

The background is an abstract composition of various colors and textures. At the top, there are horizontal bands of bright yellow, green, and magenta. Below these, a large, textured area of deep blue dominates the lower half. A thick, solid red horizontal line runs across the middle of the image, separating the title from the subtitle. The overall effect is one of dynamic energy and visual complexity.

Sociolinguistics Of Borderlands:

The Sociolinguistics of Borderlands Tope Omoniyi, 2004 The central pursuit of this book is to demonstrate the link between language and identity using the Idiroko Igolo community on the Nigerian Benin border It raises issues of identity within a sociolinguistic framework focusing on the ways in which colonial boundaries affected community ethnic and national affiliations and the social and political dynamics of choosing between various identities in these contexts Consisting of seven chapters this is a valuable tool for undergraduates postgraduates and academics interested in African borderlands *The Sociolinguistics of Identity* Tope Omoniyi, Goodith White, 2006-11-02 Across the social and behavioural sciences there has been an increased interest in identity as a subject of inquiry Despite this there remain questions to which researchers need to find answers and challenges to be made to older paradigms of analysis in order to continue to push the frontiers of knowledge in this research domain Identity is a problematic concept inasmuch as we recognise it now as non fixed non rigid and always being co constructed by individuals of themselves or by people who share certain core values or perceive another group as having such values This volume re examines the analytical tools employed in the sociolinguistic research of identity in order to assess their efficiency establish the roles of language in the identity claims of specific communities of people and determine the place of identity in a variety of social contexts including work places and language classrooms It will be of interest to academics and students working in sociolinguistics applied linguistics and second language learning
