

Population Density

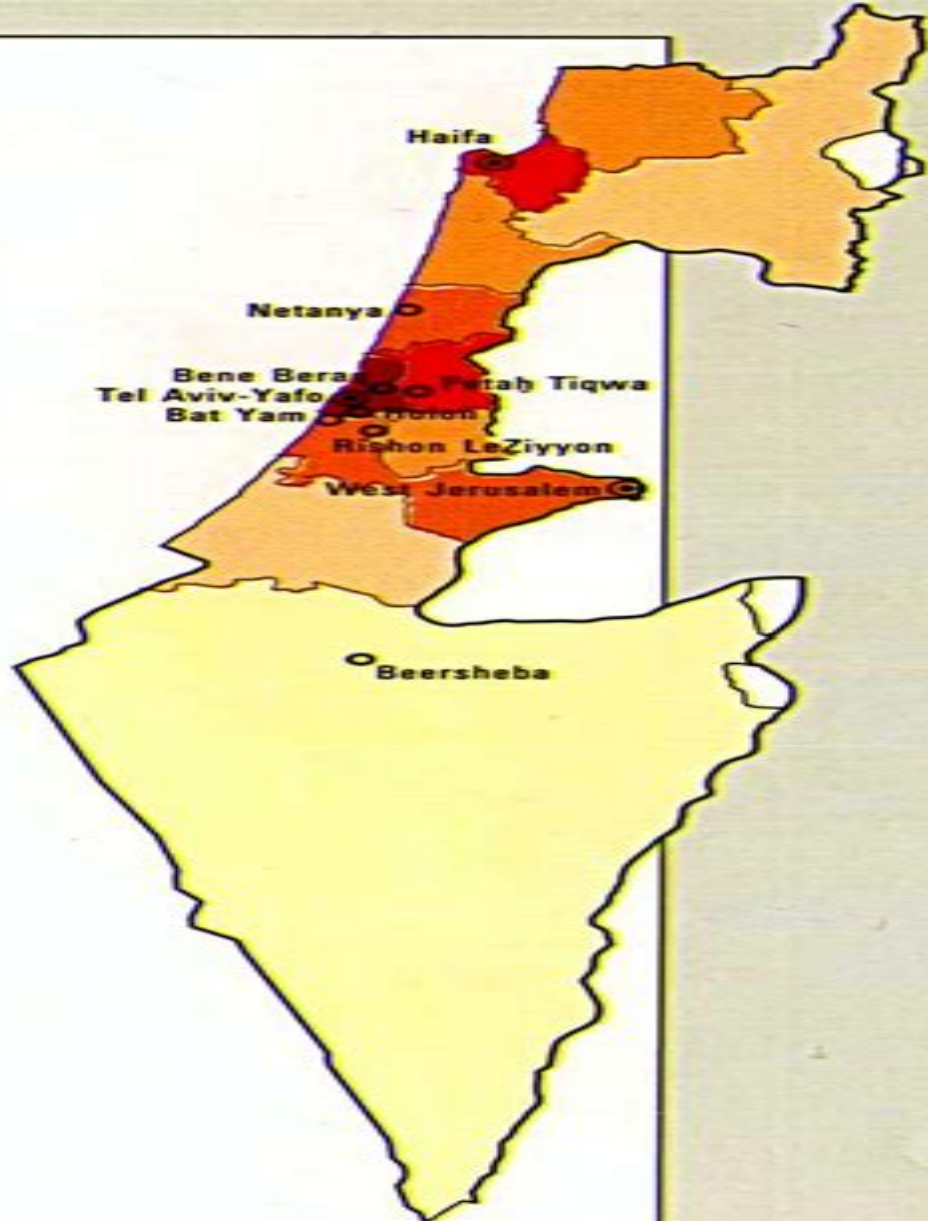

POPULATED PLACES

- ⊙ 220,000–320,000
- 110,000–150,000

*Persons per
square kilometer*

*Persons per
square mile*

Based on 1989 Israeli Central Bureau of Statistics data, by second-level administrative division.

For comparison, the population density for the Washington, DC metropolitan area is 920 persons per square mile.

The Population Of Israel

Barry Rubin

The Population Of Israel:

The Population of Israel Dov Friedlander, Calvin Goldscheider, 1979-01-01 **The population of the countries of the world from most ancient times to the present days** A.G.Vinogradov, The book is well known scientist A G Vinogradov The population of the countries of the world from most ancient times to the present days Demography The statistical tables Part 1 is the first reference work of this kind on demography created in Russia in the last decades Work is devoted to the size and structure of the population of the countries of the world since ancient times The characteristic lines of demographic processes Many statistical materials have not been previously published in print available *International Population Statistics Reports* United States. Bureau of the Census, 1952 **Israel's Changing Society** Calvin Goldscheider, 2019-03-13 This book provides the most up to date assessment of Israel s society today portraying the country s ethnic diversity its economy and demographic changes Revealing linkages between demographic transformation and socioeconomic change Goldscheider shows how ethnic group formation emerged in Israel to create the present mix of Jewish and Arab populations He also reviews the policies of Palestinian and Israeli governments concerning immigration describing the ways in which socioeconomic development within Israel urbanization and industrialization have evolved through the use of outside capital and increasing dependency The book reveals two unique sets of processes about Israel today The first concerns important changes in marriage family and intermarriage educational attainment and occupational achievement ethnic politics religion and the changing role of women A second but related concern pertains to the social and economic contexts of community life Here Goldscheider investigates rapid change among Israel s major urban centers towns and agricultural centers including the Kibbutz as well as Arab communities In concluding chapters the author discusses the role of government in shaping population policy including health fertility and contraceptive and abortion issues He also describes the influence of Jewish communities outside of Israel and the impact of the Middle East conflict with Arab states on Israel s domestic policy as well as the conflict with populations in territories administered by Israel since 1967 Likely to be a standard reference for years to come the book is essential reading for political scientists sociologists anthropologists and historians concerned with Israel s politics and society **Trends in the Geographical Distribution of the Arab Population of Israel** Amiram Gonen, 1993 *Social Welfare Services For Israel's Arab Population* Aziz Haidar, 2019-06-26 In the mid 1980s over 40 percent of Arab households fell below the poverty line In this book Dr Haidar a Palestinian living in Israel presents the results of extensive fieldwork in Arab and Jewish localities on the social conditions and welfare service needs of Arab children youth and elderly in Israel **International Population Statistics Reports** , 1952 **The Population of Israel** , 1994 *The Israeli Palestinians* Alexander Bligh, 2003 This edited collection offers a comprehensive analysis of the most significant factors to have contributed to the current relations between Israel s Jewish and Arab citizens *Introduction to Israel* Gilad James, PhD, Israel is a small country located in the Middle East that has a rich and complex history It was founded in 1948 after the

United Nations approved the partition of Palestine which resulted in the establishment of two states Israel and Palestine Israel is a parliamentary democracy and its government is divided into three branches legislative executive and judicial The country is led by a prime minister who is elected by the Knesset which is the Israeli parliament Israel is known for its diverse population which includes Jews Arabs Druze Christians and other minorities Hebrew and Arabic are the official languages of Israel and the country also has a strong cultural scene with a thriving film industry music scene and literature Jerusalem is the capital city of Israel and it is a holy site for Jews Christians and Muslims as it contains important religious sites such as the Western Wall the Church of the Holy Sepulchre and the Dome of the Rock Israel also has a strong economy with high tech industries tourism and agriculture being major drivers However the country also faces challenges such as ongoing conflicts with Palestinians regional instability and social issues related to the diverse population

International Real Estate Mark Lee Levine, 2004 Explores the economic political geographic and cultural issues that impact real estate practice in 33 countries spanning six continents

Routledge Handbook on Contemporary Israel Guy Ben-Porat, Yariv Feniger, Dani Filc, Paula Kabalo, Julia Mirsky, 2022-07-29 This Handbook provides a comprehensive overview of contemporary Israel accounting for changes developments and contemporary debates The different chapters offer both a historical background and an updated analysis of politics economy society and culture Across five sections a multidisciplinary group of experts including sociologists political scientists historians and social scientists engage in a wide variety of topics through different perspectives and insights The book opens with a historical section outlining the formation of Israel and Jewish nationalism The second section examines contemporary institutions in Israel their developments and the contemporary challenges they face in light of social economic political and cultural changes The third section explores geopolitics and Israel's foreign relations exploring conflicts alliances and foreign policy with neighbors and powers The fourth section engages with Israel's internal divisions and schisms highlighting questions of identity and inequality while also outlining processes of integration and marginalization between groups The final section explores matters of culture through the social and demographic shifts in contemporary music poetry and cuisine along with the struggles for inclusion and the impact of globalization on Israeli culture The Routledge Handbook on Contemporary Israel is designed for academics along with undergraduate and postgraduate students taking courses on Israel Israeli politics and culture and society in modern Israel

The Kingdoms of Israel and Judah, After the Disruption Samuel Gosnell Green, 1876

Daily Life in Biblical Times Oded Borowski, 2003 While the history of Israel during the period from ca 1200 to 586 B C E has been in the forefront of biblical research little attention has been given to questions of daily life Where did the Israelites live What did people do for a living What did they eat and what affected their health How did the family function These and similar questions form the basis for this book The

book introduces different aspects of daily life It describes the natural setting and the people who occupied the land It deals with the economy both rural and urban emphasizing the main sources of livelihood such as agriculture herding and trade These topics are discussed in relation to the family in particular and the social structure in general Other topics include urban society the bureaucracy and the military Beyond material culture the book delves into daily and seasonal cultural social and religious activities art music and the place of writing in Israelite society Drawing on textual and archaeological evidence and written with nontechnical language the book will be especially helpful for undergraduates seminarians pastors rabbis and other interested nonspecialist readers as well as graduate students and faculty in Hebrew Bible **Israel's**

Destiny Jon Anson,2017-09-04 For over a hundred years demography has been at the heart of the Zionist project reflected in the goal of creating and maintaining a Jewish majority in Israel and in ensuring the physical continuation of the Jewish people Demography continues to be an essential issue in the current struggle between Israel and Palestine Yet in academic discourse demography is treated as a minor largely technical side issue in the social sciences with little theoretical consideration given to population processes as social processes Israel s *Destiny Fertility and Mortality in a Divided Society* brings together important recent work in this area The contributions to Israel s *Destiny* focus on the influence of religion religiosity nationalism and ethnicity on fertility and mortality in Israel Israel s *Destiny* is divided into four sections the first focuses on fertility particularly Israel s apparently high birth rate when compared with other countries with a similar standard of living the second looks at patterns of nuptiality and contraception and the way marriage patterns are shaping group boundaries the third looks at mortality particularly among men and the fourth looks at social policy effects of the demographic process The main focus is that differential reproduction of the population by national and ethnic group as well as social class through fertility and mortality and the social structuring of the population through marriage patterns are critical elements in the creation and evolution of Israeli society The editors introduction places all these studies in a wider perspective of current demographic research The volume provides a concise population history of the state of Israel to help the reader put the studies in their proper local and historical context *Israel* Barry Rubin,2014-05-14 This comprehensive book provides a well rounded introduction to Israel a definitive account of the nation s past its often controversial present and much more Written by a leading historian of the Middle East Israel is organized around six major themes land and people history society politics economics and culture The only available volume to offer such a complete account this book is written for general readers and students who may have little background knowledge of this nation or its rich culture Based on research by scholars with extensive firsthand knowledge of Israel this book offers accessible clearly explained material enhanced with a generous selection of images maps charts tables graphs and sidebars This book provides readers with a solid foundation of knowledge about Israel and provides useful reference lists by topic for those inspired to read further

Jews in Israel Uzi Rebhun,Chaim Isaac Waxman,2004 Offers a complete sociological perspective of Jews and Jewish life

in Israel from 1948 to the present **Immigration and Nation Building** Andrew Markus, Moshe Semyonov, 2010-01-01

Immigration and Nation Building examines a dilemma shared by Israel and Australia with many other countries they are nations of immigrants but continued immigration introduces fractures and inequalities that could undermine the sense of nationhood Systematic comparisons across many dimensions help the reader to view each country's experience from a new perspective The analyses here provide a solid basis for addressing the underlying policy questions Whose Israel Whose Australia John R Logan Brown University US This book provides a comprehensive perspective on the role of immigration in nation building It does so not only through the demographic change that migration brought about but by revealing how immigration impacted on major spheres of life in both Australia and Israel The central focus on the comparative perspective makes this book distinctive Rather than providing parallel stories of two societies the chapters are structured in a way that specifically fleshes out similarities and differences in major areas of immigration policy and immigrant incorporation It should appeal to students of international migration as well as those interested more directly in understanding Australian and Israeli societies Noah Lewin Epstein Tel Aviv University Israel This is a concise yet comprehensive analysis of the role of immigration in the nation building of Australia and Israel With contributions by leading scholars and a thoughtful examination of recent data and research the book provides an important contribution to the study of immigration in each society while also convincingly demonstrating the benefits of comparative cross national analysis It deserves to be widely read by social scientists and others who are interested in the factors that have shaped Australian and Israeli societies and who also want to understand how immigration continues to be central to their future development Mark Western The University of Queensland Australia This insightful study explores the growth of the two largest post industrial immigrant nations since the Second World War Australia and Israel Almost one in four Australians were born outside the country more than one in three Israelis Immigration and Nation Building brings a comparative approach to the discussion of patterns of immigration legal structures the labour market civil society public opinion and integration of the second generation The result is a thought provoking analysis of the distinctive and universal in the development of two immigrant nations By comparing the experiences of these two countries this ground breaking study of immigration and its impact will appeal to policy analysts and researchers in government and academia as well as students in the areas of sociology politics economics and history **Israel Lobby in the United States Handbook Volume 1 Strategic Information, Organization, Regulations, Contacts** IBP, Inc., 2019-06-02 2011 Updated Reprint Updated Annually Jewish Lobby in the United States Handbook Organization Operations Performance
