The Pony Rider Boys in New Mexico Frank Gee Patchin *The Pony Rider Boys in New Mexico* by Frank Gee Patchin It reminded one of the way men propelled the old-fashioned velocipedes years before A cloud of dust rose behind the odd outfit as the party drew out on the plains Their ponies were started at a gallop which was necessary to enable them to keep up with the pace that Juan had set Here Here shouted the Professor Juan never looked back We're leaving the pack train Slow down Laughingly the lads pulled their ponies down to a walk then halted entirely to enable the burros to catch up with them By this time the pack animals had become so familiar with their work that little attention was necessary on the part of the boys Now and then one more sleepy than the rest would go to sleep and pause to doze a few minutes on the trail This always necessitated all hands stopping to wait until the sleeper could be rounded up and driven up to the bunch Juan had disappeared They were discussing the advisability of sending one of the boys out after him when he was seen We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand-curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a
