The Presidio:

The Presidio Lisa Benton-Short,1998 The story of the Presidio s conversion from military post to national park

Historic Photos of the Presidio Rebecca Schall,2008 This book is a photographic history covering the Presidio from its humble beginnings as a distant outpost of the Spanish Empire on the Pacific Coast into the most important American military post in the western United States **The Public Health Service Hospital at the Presidio of San Francisco** ,2006

The Presidio Max L. Moorhead,1991 The Presidio is the first full account of this important aspect of the Spanish dominion in the New World The author spent many years in the United States Mexico and Spain searching out the sites of the presidios most of which have now crumbled to dust In Spain he discovered detailed plans of many of them which are included in the book San Francisco's Presidio Robert W. Bowen,2006-06 What was once home to the native tribe known as the Ohlone

and functioning as guardian of the San Francisco Bay under Spanish Mexican and American flags the Presidio has served as outpost as well as cultural barometer of the vast changes this country and the state of California have seen For almost a century and a half the U S military transformed these grounds into a logistical centerpiece for every American conflict and created a pioneering airfield for early flight experiments The Presidio served as the headquarters for the Western Defense Command during World War II and until its closure in 1994 The Golden Gate National Recreation Area then embraced a unique opportunity to develop the Presidio into a mixed use area where it once again became an influential icon as development tackled various social cultural and environmental issues to point northern California into a new century while simultaneously tracing this country s past **National parks significant progress made in preserving the Presidio and attaining financial selfsufficiency : report to congressional requesters** , **Presidio** ,1996 **South Access to the Golden Gate Bridge, Doyle Drive Project** ,2008 Department of the Interior and Related Agencies Appropriations for 2005 United States. Congress. House. Committee on Appropriations. Subcommittee on Department of the Interior and Related Agencies,2004 **Transforming Heritage Practice in the 21st Century** John H. Jameson,Sergiu

Musteață,2019-06-14 Recent years have witnessed a rapid increase in the fields of cultural heritage studies and community archaeology worldwide with expanding discussions about the mechanisms and consequences of community participation This trend has brought to the forefront debates about who owns the past who has knowledge and how heritage values can be shared more effectively with communities who then ascribe meaning and value to heritage materials Globalization forces have created a need for contextualizing knowledge to address complex issues and collaboration across and beyond academic disciplines using more integrated methodologies that include the participation of non academics and increased stakeholder involvement Successful programs provide power sharing mechanisms and motivation that effect more active involvement by lay persons in archaeological fieldwork as well as interpretation and information dissemination processes Withthe contents of this volume we envision community archaeology to go beyond descriptions of outreach and public engagement to more

critical and reflexive actions and thinking The volume is presented in the context of the evolution of cultural heritage studies from the 20th century expert approach to the 21st century people centered approach with public participation and community involvement at all phases of the decision making process The volume contains contributions of 28 chapters and 59 authors covering an extensive geographical range including Africa South America Central America Western Europe Eastern Europe North America and Australasia Chapters provide exemplary cases in a growing lexicon of public archaeology where power is shared within frameworks of voluntary activism in a wide diversity of cooperative settings and stakeholder interactions
