The Presidency And The Law The Clinton Legacy

David Gray Adler, Michael A. Genovese

The Presidency And The Law The Clinton Legacy:

The Presidency and the Law David Gray Adler, Michael A. Genovese, 2002 Political scandals have always demonstrated the capacity of our executive officials for self inflicted injuries and the Clinton administration was no exception Unilateral warmaking claims of executive privilege and immunity and last minute pardons all tested the limits of presidential power while the excesses of the Special Prosecutor cast doubts on available remedies For eight years Republicans and Democrats engaged in guerrilla warfare aimed at destroying the careers and lives of their adversaries while tests of presidential power were resolved by the courts resulting in a reshaping of the scope and power of the presidency itself This book examines the many controversial and important battles that led to the shrinking of the presidency under the law during the Clinton administration Located at the intersection of law and politics it helps readers understand the dramatic changes that took place in the relationship of presidential power to the law during the Clinton years and shows how one president's actions and congressional and legal reactions to them have altered presidential prerogatives in ways that his successors cannot ignore The Presidency and the Law offers an assessment of changes in constitutional and legal understanding of the American presidency exploring such topics as war power executive privilege pardon power impeachment executive immunity independent counsel and campaign finance In examining these collisions between president and the law its distinguished contributors bring the lessons of Watergate and Iran Contra into the Clinton era and contribute to a Madisonian view that presidents should not operate outside statutory and constitutional constraints While the essays offer several criticisms of that administration's exercise of power and its interpretation of constitutional provisions and law many of the authors have been supportive of Clinton and his policy pursuits and all seek to examine the potential impact of the Clinton administration without being predictive or legalistic They offer instead commentary analysis and criticism that examine the legality and constitutionality of President Clinton's actions within a broader political and historical context The presidency is constitutionally weaker and politically more vulnerable than the office Bill Clinton assumed in 1993 and it remains to be seen what impact these changes will have on the presidency in the 21st century This book points the way to assessing that impact and is essential reading for anyone concerned with the future of our democracy

The Clinton Presidency and the Constitutional System Rosanna Perotti, 2012-05-01 Presidential scholars former and current policymakers and a former president bring varied insights and analyses to consider the impact influence and legacy of the presidency of William Jefferson Clinton the New Democrat from Hope Arkansas In the eight years between 1993 and 2001 the Clinton White House presided over a booming economy that included a budget surplus in Clinton's second term oversaw the most significant welfare reform since the New Deal and wrestled with the challenge of developing a foreign policy vision for the post Cold War era Structurally the Clinton presidency expanded the office and responsibilities of the First Lady and the Vice President to an unprecedented degree prevailed in a budget battle with Congress that included two government shutdowns briefly

employed a line item veto until the Supreme Court declared that power unconstitutional and endured the second impeachment of the chief executive in American history The evolution and consequences of the increased power held by modern presidents became sharply evident during the Clinton years In *The Clinton Presidency and the Constitutional System* based on the Eleventh Presidential Conference at Hofstra University readers are afforded a unique combination of scholarly analysis and the perspectives of former administration officials Students and scholars of the presidency will glean important understandings from the balanced judicious studies of the Clinton administration and their juxtaposition with firsthand recollections of some of the participants who defined and shaped those events *White House Studies Compendium* Robert W. Watson, 2007 brings together piercing analyses of the American presidency dealing with both current issues and historical events The compendium consists of the combined and rearranged issues of the journal *White House Studies* with the addition of a comprehensive subject index Preface

The Modern American Presidency Lewis L. Gould, 2009 *The Modern American Presidency* is a lively interpretive synthesis of 20th century leaders filled with intriguing insights into how the presidency has evolved as America rose to prominence on the world stage Gould traces the decline of the party system and the increasing importance of the media resulting in the rise of the president as celebrity 36 photos

The Presidency and the Challenge of Democracy M. Genovese, L. Han, 2006-09-16 The rise of presidential power poses a significant threat to America's democratic values As the presidency apparently eclipses Congress the courts in power and public media attention the balance of powers has tilted In this accessible book leading scholars explore the reasons for and implications of the rising power of the presidency [The Powers of the Presidency](#), 2013 This is a comprehensive and illustrative work on the historical and contemporary perspective on presidential powers guiding readers through the presidency as a constitutional office with many updated features from the previous edition

The Development of the American Presidency Richard J. Ellis, 2015-06-26 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding beyond the current newspaper headlines *The Development of the American Presidency* pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage this text looks at how the presidency has evolved in relation to the public to Congress to the Executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change All the while Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts Ellis's own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts A companion website not only

acts as a further resources base directing students to primary documents newspapers and data sources but also presents interactive timelines and practice quizzes to help students master the book s lessons The second edition a new chapter on unilateral powers that brings greater attention to domestic policymaking

The Development of the American Presidency Richard Ellis,2022-05-02 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage Richard J Ellis looks at how the presidency has evolved in relation to the public to Congress to the executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change Each chapter promotes active learning beginning with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts New to the Fourth Edition Explicit and expanded attention to the role of norms in shaping and constraining presidential power with special focus on Trump s norm breaking and Biden s efforts to shore up norms Enhanced focus on the prospects for institutional reform including in the electoral college presidential relations with Congress war powers and the selection of Supreme Court justices A full reckoning with the Trump presidency and its significance for the future of American democracy presidential rhetoric the unilateral executive and the administrative state Coverage of the first year of Biden s presidency including presidential rhetoric relations with Congress and the bureaucracy use of the war powers and unilateral directives Comprehensive updating of debates about the removal power including the Supreme Court cases of *Seila Law v CFPB* and *Collins v Yellen* In depth exploration of the impact of partisan polarization on the legislative presidency and effective governance Analysis of the 2020 election and its aftermath Expanded discussion of impeachment to incorporate Trump s two impeachments Examination of presidential emergency powers with special attention to Trump s border wall declaration Review of Biden s and Trump s impact on the judiciary Assessment of Biden s and Trump s place in political time

Historical Dictionary of the Clinton Era Richard S. Conley,2012-03-15 William Jefferson Clinton s legacy remains a matter of significant contention among historians political scientists and pundits even after a decade of time to reflect The Historical Dictionary of the Clinton Era covers both sides of the Clinton presidency through a chronology an introductory essay appendixes and an extensive bibliography from publisher description

The Politics of War Powers Sarah Burns,2019-11-15 The Constitution of the United States divides war powers between the executive and legislative branches to guard against ill advised or unnecessary military action This division of powers compels both branches to hold each other accountable and work in tandem And yet since the Cold War congressional ambition has waned on this front Even when Congress does

provide initial authorization for larger operations they do not provide strict parameters or clear end dates As a result one president after another has initiated and carried out poorly developed and poorly executed military policy The Politics of War Powers offers a measured deeply informed look at how the American constitutional system broke down how it impacts decision making today and how we might find our way out of this unhealthy power division Sarah Burns starts with a nuanced account of the theoretical and historical development of war powers in the United States Where discussions of presidential power often lean on the concept of the Lockean Prerogative Burns locates a more constructive source in Montesquieu Unlike Locke Montesquieu combines universal normative prescriptions with an emphasis on tailoring the structure to the unique needs of a society In doing so the separation of powers can be customized while maintaining the moderation needed to create a healthy institutional balance He demonstrates the importance of forcing the branches into dialogue putting them as he says in a position to resist each other Burns s conclusion after tracing changes through Franklin Delano Roosevelt s administration the Cold War and the War on Terror is that presidents now command a dangerous degree of unilateral power Burns s work ranges across Montesquieu s theory the debate over the creation of the Constitution historical precedent and the current crisis Through her analysis both a fuller picture of the alterations to the constitutional system and ideas on how to address the resulting imbalance of power emerge

The Presidency and the Political System Michael Nelson, 2020-07-17 The Presidency and the Political System showcases the best of presidential studies and research with top notch presidency scholars writing specifically for an undergraduate audience Michael Nelson rigorously edits each contribution to present a set of analytical yet accessible chapters and offers contextual headnotes introducing each essay Chapters represent the full range of topics institutions and issues relevant to understanding the American presidency covering approaches to studying the presidency elements of presidential power presidential selection presidents and politics and presidents and government This Twelfth Edition fully incorporates coverage of the Trump administration

The Clinton Legacy Colin Campbell, Bert A. Rockman, 2000 This collection of essays evaluates Bill Clinton s performance as president over two terms Concerned with the interaction between his leadership and the changing nature of the political environment these experts offer a context for understanding Clinton s ways of governing

The Co-Presidency of Bush and Cheney Shirley Anne Warshaw, 2009-04-14 This analysis of the Bush administration reveals how the president willingly ceded power to a calculating vice president with disastrous consequences Under the relatively inexperienced president George W Bush Dick Cheney was perhaps the most powerful vice president in American history In this excellently documented work presidential scholar Shirley Anne Warshaw debunks the popular myth that Bush s authority was hijacked or stolen Instead drawing on extensive research as well as personal interviews with White House Staffers and Washington insiders she demonstrates how Bush and Cheney operated as nothing less than co presidents While Bush focused on building what he called a moral and civil society anchored by a war on science and by the proliferation of faith based programs he allowed Cheney to lead in

business and foreign policy Warshaw highlights Cheney's decades long career in Washington and his familiarity with its inner workings to present a complete picture of this calculating political powerhouse From Cheney's unprecedented merging of presidential and vice presidential authority to his abhorrence of what he deemed congressional interference Warshaw paints an intriguing and at times frightening portrait *The Age of Impeachment* David E. Kyvig, 2008 A Bancroft Prize winning historian chronicles the modern history of impeachment and the shift in American politics and constitutional culture revealed by its evolving interpretation and use **The Rule of Law in the Wake of Clinton** Cato Institute, 2000 Includes essays by Fred Thompson C. Boyden Gray Theodore B. Olson and David Horowitz **The New Imperial Presidency** Andrew Rudalevige, 2008-12-15 Has the imperial presidency returned Well written and while indispensable for college courses should appeal beyond academic audiences to anyone interested in how well we govern ourselves I cannot help regarding it as a grand sequel for my own *The Imperial Presidency* Arthur Schlesinger Jr Has the imperial presidency returned This question has been on the minds of many contemporary political observers as recent American administrations have aimed to consolidate power In *The New Imperial Presidency* Andrew Rudalevige suggests that the congressional framework meant to advise and constrain presidential conduct since Watergate has slowly eroded Rudalevige describes the evolution of executive power in our separated system of governance He discusses the abuse of power that prompted what he calls the resurgence regime against the imperial presidency and inquires as to how and why over the three decades that followed Watergate presidents have regained their standing Chief executives have always sought to interpret constitutional powers broadly The ambitious president can choose from an array of strategies for pushing against congressional authority finding scant resistance he will attempt to expand executive control Rudalevige's important and timely work reminds us that the freedoms secured by our system of checks and balances do not proceed automatically but depend on the exertions of public servants and the citizens they serve His story confirms the importance of the living Constitution a tradition of historical experiences overlaying the text of the Constitution itself **Looking Back on President Barack Obama's Legacy** Wilbur C. Rich, 2018-12-12 When President Barack Hussein Obama left office January 20, 2017 he left a fascinating legacy The Obama Presidency will remain an intriguing part of our nation's political history and we can now say that there were unexpected achievements and failures His tenure was both historical and complex and will inevitably be compared with his predecessors and successors The chapters in this volume are a serious assessment of President Obama's tenure written by a diverse team that includes political scientists sociologists historians and economists They provide critical insights into the man and his policies and more importantly are written in a manner that makes them available to laypersons journalists students and scholars Guide to the Presidency and the Executive Branch Michael Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U.S. presidency Readers turn *Guide to the Presidency and the Executive Branch* for its wealth of facts

and analytical chapters that explain the structure powers and operations of the office and the president's relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama's healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated

Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president's role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions

The Blessings of Liberty Michael Les Benedict, 2016-09-30 This concise accessible text provides students with a history of American constitutional development in the context of political economic and social change Constitutional historian Michael Benedict stresses the role that the American people have played over time in defining the powers of government and the rights of individuals and minorities He covers important trends and events in U S constitutional history encompassing key Supreme Court and lower court cases The volume begins by discussing the English and colonial origins of American constitutionalism Following an analysis of the American Revolution's meaning to constitutional history the text traces the Constitution's evolution from the Early Republic to the present day This third edition is updated to include the election of 2000 the Tea Party and the rise of popular constitutionalism and the rise of judicial supremacy as seen in cases such as *Citizens United* the Affordable Care Act and gay marriage

Book Reviews on Presidents and the Presidency Frank H. Columbus, 2008 This new book presents 245 in depth and incisive book reviews about presidents and the presidency of the United States This book is a must reference in political science current affairs and sociology

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Presidency

And The Law The Clinton Legacy full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Presidency And The Law The Clinton Legacy eBooks, including some popular titles.

FAQs About The Presidency And The Law The Clinton Legacy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Presidency And The Law The Clinton Legacy is one of the best book in our library for free trial. We provide copy of The Presidency And The Law The Clinton Legacy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Presidency And The Law The Clinton Legacy. Where to download The Presidency And The Law The Clinton Legacy online for free? Are you looking for The Presidency And The Law The Clinton Legacy PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Presidency And The Law The Clinton Legacy. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Presidency And The Law The Clinton Legacy are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Presidency And The Law The Clinton Legacy. So depending on

what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Presidency And The Law The Clinton Legacy To get started finding The Presidency And The Law The Clinton Legacy, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Presidency And The Law The Clinton Legacy So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Presidency And The Law The Clinton Legacy. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Presidency And The Law The Clinton Legacy, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Presidency And The Law The Clinton Legacy is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Presidency And The Law The Clinton Legacy is universally compatible with any devices to read.
