

An illustration of a woman with voluminous, wavy red hair, shown in profile from the chest up. She is wearing a bright red dress adorned with a pattern of small, dark, heart-shaped or circular motifs. Her eyes are closed, and her mouth is slightly open in a serene or perhaps pained expression. Her right arm is raised, with her hand near her face. The background is a vibrant, abstract wash of yellow and orange, suggesting a fire or a sunset. The overall style is painterly and expressive.

Simply God Rick Richards,2011-10-10 When pastors and evangelists preach they try to convince you to change your lifestyle now This is not their fault They know that they have to do this They have to get you close to God because time could be short That is not equipping and preparing Equipping and preparing means giving you the tools of the trade That is living Gods Word and how to plan to do this The Word teaches that pastors are to equip the servants All that time convincing and not equipping is destroying Gods world Jesus equipped and encouraged Gods children and changed the world What is our excuse We need to divert all our mental and physical abilities to become like Jesus and begin to feel these changes in our bodies We have to stop becoming people of behaviors Over many generations we have reacted to what we have seen and heard and to the pleasures the world has given us We dont look and listen to God anymore because he doesnt give us what we want when we want it When the world sees this it gives us what we want and we take it We are not patient enough God gives us what we need As long as the world dangles that carrot in front of our faces we will continue to pull that heavy burdensome load of sin and pain It is only by seeing and hearing what God does in this world to bless his children that will

show us how his grace and greatness will tower above our fears
