Inspired by a vacation to the Austrian Alps Elinor M Brent Dyer wrote The School at the Chalet the first book in the seires little realizing it would launch a series that would span more than 60 books and delight millions of readers around the world The series follows the adventures of a boarding school set in the picturesque Swiss Alps The series begins with The School at the Chalet 1925 where readers are introduced to Miss Madge Bettany a young woman who decides to start a school for girls in the Swiss mountains The series then chronicles the growth and evolution of the school as well as the trials and triumphs of its students The Princess of the Chalet School is the third book in the series *The Princess of the Chalet School* Elinor M. Brent-Dyer,1994 *The Chalet School Books and the Twentieth Century* Miles Booy,2025-06-17 The first full length study of this beloved children s series The Chalet School in the Twentieth Century moves beyond the largely generic analysis within which it has previously been discussed Published between 1925 and 1970 the series moves from European reconciliation after the Great War through a second global conflict to a post war world increasingly defined by increased secularity and emerging consumerism Reproducing cover illustrations Miles Booy s book examines both those issues which author Elinor M Brent Dyer consciously explored such as the exceptional The Chalet School in Exile which she sought to explain the Nazi occupation of Austria to her young readers and those aspects of the text which must be read symptomatically This is a book which will engage students with historical and cultural interests beyond children s literature With barely a midnight feast in sight but much anxiety about social change it s a familiar genre but not as you think you know it Hurry up new girls class is about to begin *The Feud in the Chalet School* Elinor M. British and American School Stories, 1910-1960 Nancy G. Rosoff, Stephanie Spencer, 2019-02-25. This book examines school and college fiction for girls in Britain and the United States written in the first half of the twentieth century to explore the formation and ideologies of feminine identity. Nancy G. Rosoff and Stephanie Spencer develop a transnational framework that recognises how both constructed and essential femininities transcend national boundaries. The book discusses the significance and performance of female friendship across time and place which is central to the development of the genre and how it functioned as an important means of informal education. Stories by Jessie Graham Flower, Pauline Lester, Alice Ross, Colver, Elinor Brent Dyer and Dorita Fairlie Bruce are set within their historical context and then used to explore aspects of sociability, authority, responsibility, domesticity and possibility. The distinctiveness of this book stems from the historical analysis of these sources which have so far primarily been treated by literary scholars within their national context. Winner of the History of Education Society Anne Bloomfield Prize for the best book on history of education published in English 2017/19.

You Girls Stay Here Elizabeth Poynter, 2018-12-14. This book will be of interest to students of both children's literature and gender studies. It re-examines a period long considered to be of poor quality as regards children's books. It explores a range of themes such as female agency, power and courage and additionally gives a linguistic analysis of selected texts. The book adopts a socio-cultural approach, placing the authors in their historical context. By focusing on a small number of authors in depth it discovers subtleties perhaps ignored by a broad brush approach. While reflecting their era in some respects, these writers also demonstrated individuality in their representation of gender, offering a wider range of models to their readers than previous critics have acknowledged.

Bride Leads the Chalet School Elinor M. Brent-Dyer, 2023-11-16. *Bride Leads the Chalet School* follows the adventures of a group of schoolgirls at an English boarding school. When the school gains an influx of new students who are used to more relaxed rules, tensions arise between the prefects trying to maintain order and the rebellious newcomers. Smart and mischievous Mary Lou finds herself at the center of several antics while studious Bride struggles to establish her authority as the new Head Girl. After multiple clashes with rude new girl Diana, the prefects turn to a former Head Girl for advice on how to handle Diana's refusal to follow the rules. This classic school story featuring likeable heroines and plenty of misadventures will appeal to readers young and old who enjoy tales of boarding school life.
