The Prisoner The Original Scripts:

The Prisoner Robert Fairclough, 2006-02 Regarded by many as the finest television drama ever produced *The Prisoner* has intrigued viewers since it was originally aired in the late 1960s Only 17 episodes were ever made each of them riddled with symbolism and unanswerable questions In this second book in his two volume series *Prisoner* expert Robert Fairclough has collected and annotated the original shooting scripts for the series which include a number of variations on the episodes as broadcast *The Prisoner The Original Scripts Volume 2* which also includes the script for the unproduced episode Don't Get Yourself Killed will bring a new dimension to the understanding and appreciation of this enigmatic television series

Escape Into the Future John Stroup, Glenn W. Shuck, 2007 *Escape into the Future* analyzes the power of pessimism showing links between present day religious pessimism and the nihilism of popular culture Stroup and Shuck rummage through an interesting and eclectic body of pop culture from *Fight Club* to *X-Files* to the *Left Behind* series pointing out the presence of pessimistic themes throughout This volume identifies and illuminates the religious language used in these works to articulate America's need to escape from its present cultural path and ultimately provide hope that it might do so *This Charming Man* Robert Fairclough, 2011-09-22 The first life of the man who was Lord Peter Wimsey Bertie Wooster and starred in *I'm Alright Jack* With the death of Ian Carmichael in 2010 one of the last links was lost with the golden age of British cinema Carmichael starred alongside Terry Thomas and Peter Sellers in the Boulting brothers classic satirical comedies *I'm Alright Jack* *Private's Progress* and *School for Scoundrels* He summed up on screen and in life the kind of Englishman who was beginning to emerge after the war educated not necessarily upper class upwardly mobile and a study in good manners and a sense of fair play and thus played the straight man foil to the distracted ravings of his wilder co-stars Subsequently he became Bertie Wooster in a highly successful television series based on P G Wodehouse's Jeeves stories He also made the part of Lord Peter Wimsey his own in another long running adaptation of Dorothy L Sayers famous detective novels and was still acting on television well into his eighties alongside Susan Hampshire in ITV's drama series *The Royal*

Film Study Frank Manchel,1990 The four volumes of Film Study include a fresh approach to each of the basic categories in the original edition Volume one examines the film as film volume two focuses on the thematic approach to film volume three draws on the history of film and volume four contains extensive appendices listing film distributors sources and historical information as well as an index of authors titles and film personalities Avengerworld - The Avengers in Our Lives Alan Hayes,2016-02-21 The Avengers was a revolutionary series that always playfully twisted perceptions pushed the boundaries of its genre and defied those who wished to pigeonhole it The team behind The Avengers never forgot its primary objective was to entertain And entertain it certainly did inspiring successive generations to welcome The Avengers into their hearts Right from its foreword by pioneering television historian Dave Rogers to its afterword by Jason Whiton of SpyVibe Avengerworld celebrates the series its international fandom and its fans Over the course of more than forty essays Avengers fans the world over relate how they first encountered the series how they grew up with it at their sides made friends engaged with fandom and were inspired to do extraordinary things Proceeds from this book will be donated to Champion Chanzige a charity organisation that exists to improve conditions for underprivileged children at a primary school in Southern Tanzania and helps them to do extraordinary things too **Manuscripts** ,1954 *Hollywood and the Nazis on the Eve of War* Alexis Pogorelskin,2024-07-25 This book establishes the profound significance of MGM s 1940 film The Mortal Storm the first major Hollywood production to depict the plight of Jews in Germany before the Holocaust Based on Phyllis Bottome s best seller also titled The Mortal Storm the film was made amidst the bitter debate that occurred between 1938 and 1941 over whether the United States should involve itself in another European war or remain an isolationist country as Charles Lindbergh among others urged In 1941 the film triggered the first hostile Congressional investigation of Hollywood where the studios were accused of allegedly propagandizing for war Lindbergh had secretly urged the Hollywood hearings inspired by his own growing antisemitism as his unpublished diary reveals Hollywood studios in turn regarded the growing European crisis with ambivalence They feared being accused in a film like The Mortal Storm of using the movies to represent the fate of Europe s imperiled Jews Louis B Mayer the head of MGM insisted the word Jew be removed from the film and non Aryan be used instead hoping to confuse American audiences about the film s real intent Jimmy Stewart who starred in the film took it on the road to urge American aid to Britain while Lindbergh prepared his own campaign to denounce American Jews for luring the country into war The book reveals how closely Hollywood and politics were entwined on the eve of war It also reveals how closely the plight of Europe s Jews and American antisemitism were entwined at the same time **Catalogue of**

Reconstruction Hye Seung Chung,2024-11-15 Cinema under National Reconstruction calls for a revisionist understanding of state film censorship during successive Cold War military regimes in South Korea 1961 1988 Drawing upon primary documents from the Korean Film Archive s digitized database and framing South Korean film censorship from a transnational perspective Hye Seung Chung makes the case that while political oppression repression existed inside and outside the film industry during this period film censorship was not simply a tool for authoritarian dictatorship Through such case studies as Yu Hyun mok s *The Stray Bullet* 1961 Ha Kil jong s *The March of the Fools* 1975 and Yi Chang ho s *Declaration of Fools* 1983 the author defines censorship as a dialogical process of cultural negotiations wherein the state the film industry and the public fight out a battle over the definitions and functions of national cinema In the context of Cold War Korea one cannot fully understand or construct film history without reassessing censorship as a productive feedback system where both state regulators and filmmakers played active roles in shaping the new narrative or sentiment of the nation on the big screen

Powell and Pressburger's War Greg M. Colón Semenza,Garrett A. Sullivan Jr.,2023-09-07 A focused study on Michael Powell and Emeric Pressburger s cinematic contributions to the war effort arguing for the centrality of propaganda to their work as film artists Michael Powell and Emeric Pressburger are widely hailed as two of the greatest filmmakers in British cinema history The release of their first movie *The Spy in Black* barely preceded the beginning of World War Two and a number of their early masterworks including *The Life and Death of Colonel Blimp* *A Canterbury Tale* and *A Matter of Life and Death* were produced in the service of the war effort Through exploring the relationship between art and propaganda this book shows that Powell and Pressburger saw no contradiction between their aesthetic ambitions and their cinematic war work propaganda imperatives were highly conducive to their objectives as both commercial cinema practitioners and artists Drawing on production materials from the archives of the British Film Institute this book charts three phases in Powell and Pressburger s wartime career from first time collaborators who strive to reconcile popular cinematic forms with developing notions of what constitutes effective propaganda to accomplished and sometimes controversial propagandists whose movies center upon Britain s relations with its enemies and allies to filmmakers whose responsiveness to the propaganda requirements of the late war is matched by a focus shared by the Ministry of Information on what the post war future would bring **Outlook** Alfred Emanuel Smith,Francis Walton,1888 *The Christian Union* Henry Ward Beecher,1888
