## **The Popular Religion And Folklore Of Northern Ind:**

*An Introduction to the Popular Religion and Folklore of Northern India* William Crooke, 1894      **In Quest of Indian Folktales** Sadhana Naithani, 2006-05-21 A rare piece of scholarly detective work Margaret Mills Ohio State University In *Quest of Indian Folktales* publishes for the first time a collection of northern Indian folktales from the late 19th century. Reputedly the work of William Crooke a well known folklorist and British colonial official the tales were actually collected, selected and translated by a certain Pandit Ram Gharib Chaube. In 1996 Sadhana Naithani discovered this unpublished collection in the archive of the Folklore Society London. Since then she has uncovered the identity of the mysterious Chaube and the details of his collaboration with the famous folklorist. In an extensive four chapter introduction Naithani describes Chaube's relationship to Crooke and the essential role he played in Crooke's work as both a native informant and a trained scholar. By unearthing the fragmented story of Chaube's life Naithani gives voice to a new identity of an Indian folklore scholar in colonial India. The publication of these tales and the discovery of Chaube's role in their collection reveal the complexity of the colonial intellectual world and problematize our own views of folklore in a postcolonial world.      **An introduction to the popular religion and folklore of northern India** William Crooke, 2015-06-12 An introduction to the popular religion and folklore of northern India.      **The Tiwa Ethnohistory** Raktim Patar, 2021-02-14 This book aims at presenting as far as possible a comprehensive understanding of the ethnohistory of the Tiwa people. It addresses the issue of origin, migration, traditional belief system, the evolution of the social institutions of the Tiwa. It also covers the continuity and changes that had occurred among this tribe in recent years. The information about this tribe available in the Assamese chronicles, colonial records and other literature of the pre-independence period are devoid of its origin, migration, settlement pattern or social organization. Similarly, published works of the post-Independence period do not provide a clear understanding of this tribe. Available published works are descriptive accounts of the socio-economic and cultural features of the Tiwa as they appear in recent times. There is no mention of their early history or the circumstances leading to the bifurcation of the Tiwa into two groups, Hill and Plain, with distinct patterns of social organization and belief system. Furthermore, there is neither enough information on the socio-political institutions of the Tiwa nor an adequate understanding of the same. It is against such a backdrop that systematic documentation, description and reconstruction of the history of the Tiwa is necessary and which the present work seeks to address.      *The Witch* Ronald Hutton, 2017-08-01 This magisterial account explores the fear of witchcraft across the globe from the ancient world to the notorious witch trials of early modern Europe. The Guardian UK The witch came to prominence and often a painful death in early modern Europe yet her origins are much more geographically diverse and historically deep. In *The Witch* historian Ronald Hutton sets the European witch trials in the widest and deepest possible perspective and traces the major historiographical developments of witchcraft. Hutton, a renowned expert on ancient, medieval and modern paganism and witchcraft beliefs, combines Anglo-

American and continental scholarly approaches to examine attitudes on witchcraft and the treatment of suspected witches across the world including in Africa the Middle East South Asia Australia and the Americas and from ancient pagan times to current interpretations His fresh anthropological and ethnographical approach focuses on cultural inheritance and change while considering shamanism folk religion the range of witch trials and how the fear of witchcraft might be eradicated A panoptic penetrating book Malcolm Gaskill London Review of Books *Catalog of Folklore, Folklife, and Folk Songs* Cleveland Public Library. John G. White Department, 1978 *Catalog of Folklore and Folk Songs* Cleveland Public Library. John G. White Department, 1964 **Peasants and Monks in British India** William R. Pinch, 1996-06-18 In this compelling social history William R Pinch tackles one of the most important but most neglected fields of the colonial history of India the relation between monasticism and caste The highly original inquiry yields rich insights into the central structure and dynamics of Hindu society insights that are not only of scholarly but also of great political significance Perhaps no two images are more associated with rural India than the peasant who labors in an oppressive inflexible social structure and the ascetic monk who denounces worldly concerns Pinch argues that contrary to these stereotypes North India's monks and peasants have not been passive observers of history they have often been engaged with questions of identity status and hierarchy particularly during the British period Pinch's work is especially concerned with the ways each group manipulated the rhetoric of religious devotion and caste to further its own agenda for social reform Although their aims may have been quite different Ramanandi monastics worked for social equity while peasants agitated for higher social status the strategies employed by these two communities shaped the popular political culture of Gangetic north India during and after the struggle for independence from the British *Catalogue* Peabody Museum of Archaeology and Ethnology. Library, 1963

**Gender and Genre in the Folklore of Middle India** Joyce Burkhalter Flueckiger, 2018-03-15 No detailed description available for Gender and Genre in the Folklore of Middle India **The Mothers** Robert Briffault, 1927 *The World Dream Book* Sarvananda Bluestone, 2002-12-01 A unique self help guide to dream interpretation using techniques and icons from cultures around the world Challenges the assumption that all symbols universally signify the same thing to all dreamers Includes numerous stories games and exercises for inducing recalling interpreting and utilizing dreams Extends beyond Jung and Freud to include dream theory from numerous world cultures including the Temiar of Malaya the African Ibans the Lepchka of the Himalayas and the Ute of North America Dreaming can be used as a tool for understanding our own consciousness enhancing creativity receiving visions conquering fears interpreting recent events healing the body and evolving the soul Tapping into the vast dreaming experiences and lore of the world's cultures from the Siwa people of the Libyan desert to the Naskapi Indians of Labrador Sarvananda Bluestone challenges the assumption that all symbols universally signify the same thing to all dreamers The World Dream Book encourages readers to develop their own personalized symbols for understanding their consciousness and provides a series of stories multicultural techniques and

games to help them do so Playful explorations such as the aboriginal Sipping the Water of the Moon teach how to induce recall interpret and utilize the power of dreams Readers will discover how a stone under a pillow can help us remember a dream and will explore their own dormant artist and writer as they reclaim the power of their sleeping consciousness Sarvananda Bluestone applies his uniquely engaging style to demonstrate that with a few simple tools everybody has the capacity to unleash their full dreaming potential *The Popular Religion and Folk-lore of Northern India* William Crooke,1896 *Popular Religion in America* Peter W. Williams,1980 Williams provides a thought provoking overview of popular religion in America that will intrigue specialist and student alike He has both answered many questions and raised important new ones on the nature and development of American popular religion *Journal for the Scientific Study of Religion* Pioneering I for one am glad he combined scholarship andchutzpah for this modestly immodest first word Catholic Historical Review *The Journal of American Folklore* ,1988 *The Collected Writings of Charles H. Long* Charles H. Long,2018-02-22 Charles H Long is one of the most influential and pioneering scholars in the study of religion from the past 50 years This is the first comprehensive collection of his writings edited by Long himself and contains 38 pieces including both published and previously unpublished articles lectures an interview and two book reviews The foreword is provided by Jennifer Reid a former student of Long The collection is divided into four thematic parts America and the Study of Religion Theory and Method in the Study of Religion African American Religion in the United States Kindling Embers and Sparks Long s introduction provides much awaited insight into his reflections on his work expanding on questions that remained unanswered in his classic and influential text *Significations Signs Symbols and Images in the Interpretation of Images* 1986 In particular the new introductory essay explores the significance of ellipses that which is omitted the projected spaces of the Other in the study of religion Considered the preeminent founder and advocate of the study of Black Religion Long was exploring religion and colonialism and the importance of Afro American religion as early as the 1960s and early 1970s and this collection of his thinking which moves across the formations of religious studies African diasporic studies and social and cultural theory is a must have addition for any institutional or personal library **Islam in India and Pakistan** Annemarie Schimmel,2023-09-29 Scholarly monographs on the religious iconography of Islam **Folklore and Folklife in India ; an Objective Study in Indian Perspective** Sankar Sen Gupta,1975 *Mountains & Man* Larry W. Price,1981 This book explores the complex processes and features of mountain environments glaciers snow and avalanches landforms weather and climate vegetation soils and wildlife A major section analyzes the effects of latitudinal position on these processes and features There is also an investigation of the origin of mountains our attitudes towards them and their manifold implications for us Inside front jacket **An Introduction to the Popular Religion and Folklore of Northern India** ,2013
