The Politics of States and Urban Communities Hugh L. LeBlanc, Don Trudeau Allensworth, 1971 **The Politics of States and Urban Communities**, 1971 Deprivation, State Interventions and Urban Communities in Britain, 1968-79 Peter Shapely, 2017-08-16 Focusing on a series of policy initiatives from the late 1960s through to the end of the 1970s this book looks at how successive governments tried to address growing concerns about urban deprivation across Britain It provides unique insights into policy and governance and into the socio economic and cultural causes and consequences of poverty Starting with the impact of redevelopment policies immigration and the rise of the inner city this book examines the pressures and challenges that explain the development of policy by successive Labour and Conservative governments It looks at the effectiveness and limits of different community development approaches and at the inadequacies of policy in tackling urban deprivation In doing so the book highlights the restricted impact of pilot projects and reform of public services in resolving deprivation as well as the broader limits of social planning and state welfare Crucially it also plots the shift in policy from an emphasis on achieving statutory service efficiencies and rolling out social development programmes towards an ever greater stress on regeneration and support for private capital as the solution to transforming the inner city The Politics of State Intervention Shireen Burki, 2013-08-22 The Politics of State Intervention Gender Politics in Pakistan Afghanistan and Iran examines how three culturally and religiously interconnected neighboring states have sought to regulate the lives of their female populace in order to gauge how successful or unsuccessful these efforts have been at the grassroots level Utilizing a historical framework it explores the gender specific policies of these states to assess whether or not shared cultural religious and social characteristics translate into similar gender policies and outcomes across borders and if not why Through comparison it conclusively identifies social and political roadblocks that threaten both the long term prospects and security for all females as well as factors that tend to somewhat ameliorate detrimental tendencies **Government in the United States** Henry Lester Smith, Sheldon Emmor David, Clarence Henry McClure, 1928 *Handbook of Research on Urban Politics and Policy in the United States* Ronald K.
