The Pornography Of Representation:

The Pornography of Representation Susanne Kappeler, 2013-05-03 This book marks a radical and powerful intervention in traditional arguments about pornography Kappeler re examines the artistic distinctions between fantasy and reality pornography and erotica and challenges the legal definition of obscenity as well as the intellectual defence of freedom of expression By linking images of actual violence with the imaginative portrayal of women in the realm of the aesthetic she establishes vital connections between modes of representation and social forms of power and domination It is essential reading for anyone concerned with issues of pornography and sexual politics and related debates in literary criticism and cultural studies *The Pornography of Representation* Susanne Kappeler, 1986 **Margaret Atwood** Reingard M.

Nischik, 2000 Novelist poet cultural critic Margaret Atwood is one of the most fascinating versatile and productive authors of our time a superb writer in any genre she chooses to tackle This book was prepared on the occasion of Atwood's sixtieth birthday in November 1999 Its first aim is therefore to take stock of Atwood's multifarious works and international impact at the height of her creative powers Secondly the book serves as a wide ranging introduction to the writer and her works Fifteen informative articles written specifically for this volume by Atwood specialists from Canada the USA the UK Germany and France treat her life and status her works up to date survey articles on Atwood's novels short fiction poetry and literary and cultural criticism and important approaches to her works from the standpoints of gender politics mythology ecology popular culture constructivism and Canadian nationalism A final section on creativity transmission and reception includes an interview with Atwood on creativity statements by some of Atwood's important transmitters including publishers editors literary agents and translators and some 15 statements by Atwood's fellow writers in which they explore her importance for them A number of photographs of Atwood several cartoons drawn by her an up to date bibliography of works by and about Atwood and an index round out the volume Reingard M Nischik is Professor of American literature at the University of Konstanz Germany **Dangerous Liaisons** Anne McClintock, Aamir Mufti, Ella Shohat, 1997 The first collection to

emphasize the complex interaction between gender and postcoloniality Most people in the world from Africa to Asia and beyond live in the aftermath of colonialism Their day to day lives are defined by their past history as colonized peoples often in ways that are subtle or hard to define In *Dangerous Liaisons* eminent contributors address the issues raised by the postcolonial condition considering nationhood history gender and identity from an interdisciplinary perspective Among the questions they address are What are the boundaries of race and ethnicity in a diasporic world How have women been so effectively excluded from national power What have been the historical aftermaths of different forms of colonialism What are the cultural and political consequences of colonial partitions of the nation state Representing an essential intervention *Dangerous Liaisons* is a crucial guidebook for those concerned with understanding postcoloniality at the moment when it is becoming more and more widely discussed *Angela Carter and the Fairy Tale* Danielle Marie Roemer, Cristina

Bacchilega, 2001 A diverse collection of essays artwork interviews and fiction on Angela Carter **Feminist Trauma Theologies** Karen O'Donnell, Katie Cross, 2025-01-30 Throughout the study of trauma theology runs a lineage that is deeply feminist As traumatic experience is being more frequently acknowledged in public this book seeks to articulate an explicit understanding of feminist trauma theology for the first time Bringing together scholars from a range of disciplines this book explores the relationship between trauma and feminist theologies highlighting methodological theological and practical similarities between the two The MeToo and ChurchToo movements sexual abuse scandals gender based violence pregnancy loss and the oppression of women in church spaces are all featured as important topics With contributions from a diverse team of scholars this book is an essential resource for all thinkers and practitioners who are trying to navigate the current conversations around theology suffering and feminism **Sexing the Look in Popular Visual Culture** Kathy Justice Gentile, 2020-05-15 With dramatic advances in media technology the practice of sexing or erotically enhancing images has become an increasingly widespread phenomenon The eroticized look as both noun and verb the thing or image that draws our look and the look that we bestow on images that elicit our visual physiological and emotional attention is the focus of the essays in this volume Every day whether we are out in the world or in the workplace or in the privacy of our homes we enter visual fields that heighten and distort reality distortions that often emphasize sexuality and erotic promise The contributors for this collection look at the sexualization of visual culture from a range of disciplinary perspectives including literature film studies history philosophy art history and media studies with gender and sexuality studies providing the encompassing critical framework that binds these essays into a coherent analytical project The essays in this collection offer new theoretical conceptions of perception and representation as well as rigorous reconsiderations of the polarized feminist debates over pornographic images Essays on literature and film range from an interrogation of Baudrillard's theory of seduction that posits femininity as a strategy of illusion and subversion to Bridget Jones's challenge to the prevailing disciplinary regime that prescribes rigid standards for feminine beauty to a reevaluation of the subversive potential of sexy female robots Other contributors consider the history of nudist images in US periodicals the proliferation of eroticized images of girls in new digital technologies gentlemanly masculinity in men's fashion in late Victorian England and a rape prevention campaign's unintentional reinforcement of persistent heterosexist misconceptions about rape *Neither Man Nor Beast* Carol J. Adams, 1995-12-01 In 1990 *The Sexual Politics of Meat* was published In just a few years the book became an underground classic *Neither Man Nor Beast* takes Adams' thought one step further It represents her collected reflections on animal rights vegetarianism and ecofeminism from the often difficult to locate sources in which many originally appeared and includes two important and completely new chapters More than a book of theory *Neither Man Nor Beast* is an enlightened call to action Topics covered include animal experimentation and patriarchal culture abortion rights and animal rights responding to racism in a human centered world ecofeminism and the eating of animals the need to integrate feminism

animal defense and environmentalism the interconnected abuse of women children and animals institutional violence
 feminist ethics and vegetarianism a beastly theology the place of animals in God's universe Women's Studies Stevi
 Jackson,1993-05 A comprehensive selection of over 140 writings on women's studies representing a diverse set of current
 feminist thinkers Women's Studies Essential Readings provides a wide range of readers with an entirely comprehensive
 selection of over 140 readings on women's studies representing the entire diversity of current feminist thinking The book is
 divided into fourteen sections that reflect primary topics within women's studies covering theory and perspectives including
 feminist social theory psychological and psychoanalytic theory cross cultural perspectives and historical perspectives as well
 as themes such as education and work marriage and motherhood sexuality the law crime and deviance politics and the state
 science medicine and reproductive technology language and gender feminist literary criticism and the media tool Features
 Introductions to each section provide an overview of the main issues and debates Commentaries on each extract locate the
 work of individual authors within wider debates and identify the perspective from which they are writing Each section
 contains a guide to further reading Sourcebook on Feminist Jurisprudence Hilaire Barnett,2012-10-02 This book is a
 comprehensive analysis of the relationship between feminist theories and the law and the way in which developments of the
 former have affected and been affected by the latter The book takes as its starting point a study of women and culture on an
 international level which demonstrates how religious and cultural influences have been fundamental in establishing
 contemporary legal and social mores This provides the setting for an investigation into legal and social discrimination and
 inequality and how this has been addressed by the emergence of feminism A number of critiques and developments are
 examined *The Infernal Desires of Angela Carter* Joseph Bristow,Trev Lynn Broughton,2014-10-13 Drawing on many
 aspects of contemporary feminist theory this lively collection of essays assesses Angela Carter's polemical fictions of desire
 Carter renowned for her irreverent wit was one of the most gifted subversive and stylish British writers to emerge in the
 1960s **Theatre in Theory 1900-2000** David Krasner,2007-11-28 Theatre in Theory is the most complete anthology
 documenting 20th century dramatic and performance theory to date offering a rich variety of perspectives from the century's
 most prominent playwrights directors scholars and philosophers Includes major theoretical and critical manifestos
 hypotheses and theories from the field Wide ranging and broadly constructed this text has both interdisciplinary and global
 appeal Includes a thematic index section introductions and supporting commentary Helps students teachers and
 practitioners to think critically about the nature of theatre **Home is where the (he)art is** Sharon Magnarelli,2008
 Sharon Magnarelli's contribution to the critical dialogue on Spanish American literature offers fresh new reading of plays
 that have already attracted significant critical attention as well as insightful analyses of others that have seldom been studied
 A Culture of Rights Benjamin Authers,2016-01-01 In A Culture of Rights Benjamin Authers reads novels by authors
 including Joy Kogawa Margaret Atwood Timothy Findley and Jeanette Armstrong alongside Canadian legal texts and

constitutional rights cases *Key Concepts* Trevor Pateman, 2016-05-05 First published in 1991 The arts can only thrive in a culture where there is conversation about them This is particularly true of the arts in an education context Yet often the discussion is poor because we do not have the necessary concepts for the elaboration of our aesthetic responses or sufficient familiarity with the contending schools of interpretation The aim of *Key Concepts* is to engender a broad and informed conversation about the arts By means of over sixty alphabetically ordered essays the author offers a map of aesthetics critical theory and the arts in education The essays are both informative and argumentative with cross references a supporting bibliography and suggestions for further reading **Fictions of the Feminine in the Nineteenth-Century Spanish**

Press Lou Charnon-Deutsch, 2010-11-01 How was the female body perceived in the popular culture of late nineteenth century Spain Using a wide array of images from popular magazines of the day Lou Charnon Deutsch finds that women were typically presented in ways that were reassuring to the emerging bourgeois culture Charnon Deutsch organizes the 190 images reproduced in this book into six broad categories or fictions of the feminine she reads women's bodies as a romantic symbol of beauty or evil as a privileged link with the natural order as a font of male inspiration as a mouthpiece of bourgeois mores as a focalized point of male fear and desire and as an eroticized expression of Spanish exoticism and political ambitions These imaginary visions of femininity Charnon Deutsch argues were a response to and also helped to create gendered stereotypes by suggesting ideal feminine behavior and poses Further they comprised a reassuring between male cultural medium that provided graphic validation of women's docile body for a culture enthralled with femininity Integrating the fields of literature and cultural studies Charnon Deutsch's approach to this subject is unique Many of the images collected here are available for the first time and they represent only a fraction of the two thousand images Charnon Deutsch collected during her research This book will appeal to students of Spanish cultural studies and gender studies as well as to art historians Men Writing the Feminine Thaïs E. Morgan, 1994-01-01 The introductory essay provides an overview of current issues and methodologies in gender theory while the 11 essays in the book discuss novels and poems from the

seventeenth century to the present by British American and French male writers who speak as through or like the feminine

Le Queer Impérial Julin Everett, 2018-07-17 In *Le Queer Impérial* Julin Everett explores the taboo subject of male homoerotic desire between black Africans and white Europeans in francophone colonial and postcolonial literatures Everett exposes the intersection of power and desire in blanc noir relationships in colonial and postcolonial black Africa and postimperial Europe Reading these literatures for their portrayals of race gender and sexuality Everett begins a conversation about personal and political violence in the face of forbidden desires **Violence and the Female Imagination** Paula Ruth Gilbert, 2006-03-31 In the past twenty years Quebec women writers including Aline Chamberland Claire D Suzanne Jacob and Hélène Rioux have created female characters who are fascinated with bold sexual actions and language cruelty and violence at times culminating in infanticide and serial killing Paula Ruth Gilbert argues that these Quebec feminist writers are re

framing gender Violence and the Female Imagination explores whether these imagined women are striking out at an external other or harming themselves through acts of self destruction and depression Gilbert examines the degree to which women are imitating men in the outward direction of their anger and hostility and suggests that such tough women may be mocking men in their macho exploits of sexuality and violence She illustrates the ways in which Quebec female authors are feminizing violence or re envisioning gender in North American culture Gilbert bridges methodological gaps and integrates history sociology literary theory feminist theory and other disciplinary approaches to provide a framework for the discussion of important ethical and aesthetic questions

Saint Thecla Rosie Andrious, 2020-09-17 This volume questions the prevailing female empowering interpretation of Thecla in the Acts of Paul and Thecla Rosie Andrious examines the way that Thecla is voyeuristically paraded and subjected to a kind of sado erotic torture and demonstrates how this perception clashes with any notion that she is presented as a positive role model for a woman Rather Andrious sets this discourse about female self control and chastity over against the wider narrative of Christian men struggling against the invasive violence of Rome and suggests that the victimized voyeuristic female representation of Thecla has very little to do with women and is rather a complex literary text that represents a power struggle between men The ideological function of Thecla is therefore as a constructed body that transcends its natural feminine weakness Andrious thus provides an original interpretative framework for understanding Thecla's representation and suggests a completely new way of seeing the saint
