**The Politics of Program Evaluation** Dennis James Palumbo, 1989 The Politics of Program Evaluation Dennis J. Palumbo, 1987 Evaluation and politics are related in a number of ways While programme evaluators have traditionally tried to be neutral objective and scientific in their assessment of programmes the results of evaluation are inherently political and are used by politicians programme administrators special interest groups and other stakeholders for political purposes The contributors argue that since evaluation cannot be divorced from its political context the political dimension must be understood in order to conduct effective evaluations **Program Evaluation in Language Education** R. Kiely, P. Rea-Dickins, 2005-07-26 The authors describe evaluation as a way of understanding and developing language programs the thematic and background section sets out the decision making quality management and learning functions of evaluation Case studies illustrate the diversity of evaluation contexts functions and approaches documenting the ways in which evaluation processes and outcomes inform and facilitate program development and contribute to explaining how language and teacher education programs constitute opportunities for learning The ways in which evaluation practice can be researched and developed to maximize policy institutional and program effectiveness is included and a comprehensive set of resources for those commissioning undertaking or researching language program evaluations concludes the text **Program Evaluation** John M Owen, Patricia Rogers, 2012-07-18 This book offers a straightforward practical introduction to evaluation for beginners and practitioners It shows how to identify appropriate forms and approaches using an original framework The authors examine the role of evaluation in program development and offer techniques for involving stakeholders in the planning process and for disseminating the evaluation findings They use references to recent research and international Encyclopedia of Policy Studies, Second Edition Stuart Nagel, 2020-08-18 This entirely updated and enlarged examples Second Edition of a landmark reference text continues to provide comprehensive coverage of every important aspect of policy studies discussing concepts methods utilization formation and implementation both internationally and across each Education Research and Evaluation: For Policy and Practice? Robert G. Burgess, 2014-04-04 level of government Much has been written on the styles strategies and tactics associated with educational research and evaluation but relatively little on the social processes associated with the methodology Few books consider the relationship of research and evaluation to policy and practice and this book opens up key debates in that field It identifies through contributions from the USA and Britain some of the major processes involved examines the problems of conducting research and evaluation and the ways in which they can be overcome and details case studies in which problems and processes are encountered Probably of worldwide interest to students researchers academics policy makers and practitioners the authors present an examination of a range of different dimensions associated with educational research and evaluation conducted for policy and practice

Public Policy and Program Evaluation E. Vedung, Evaluation is the process of distinguishing the worthwhile from the

worthless the precious from the useless evaluation implies looking backward in order to be able to steer forward better Written from a political science perspective Public Policy and Program Evaluation provides an overview of the possibilities and limits of public sector evaluation Core Concepts in Evaluation Lori A. Wingate, Ayesha S. Boyce, Lyssa Wilson Becho, Kelly N. Robertson, 2024-07-09 This unique book features original writings from evaluation s foundational thinkers together with new commentaries from contemporary authors Each section includes an introduction to a core evaluation concept by the editors a classic reading two commentaries on that topic by contemporary authors and a reflection guide written by the editors **Policy Studies Review** ,1988 Some vols include special issues Symposium on Race, Sex, and Handbook of Public Policy Evaluation Frédéric Varone, Steve Jacob, Pirmin Bundi, 2023-10-06 This Policy Studies, 1978 comprehensive Handbook examines public policy evaluation in democracies Focusing on the political dimension of the evaluation process it argues that policy evaluation can be an emancipatory tool reducing social inequalities and exclusion and offers novel suggestions on how evaluations can be used to improve democratic policymaking The Science of Public **The Politics of Program Evaluation**, 1987 Policy: Policy process, part II Tadao Miyakawa,1999 World Yearbook of Education 1985 John Nisbet, Jacquetta Megarry, Stanley Nisbet, 2013-03-07 Published in the year 2005 World Yearbook of Education 1985 is a valuable contribution to the field of Major Works Public Administration Series--Bibliography, 1989

Public Sector Management in Australia Ciaran O'Faircheallaigh, John Wanna, Patrick Moray Weller, 1999 Revised and updated second edition of a text first published in 1992 Includes recent empirical research and a new section on management in practice Addresses issues relating to the design and structure of governmental bodies the utility and impact of alternative management techniques and public sector ethics and accountability Includes references and an index The authors have senior positions at the Centre for Australian Public Sector Management and have published extensively in their field Bulletin of the Public Affairs Information Service Public Affairs Information Service, 1976 Children as Pawns Timothy A. HACSI, Timothy A Hacsi, 2009-06-30 Head Start Bilingual education Small class size Social promotion School funding Virtually every school system in America has had to face these issues over the past thirty years Advocates and dissenters have declared confidently that the research is on their side But is it In the first book to bring together the recent history of educational policy and politics with the research evidence Timothy Hacsi presents the illuminating often forgotten stories of these five controversial topics He sifts through the complicated evaluation research literature and compares the policies that have been adopted to the best evidence about what actually works He lucidly explains what the major studies show what they don t and how they have been misunderstood and misrepresented Hacsi shows how rarely educational policies are based on solid research evidence and how programs that sound plausible simply do not satisfy the complex needs of real children Monographic Series Library of Congress, 1982 Parliamentary Papers Queensland.
