President (2001-2009 : Bush), 2003 Containing the public messages speeches and statements of the President 1956 1992 **Public Papers of the Presidents of the United States: William J. Clinton, 1997** Clinton, William J, 1998-01-01 Public Papers of the Presidents of the United States *Protecting the Presidential Candidates* Mel Ayton, 2021-11-24 Protecting the Presidential Candidates is the first book of its kind to examine how presidents and presidential candidates were protected during the presidential election cycles from JFK to Biden It is also the first book of its kind to tell the story of the role of state troopers and private bodyguards in protecting presidential candidates Protection for candidates changed and evolved from the free wheeling style of the 1950s and early 1960s which afforded presidential candidates little or no protection to the growth of bodyguard personnel

increased intelligence facilities and state of the art technology employed today to keep the candidates safe Presidential candidates relish connecting with the public and it has given greater visibility to the bodyguards who are willing to place themselves between a presidential candidate and a would be attacker In the milieu in which the Secret Service operates bodyguards have witnessed the terrors of election campaigns when presidential candidates have waded into crowds to shake hands with their supporters rode in open top cars and made sudden but risky changes to their schedules oblivious to the fact that in every campaign there have been people stalking candidates with ill intent Many stories revealed in Protecting the Presidential Candidates have remained largely hidden from the public some buried in newspaper archives and others in oral histories presidential libraries or official government documents The author draws on numerous sources including FBI files presidential biographies vice presidential biographies civilian bodyguard memoirs Secret Service agent memoirs White House staff memoirs and more so that these stories can now be told The book also allows readers to gain an insight into the personal as well as professional relationships between the candidate and the bodyguards who protected them Some candidates were so trusting of their bodyguards they embraced them as part of an inner circle of advisers Bodyguards have also witnessed embarrassing moments in a candidate s campaign and how intrusive they have been at the most delicate of moments The president s day is your day one agent said Nobody sees the president the way an agent does **Public**

Africa Reunite or Perish Mhango, Nkwazi Nkuzi,2015-12-01 Africa Reunite or Perish is a daring and timely book that explores the essence and nefariousness of neocolonialism in a purportedly independent Africa The book shows how Africa spends billions of dollars in pseudo threats among African countries due to colonially entrenched fear and war mongering The book is emphatic on deconstruction and decolonisation as a categorical imperative for the reunification of Africa beyond the narrow confines of current nation states Mhango takes a diagnostic cum prognostic approach in discussing Africa s predicaments and in identifying and proposing solutions to problems confronting Africans The book ascertains Africa s untapped potentials by proving how Africa can live without the infamy of excruciating dependency and beggarliness It makes a compelling case for African unity beyond the tokenism of officialdom It prescribes a truly pan African driven reunification of Africa as the only means of reclaiming the glory she used to enjoy before she was savagely partitioned **The**
