitchell, 2013-05-28 Has conflict in Northern Ireland kept political dimensions of religion alive and has religion played a role in fuelling conflict Conflict in Northern Ireland is not and never will be a holy war Yet religion is more socially and politically significant than many commentators presume In fact religion has remained a central feature of social identity and politics throughout conflict as well as recent change There has been an acceleration of interest in the relationship between religion identity and politics in modern societies Building on this debate Claire Mitchell presents a challenging analysis of religion in contemporary Northern Ireland arguing that religion is not merely a marker of ethnicity and that it continues to provide many of the meanings of identity community and politics In light of the multifaceted nature of the conflict in Northern Ireland Mitchell explains that for Catholics religion is primarily important in its social and institutional forms whereas for many Protestants its theological and ideological dimensions are more pressing Even those who no longer go to church tend to reproduce religious stereotypes of them and us Drawing on a range of unique interview material this book traces how individuals and groups in Northern Ireland have absorbed religious types of cultural knowledge belonging and morality and how they reproduce these as they go about their daily lives Despite recent religious and political changes the author concludes that perceptions of religious difference help keep communities in Northern Ireland socially separate and often in conflict with one another

Aggression in Global Perspective Arnold P. Goldstein, Marshall H. Segall, 2013-10-22 Aggression in Global Perspective attempts to present both an elucidating and a utilitarian picture of aggression in global perspective elucidating in that it serves to help deepen the understanding of the meaning and nature of aggression throughout the world utilitarian in that its companion focus on aggression controls and alternatives in global perspective actually functions to aid the constructive prosocial anti aggression efforts which do exist or might exist to more readily and more fully succeed The book begins by drawing upon individual cultural perspectives on aggression aggression control and aggression alternatives to offer a more unified global perspective It compares contrasts distills differences and similarities and suggests specific directions for future research and applied efforts at better understanding of aggression The chapters which follow describe contemporary manifestations of aggression in a large number of nations representing almost the entire world These descriptions are placed in a cultural context providing an understanding of why for the given country or region aggression currently assumes

particular forms rates and intensities Such contextual information is also utilized in most of the ensuing chapters to aid in understanding how aggression fits in or is conceptualized in each nation s stream of daily living **Doing Visual Research with Children and Young People** Pat Thomson,2009-05-07 This book explores the methodological ethical representational and theoretical issues surrounding image based research with children and young people **Interpreting Northern Ireland** John Whyte,1991-10-03 Relative to its size Northern Ireland is possibly the most heavily researched area on earth hundreds of books and thousands of articles have been published since the current troubles began in the mid 1960s John Whyte had been studying Northern Ireland since the mid 1960s In *Interpreting Northern Ireland* he provides a badly needed guide to the mass of literature and comment In Part I he surveys the research on the nature and extent of the community divide examining in turn the religious economic political and psychological aspects of the issue In Part II he discusses ideological interpretations of the Northern Ireland problem from unionist and nationalist to Marxist In the final section of the book he surveys the various solutions that have been proposed and looks critically at what the mass of research has achieved He suggests that if it has not achieved more it may be because it has sometimes asked the wrong questions

International Handbook of Traumatic Stress Syndromes John P. Wilson,Beverley Raphael,2013-06-29 Over 100 researchers from 16 countries contribute to the first comprehensive handbook on post traumatic stress disorder Eight major sections present information on assessment measurement and research protocols for trauma related to war veterans victims of torture children and the aged Clinicians and researchers will find it an indispensable reference touching on such disciplines and psychiatry psychology social work counseling sociology neurophysiology and political science *Annual Progress in Child Psychiatry and Child Development 1994* Margaret E. Hertzog, Ellen A. Farber,1994-12 First Published in 1995 Routledge is an imprint of Taylor Francis an informa company
