The Prevailing South Life Politics In A Changing Culture

Larry J. Griffin, Don Harrison Doyle

The Prevailing South Life Politics In A Changing Culture:

Southern Cultures: The Politics Issue Harry L. Watson, Jocelyn Neal, 2012-09-01 In the Fall 2012 issue of Southern Cultures Guest Editor Ferrel Guillory's special election year Politics issue features Five Big Things You Need to Know About the South for this Election The Past Present and Future of Southern Politics Jack Bass on Citizens United Strom Thurmond the Southern Strategy and Jackie O Control of Public Schools and the Politics of Desegregation The South in the Shadow of Nazism Documenting the Political Immigrant Debate Today Bill Clinton on Bill Clinton and more Southern Cultures is published quarterly spring summer fall winter by the University of North Carolina Press The journal is sponsored by the University of North Carolina at Chapel Hill's Center for the Study of the American South

Freedom's Main Line Derek Charles Catsam, 2009-01-23 A compelling spellbinding examination of a pivotal event in civil rights history a highly readable and dramatic account of a major turning point Journal of African American History Black Americans in the Jim Crow South could not escape the grim reality of racial segregation whether enforced by law or by custom In Freedom's Main Line The Journey of Reconciliation and the Freedom Rides author Derek Charles Catsam shows that courtrooms classrooms and cemeteries were not the only front lines in African Americans prolonged struggle for basic civil rights Buses trains and other modes of public transportation provided the perfect means for civil rights activists to protest the second class citizenship of African Americans bringing the reality of the violence of segregation into the consciousness of America and the world Freedom's Main Line argues that the Freedom Rides a turning point in the Civil Rights Movement were a logical natural evolution of such earlier efforts as the Journey of Reconciliation relying on the principles of nonviolence so common in the larger movement The impact of the Freedom Rides however was unprecedented fixing the issue of civil rights in the national consciousness Later activists were often dubbed Freedom Riders even if they never set foot on a bus With challenges to segregated transportation as his point of departure Catsam chronicles black Americans long journey toward increased civil rights Freedom's Main Line tells the story of bold incursions into the heart of institutional discrimination journeys undertaken by heroic individuals who forced racial injustice into the national and international spotlight and helped pave the way for the landmark Civil Rights Act of 1964

The South in Red and Purple: Southernized Republicans, Diverse Democrats J. Ferrel Guillory, 2012-09-01 Politically the South is not an assembly of states acting in unison in the grip of one party The region is not one South undivided This article appears in the Fall 2012 issue of Southern Cultures The full issue is also available as an ebook Southern Cultures is published quarterly spring summer fall winter by the University of North Carolina Press The journal is sponsored by the University of North Carolina at Chapel Hill's Center for the Study of the American South

The South as an American Problem Larry J. Griffin, Don Harrison Doyle, 1995 In this volume twelve authors take a challenging new look at the South Departing from the issue that has lately preoccupied observers of the South the region's waning cultural distinctiveness the contributors instead look at the dynamics of the region's long troubled

relationship with the rest of the nation What they discover allows us all to view the current state and future course of the South as well as its link to the broader culture and polity in a new light To envision the concept of the Problem South and what it means to those within and without the region six historians have joined together with a sociologist an economist two literary scholars a legal scholar and a journalist Their essays which range in subject from the South s climate to its religious fundamentalism to its great outpouring of fiction and autobiography are the products of strong and independent minds that cut across disciplines disagree among themselves blend contemporary and historical insights and confront conventional wisdom and expedient generalities Although consensus among the contributors was never the goal of this collection some common themes do suggest themselves Above all there is not only a South defined by its geography history and society but also a mythic and metaphoric South one continually refashioned by national regional discourse trends and events In addition the South has long been a mirror in which America has viewed itself The nation has sought time and again to change the region but it has also used the South to expose and modify darker impulses of American culture [Inventing the Fiesta City](#) Laura Hernández-Ehrisman,2016-04 The story of how the multicultural identity of San Antonio Texas has been shaped and polished through its annual fiesta since the late nineteenth century [The White House Looks South](#) William E. Leuchtenburg,2005-10-01 Perhaps not southerners in the usual sense Franklin D Roosevelt Harry S Truman and Lyndon B Johnson each demonstrated a political style and philosophy that helped them influence the South and unite the country in ways that few other presidents have Combining vivid biography and political insight William E Leuchtenburg offers an engaging account of relations between these three presidents and the South while also tracing how the region came to embrace a national perspective without losing its distinctive sense of place According to Leuchtenburg each man had one foot below the Mason Dixon Line one foot above Roosevelt a New Yorker spent much of the last twenty five years of his life in Warm Springs Georgia where he built a Little White House Truman a Missourian grew up in a pro Confederate town but one that also looked West because of its history as the entrep t for the Oregon Trail Johnson who hailed from the former Confederate state of Texas was a westerner as much as a southerner Their intimate associations with the South gave these three presidents an empathy toward and acceptance in the region In urging southerners to jettison outworn folkways Roosevelt could speak as a neighbor and adopted son Truman as a borderstater who had been taught to revere the Lost Cause and Johnson as a native who had been scorned by Yankees Leuchtenburg explores in fascinating detail how their unique attachment to place helped them to adopt shifting identities which proved useful in healing rifts between North and South in altering behavior in regard to race and in fostering southern economic growth The White House Looks South is the monumental work of a master historian At a time when race class and gender dominate historical writing Leuchtenburg argues that place is no less significant In a period when America is said to be homogenized he shows that sectional distinctions persist And in an era when political history is devalued he demonstrates that government can profoundly affect

people's lives and that presidents can be change makers

The South and America Since World War II James Charles Cobb, 2011 In this sweeping narrative Cobb covers such diverse topics as Dixiecrats the southern strategy the South's domination of today's GOP immigration the national ascendance of southern culture and music and the roles of women and an increasingly visible gay population in contemporary southern life Beginning with the early stages of the civil rights struggle Cobb discusses how the attack on Pearl Harbor set the stage for the demise of Jim Crow He examines the NAACP's postwar assault on the South's racial system the famous bus boycott in Montgomery the emergence of Rev Martin Luther King in the movement and the dramatic protests and confrontations that finally brought profound racial changes and two party politics to the South

Away Down South James C. Cobb, 2005-10-01 From the seventeenth century Cavaliers and Uncle Tom's Cabin to Civil Rights museums and today's conflicts over the Confederate flag this book offers a brilliant portrait of southern identity served in an engaging blend of history literature and popular culture In this insightful book written with dry wit and sharp insight James C Cobb explains how the South first came to be seen and then came to see itself as a region apart from the rest of America This is a major work by one of America's finest Southern historians a magisterial synthesis that combines rich scholarship with provocative new insights into what the South means to southerners and to America as well

The Prevailing South Dudley Clendinen, 1988 A collection of essays on the unique characteristics of the South and its politics

The Unsolid South Devin Caughey, 2018-09-25 During the Jim Crow era the Democratic Party dominated the American South presiding over a racially segregated society while also playing an outsized role in national politics In this compelling book Devin Caughey provides an entirely new understanding of electoral competition and national representation in this exclusionary one party enclave Challenging the notion that the Democratic Party's political monopoly inhibited competition and served only the Southern elite he demonstrates how Democratic primaries even as they excluded African Americans provided forums for ordinary whites to press their interests Focusing on politics during and after the New Deal Caughey shows that congressional primary elections effectively substituted for partisan competition in part because the spillover from national party conflict helped compensate for the informational deficits of elections without party labels Caughey draws on a broad range of historical and quantitative evidence including archival materials primary election returns congressional voting records and hundreds of early public opinion polls that illuminate ideological patterns in the Southern public Defying the received wisdom this evidence reveals that members of Congress from the one party South were no less responsive to their electorates than members from states with true partisan competition Reinterpreting a critical period in American history The Unsolid South reshapes our understanding of the role of parties in democratic theory and sheds critical new light on electoral politics in authoritarian regimes

The Postsouthern Sense of Place in Contemporary Fiction Martyn Bone, 2014-01-13 For generations southern novelists and critics have grappled with a concept that is widely seen as a trademark of their literature a strong attachment to geography or a sense of place In the 1930s the Agrarians accorded

special meaning to rural life particularly the farm in their definitions of southern identity For them the South seemed an organic and rooted region in contrast to the North where real estate development and urban sprawl evoked a faceless raw capitalism By the end of the twentieth century however economic and social forces had converged to create a modernized South How have writers responded to this phenomenon Is there still a sense of place in the South or perhaps a distinctly postsouthern sense of place Martyn Bone innovatively draws upon postmodern thinking to consider the various perspectives that southern writers have brought to the concept of place and to look at its fate in a national and global context He begins with a revisionist assessment of the Agrarians who failed in their attempts to turn their proprietary ideal of the small farm into actual policy but whose broader rural aesthetic lived on in the work of neo Agrarian writers including William Faulkner and Eudora Welty By the 1950s adherence to this aesthetic was causing southern writers and critics to lose sight of the social reality of a changing South Bone turns to more recent works that do respond to the impact of capitalist spatial development on the South and on the nation generally including that self declared international city Atlanta Close readings of novels by Robert Penn Warren Walker Percy Richard Ford Anne Rivers Siddons Tom Wolfe and Toni Cade Bambara illuminate evolving ideas about capital land labor and class while introducing southern literary studies into wider debates around social cultural and literary geography Bone concludes his remarkably rich book by considering works of Harry Crews and Barbara Kingsolver that suggest the southern sense of place may be not only post Agrarian or postsouthern but also transnational

Roosevelt's Purge Susan Dunn, 2012-05-07 In his first term in office Franklin Roosevelt helped pull the nation out of the Great Depression with his landmark programs In November 1936 every state except Maine and Vermont voted enthusiastically for his reelection But then the political winds shifted Not only did the Supreme Court block some of his transformational experiments but he also faced serious opposition within his own party Conservative Democrats such as Senators Walter George of Georgia and Millard Tydings of Maryland allied themselves with Republicans to vote down New Deal bills Susan Dunn tells the dramatic story of FDR's unprecedented battle to drive his foes out of his party by intervening in Democratic primaries and backing liberal challengers to conservative incumbents Reporters branded his tactic a purge and the inflammatory label stuck Roosevelt spent the summer months of 1938 campaigning across the country defending his progressive policies and lashing out at conservatives Despite his efforts the Democrats took a beating in the midterm elections The purge stemmed not only from FDR's commitment to the New Deal but also from his conviction that the nation needed two responsible political parties one liberal the other conservative Although the purge failed at great political cost to the president it heralded the realignment of political parties that would take place in the 1960s 1970s and 1980s By the end of the century the irreconcilable tensions within the Democratic Party had exploded and the once solidly Democratic South was solid no more It had taken sixty years to resolve the tangled problems to which FDR devoted one frantic memorable summer

How Celtic Culture Invented Southern Literature Cantrell, James P., **The Future South** Joe P. Dunn, Howard

Lawrence Preston,1991 **Breaking Boundaries** Sherrie A. Inness,Diana Royer,1997 **Twentieth-Century Southern Literature** J. A. Bryant Jr.,2014-07-11 Authors discussed include Wendell Berry Erskine Caldwell Truman Capote Ralph Ellison William Faulkner Shelby Foote Zora Neal Hurston Bobbie Ann Mason Cormac McCarthy Flannery O Connor William Styron Anne Tyler Alice Walker Robert Penn Warren Eudora Welty Tennessee Williams Thomas Wolfe Richard Wright and many more By World War II the Southern Renaissance had established itself as one of the most significant literary events of the century and today much of the best American fiction is southern fiction Though the flowering of realistic and local color writing during the first two decades of the century was a sign of things to come the period between the two world wars was the crucial one for the South s literary development a literary revival in Richmond came to fruition at Vanderbilt University a group of young men produced *The Fugitive* a remarkable controversial magazine that published some of the century s best verse in its brief run and the publication and widespread recognition of Faulkner among others inaugurated the great flood of southern writing that was to follow in novels short stories poetry and plays With more than forty years of experience writing and reading about the subject and friendships with many of the figures discussed J A Bryant is uniquely qualified to provide the first comprehensive account of southern American literature since 1900 Bryant pays attention to both the cultural and the historical context of the works and authors discussed and presents the information in an enjoyable accessible style No lover of great American literature can afford to be without this book **Contemporary Southern Men Fiction Writers** Rosemary M. Canfield Reisman,Suzanne Booker-Canfield,1998 This carefully annotated bibliography lists sources of criticism for thirty nine Southern male authors each of whom has published at least one significant book of fiction between 1970 and 1994 **Magnolias without Moonlight** Sheldon Hackney,2017-07-28 The eleven ex Confederate states continue to be thoroughly American and at the same time an exception to the national mainstream The region s dual personality how it came into being and the purposes and interests it served is examined here as well as its central role in the politics and culture wars flowing from the transformative Civil Rights Movement and the other social justice movements of the 1950s and 1960s The essays on this theme include a penetrating explication of C Vann Woodward s masterpiece *Origins of the New South 1877 1913* which is explicitly informed by the scholarship of the fifty years since the book s original publication Hackney explores the political transformation of the South and the identity politics that continue to structure national political competition The bi racial nature of Southern society lies at the heart of Southern identity in all of its varieties Understanding that identity is a purpose that underlies all of the chapters Hackney uses quantitative analysis of homicide data to establish beyond doubt for the first time that the South has long been more violent and that there is a cultural component of that violence that exists beyond the usual social predictors of higher homicide rates in the United States He muses over the failure of the usual social predictors of votes for the Democratic Party to predict the party s performance in the region Timely elegantly written and wide in intellectual scope *Magnolias without Moonlight* will be of interest to a broad

readership of historians cultural studies specialists political scientists and sociologists Flannery O'Connor Sura Prasad Rath, Mary Neff Shaw, 1996-01-01 These ten essays seven of which are previously unpublished reflect the broadening of critical approaches to Flannery O'Connor's work over the past decade The essays offer both new directions for and new insights into reading O'Connor's fiction Some essays probe issues that until recently had been ignored Others reshape long standing debates in light of new critical insights from gender studies rhetorical theory dialogism and psychoanalysis Topics discussed include O'Connor's early stories her canonical status the phenomenon of doubling the feminist undertones of her stories grotesqueries and her self denial in life and art Commentary on O'Connor has most often centered on her regional realism and the poetics of her Catholicism By regarding O'Connor as a major American writer and focusing on the variety of critical approaches that might be taken to her work these essays dispel the earlier geographic and religious stereotypes and point out new avenues of study Rough South, Rural South Jean W. Cash, Keith Perry, 2016-02-12 Essays in Rough South Rural South describe and discuss the work of southern writers who began their careers in the late twentieth and early twenty first centuries They fall into two categories Some born into the working class strove to become writers and learned without benefit of higher education such writers as Larry Brown and William Gay Others came from lower or middle class backgrounds and became writers through practice and education Dorothy Allison Tom Franklin Tim Gautreaux Clyde Edgerton Kaye Gibbons Silas House Jill McCorkle Chris Offutt Ron Rash Lee Smith Brad Watson Daniel Woodrell and Steve Yarbrough Their twenty first century colleagues are Wiley Cash Peter Farris Skip Horack Michael Farris Smith Barb Johnson and Jesmyn Ward In his seminal article Erik Bledsoe distinguishes Rough South writers from such writers as William Faulkner and Erskine Caldwell Younger writers who followed Harry Crews were born into and write about the Rough South These writers undercut stereotypes forcing readers to see the working poor differently The next pieces begin with those on Crews and Cormac McCarthy major influences on an entire generation Later essays address members of both groups the self educated and the college educated Both groups share a clear understanding of the value of working class southerners Nearly all of the writers hold a reverence for the South's landscape and its inhabitants as well as an affinity for realistic depictions of setting and characters

The Prevailing South Life Politics In A Changing Culture Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Prevailing South Life Politics In A Changing Culture PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Prevailing South Life Politics In A Changing Culture PDF books

and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Prevailing South Life Politics In A Changing Culture free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Prevailing South Life Politics In A Changing Culture Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Prevailing South Life Politics In A Changing Culture is one of the best book in our library for free trial. We provide copy of The Prevailing South Life Politics In A Changing Culture in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Prevailing South Life Politics In A Changing Culture. Where to download The Prevailing South Life Politics In A Changing Culture online for free? Are you looking for The Prevailing South Life Politics In A Changing Culture PDF? This is definitely going to save you time and cash in something you should think about.
