**The Polly Peck Story** Raymond Zelker, 2001      **Jean-Pierre Cuoni, a Banker with Heart** Christophe Vuilleumier, 2023-12-22 A man's destiny is shaped by the work he does but also by his attitude towards life his values and his ethics Jean Pierre Cuoni founder of the international bank EFG together in collaboration with his old friend in the ranks Lonnie Howell embraced the virtues of ethics and loyalty in the disillusioned practical world of finance He was the father of the name Private Banking and revolutionised the traditional management model of the banking institution by promoting independence for his employees Member of the Board of Directors of the Union des Bourses Suisses of the Board of Directors of the Zurich Chamber of Commerce Vice President of the Swiss Chamber of Commerce Vice President of the British Swiss Chamber of Commerce Jean Pierre Cuoni remained unknown to the general public Sometimes criticised but often adored by those who knew him Jean Pierre Cuoni was a Swiss industry giant who knew how to build rather than destroy over decades wrought with major economic and political instability No lle Demole Cuoni's first grand daughter decided to put in writing the fascinating biography of her grand father whom she deeply adored      **Migrant City** Panikos Panayi, 2020-04-07 The first history of London to show how immigrants have built shaped and made a great success of the capital city London is now a global financial and multicultural hub in which over three hundred languages are spoken But the history of London has always been a history of immigration Panikos Panayi explores the rich and vibrant story of London from its founding two millennia ago by Roman invaders to Jewish and German immigrants in the Victorian period to the Windrush generation invited from Caribbean countries in the twentieth century Panayi shows how migration has been fundamental to London's economic social political and cultural development Migrant City sheds light on the various ways in which newcomers have shaped London life acting as cheap labour contributing to the success of its financial sector its curry houses and its football clubs London's economy has long been driven by migrants from earlier continental financiers and more recent European Union citizens Without immigration fueled by globalization Panayi argues London would not have become the world city it is today      Wholesale Couture Liz Tregenza, 2023-02-23 The first book to consider the subject Wholesale Couture London and Beyond 1930-70 seeks to revise the notion that wholesale couturiers were simply copyists and demonstrate the complexities of their design processes and business strategies This term has fallen out of usage however it was used to describe the pinnacle of the British ready to wear fashion industry between the 1930s and 1960s Companies within this sector have typically been recognised as creators of high quality copies of French haute couture using ready to wear techniques Liz Tregenza traces wholesale couture garments from concept to usage considering design manufacture branding promotion retail and export She looks beyond the garments produced and investigates the people behind these firms consequently demonstrating the significant role that largely Jewish immigrants played in the development and success of this industry The book also considers the wider social and economic factors that affected manufacturers and consumers the effect of austerity

rationing and the Utility scheme and the pressing need for wholesale couturiers to export their products internationally It demonstrates that 1946 was a critical year for re building and re imagining the London fashion industry and that wholesale couturiers were at the centre of these developments Furthermore it reveals the impact of changing consumer purchasing power including the burgeoning youth market for fashion manufacturers Offering a new perspective on British fashion history Wholesale Couture demonstrates that these couturiers were vital in cementing London s status as a ready to wear fashion centre *The British National Bibliography* Arthur James Wells,2001 **Jean-Pierre Cuoni, un banquier de cœur** Christophe Vuilleumier,2023-08-29 Le destin d un homme se forge au travers de ses réalisations mais aussi de son attitude l gard de la vie de ses valeurs et de son thique Jean Pierre Cuoni le cr ateur de la banque internationale EFG paul par un ami de longue date qui traversa bien des batailles avec lui Lonnie Howell leva comme vertus cardinales l thique et la loyaut dans un monde de la finance d senchant et pragmatique C est lui qui fut le p re de l appellation Private Banking et qui r volutionna le mod le de gestion traditionnel de l institution bancaire en faisant le pari de l ind pendance de ses collaborateurs Membre du conseil d administration de l union des bourses suisses du conseil d administration de la chambre de commerce de Zurich vice pr sident de la chambre suisse de commerce vice pr sident de la British Swiss chamber of commerce Jean Pierre Cuoni est rest m connu du grand public Parfois d cri souvent adul par ceux qui le connaissaient Jean Pierre Cuoni fut l un de ces grands capitaines d entreprise suisse qui surent b tir plut t que d truire durant des d cennies soumises des instabilit s conomiques et politiques majeures No lle Demole la petite fille ain e de Cuoni d cid de faire crire la biographie fascinante de son grand p re qu elle adorait tant **Business Archives** ,2002 **ICONIC WOMEN: Novels, Biographies & Memoirs** Willa Cather,Edith Wharton,Fanny Burney,Mary Wollstonecraft,Jane Austen,Charlotte Brontë,Nathaniel Hawthorne,Rebecca Harding Davis,Louisa May Alcott,Henry James,Leo Tolstoy,Thomas Hardy,Elizabeth Gaskell,Charlotte Perkins Gilman,Henrik Ibsen,Kate Chopin,Grant Allen,Ethel Sybil Turner,Elizabeth Burgoyne Corbett,H. **A Classless Society** Alwyn W. Turner, 2013-09-05 Superb NICK COHEN author of What's Left Tremendously entertaining DOMINIC SANDBROOK Sunday Times Like his previous histories of the Seventies and Eighties A Classless Society is an extraordinarily comprehensive work Turner writes brilliantly creating a compelling narrative of the decade weaving contrasting elements together with a natural storyteller's aplomb engaging and unique IRVINE WELSH Daily Telegraph Ravenously inquisitive darkly comical and coolly undecieved Turner is a master of the telling detail CRAIG BROWN Mail on Sunday When Margaret Thatcher was ousted from Downing Street in November 1990 after eleven years of bitter social and economic conflict many hoped that the decade to come would be more caring others hoped that the more radical policies of her revolution might even be overturned Across politics and culture there was

an apparent yearning for something the Iron Lady had famously dismissed society The New Britain to emerge would be a contradiction economically unequal but culturally classless Whilst Westminster agonised over sleaze and the ERM the country outside became the playground of the Ladette It was also a period that would see old moral certainties swept aside and once venerable institutions descend into farce followed in the case of the Royal Family by tragedy Opening with a war in the Gulf and ending with the attacks of 11 September 2001 A Classless Society goes in search of the decade when modern Britain came of age What it finds is a nation anxiously grappling with new technologies tentatively embracing new lifestyles and above all forging a new sense of what it means to be British Deserves to become a classic EDWINA CURRIE Rich and encyclopaedic ROGER LEWIS Daily Mail Excellent D J TAYLOR Independent      The Memoirs of a Young Bastard Tim Burstall, 2012 Tim Burstall the celebrated director of Stork Alvin Purple and numerous other definitive ocker comedies is credited with shaking the moribund Australian film industry out of its torpor But long before that in the early 1950s he began keeping a diary to record the world of the group of arties and intellectuals he was living among in Eltham then a rural area outside Melbourne where cheap land was available for mudbrick houses and studios and where suburban rigidities could be mercilessly flouted Burstall was in his mid twenties with two young sons and an open marriage with his wife Betty Eager to become a writer to go against the grain he kept a record almost daily of the parties and the talk in pubs and studios about art and politics and sex of Communist Party branch meetings and film societies of political rallies and the first Herald Outdoor Art Show Somehow while holding down a public relations job in the Antarctic Division and juggling his love affairs and obsession with the beautiful brainy Fay he wrote 500 words almost every day Betty according to the diaries kept the show on the road feeding friends after the pub milking goats and working in her pottery making bowls and mugs which Tim sometimes decorated at weekends These Memoirs of a Young Bastard as Burstall dubbed himself and them are among the most evocative Australian diaries of modern times Burstall can write He has an eye for the telling detail an unerring ear for cant and pomposity and most endearingly an ability to mock himself always from the perspective of a bloke of his generation
