**Singapore Mainstream Preschool Teachers and the Inclusion of Children with Special Needs in their Classroom** Kalavathi Sabapathy, 2014 Inclusive education is an area of growing interest worldwide over the past decade among policy makers education officers as well as parents This book tracks the development in the domain of special education in Singapore tracing the provisions made for the inclusion of children with special needs into

mainstream schools While it is observed that there have been actual policies in place to allow this shift in outlook at the primary and secondary level much more can be done at the preschool level Children learn the basics of literacy and numeracy as well as life skills at a very young age Hence it is important to provide the platform to form the foundation of their habits and attitudes at an early stage Research has shown that inclusive education benefits children with special needs as they learn from observation and gain a sense of belonging and self worth through interaction with their typically developing peers Inclusive education also serves to cultivate acceptance and understanding in typically developing children Therefore it is important to ensure that more is done to implement inclusive education at the formative years of children Some of the challenges faced in implementing inclusion at the preschool level have been identified and suggestions have been made to overcome these challenges This book intends to create awareness as well as to push for actual changes in the education policies so that inclusive education will be embraced by all and become a reality on a larger scale *Investigating the Language of Special Education* M. Farrell, 2014-07-12 Utilising a wide range of theoretical traditions from philosophy sociology and anthropology this book aims to raise the reader's awareness of the power as well as the limitations of language in relation to special education Training the Translator Paul Kussmaul, 1995-01-01 This book begins by investigating through the use of think aloud protocols the mental processes of students when they translate The creative and successful processes observed can be used directly for teaching purposes while the unsuccessful ones can serve to find out where remedial training is needed The book then goes on to discuss methods for improving a translator's competence The strategies offered are based on the pragmatic and semantic analysis of texts from a functional point of view and they include such practical matters as the use of dictionaries and the evaluation of translations and error analysis The book is intended for teachers in translator training institutions but it can also be used by students for self training Understanding Special Educational Needs and Disability in the Early Years Janice Wearmouth, Abigail Gosling, Julie Beams, Stephanie Davydaitis, 2017-09-18 This key text provides essential tools for understanding legislation policy provision and practice for children in the early years particularly young children with special educational needs and disability SEND Based on extensive research and the four areas of need as defined in the Special Educational Needs and Disability Code of Practice 0 to 25 Years DfE 2015 the book charts the development of young children and their growing constructions of learning communication language motor movement and emotion Providing material that translates into practice in a straightforward and practical way this text is packed full of personal accounts and case studies enabling readers to appreciate what the experience of SEND in the early years means for families and professionals and also to learn more about how they might understand and respond appropriately to a child's needs Understanding Special Educational Needs and Disability in the Early Years will be of interest to students studying Early Years courses families SENDCOs teachers and other staff supporting young children with a range of special educational needs and disabilities *Special Education International Perspectives* Anthony F.

Rotatori, Jeffrey P. Bakken, Festus E. Obiakor, Sandra Burkhardt, Umesh Sharma, 2014-08-26 This volume provides an international perspective on special education issues There is limited literature examining issues in special education from an international perspective as such this volume will add considerably to the knowledge base across the globe **American**

**Book Publishing Record Cumulative, 1950-1977** R.R. Bowker Company. Department of Bibliography, 1978

Perspectives on Play Avril Brock, Pam Jarvis, Yinka Olusoga, 2018-10-24 This brand new text breaks the mould of books on the subject of play currently on the market It explores debates and further develops the theory of play relating cutting edge theory to examples of practice taken from a broad range of multi disciplinary perspectives Each author brings their own perspective to the subject based on rich and diverse experience examining play based activities from a wide variety of settings the classroom the playground the home and local community Each chapter is illustrated throughout with observation notes case studies interviews and discussions encouraging you not only to critically evaluate current research but to reflect on ways in which you could develop and improve your own practice Perspectives on Play will be an invaluable resource for any student studying within childhood studies playwork programmes or training to teach at early years or primary level The book is also ideal for early years primary and play practitioners
