The Biblical Prophets for Today Keith Malcolm Hunt,2011-02-10 Nearly ONE THIRD of the Bible concerns Prophecy And MOST of that prophecy is for the last 42 months of this age The book of Revelation is for the Lord s day not a day of the week but for the prophetic time in the prophets of the Old Testament known as the day of the Lord All nations on earth are families grown large and many of them moved migrated and settled in the lands where we find them today Much recorded history down through the ages shows who the modern nations of the world are where they came from and who they were in the days of the Old Testament prophets Much prophecy has a two fold fulfillment i e Jeremiah 30 1 9 Isaiah 11 The latter fulfillment is for the very end times the last 42 months of this age Luke 21 22 For these be the days of vengeance that all things that are written may be fulfilled With these basic keys we can understand the Bible prophets as they speak to us for our day and beyond into the last 42 months of this age leading up to the glorious powerful mighty return of Christ Jesus to this earth and the establishing of the Kingdom of God on earth Nearly ONE THIRD of the Bible concerns Prophecy And MOST of that prophecy is for the last 42 months of this age The book of Revelation is for the Lords day not a day of the week but for the prophetic time in the prophets of the Old Testament known

as the day of the Lord All nations on earth are families grown large and many of them moved migrated and settled in the lands where we find them today Much recorded history down through the ages shows who the modern nations of the world are where they came from and who they were in the days of the Old Testament prophets Much prophecy has a two fold fulfillment i e Jeremiah 30 1 9 Isaiah 11      **Unpolarised in 2020** Ram Iyer,2020-12-31 Life goes on despite the year being horrible in its literal sense The year began in flames given the Delhi riots The anti CAA protests were on The pandemic hit the world in more ways than we could think Three great actors passed away And media seemed to be at its worst The farmers continued their protests as the year ended Even though this was not an election year it seemed no less charged than one In this book we talk about the sentiment that we Indians had about products from and business with China We look into the COVID situation in the country talk about the credibility of organisations such as the WHO and the way our government handled ventilator supply We also take a look at all the noise that the mainstream TV media made about the issues at hand rethinking their role in our society We also look into the farmer protests starting with the three farm laws We take a non partisan approach to understanding the issue as we await a conclusion to it As a bonus we also talk about privacy in the online world
