Robert Mugabe and the Will to Power in an African Postcolony William J. Mpofu, 2021-03-04 This book is a philosopher's view into the chaotic postcolony of Zimbabwe delving into Robert Mugabe's Will to Power The Will to Power refers to a spirited desire for power and overwhelming fear of powerlessness that Mugabe artfully concealed behind performances of invincibility Nietzsche's philosophical concept of the

Will to Power is interpreted and expanded in this book to explain how a tyrant is produced and enabled and how he performs his tyranny Achille Mbembe s novel concept of the African postcolony is mobilised to locate Zimbabwe under Mugabe as a domain of the madness of power The book describes Mugabe s development from a vulnerable youth who was intoxicated with delusions of divine commission to a monstrous tyrant of the postcolony who mistook himself for a political messiah This account exposes how post political euphoria about independence from colonialism and the heroism of one leader can easily lead to the degeneration of leadership However this book is as much about bad leadership as it is about bad followership Away from Eurocentric stereotypes where tyranny is isolated to African despots this book shows how Mugabe is part of an extended family of tyrants of the world He fought settler colonialism but failed to avoid being infected by it and eventually became a native coloniser to his own people The book concludes that Zimbabwe faces not only a simple struggle for democracy and human rights but a Himalayan struggle for liberation from genocidal native colonialism that endures even after Robert Mugabe s dethronement and death

The Power of NoFap Misael Seuda,2023-10-19 In this ebook you will get to know about the 21st century plague the infamous and easily accessible pornography Before in the 1990s it was difficult to access mainly through magazines cassette tapes and DVDs making it unlikely for someone to become addicted due to the difficulty in obtaining such material However with the advancement of technology and the emergence of adult websites there s no need for any other resources just internet access Digital pornography has now become a part of basic necessities like running water and electricity This issue is related to the early days of the internet Back then real life experiences took precedence but now the paradigm has shifted People now prefer to live more online than offline The online world is more pleasurable limitless offers an infinite variety of resources and is more enticing Digital pornography is part of this online realm the World Wide Web and is more appealing and advantageous than real life sexual encounters with a partner Access to this adult material also leads to compulsive masturbation and sexual disorders contributing to the addiction of millions Throughout the ebook you will 1 Learn about NoFap 2 Read accounts of celebrities who have come forward to discuss their addiction to watching porn icons like Billie Eilish and Terry Crews 3 Learn how to break free from pornography excessive masturbation and cultivate a healthier sexual life through the REBOOT method Mental Reset This involves a 90 day challenge of abstaining from the addiction tested and implemented by practitioners with the goal of breaking the dependency Those who have successfully broken free from this mental addiction are extraordinary individuals Do you wish to join this exclusive group If so you will be better equipped to change the world alongside thousands of individuals who have already done so in the past

Women, Sexuality and the Political Power of Pleasure Susie Jolly,Andrea Cornwall,Kate Hawkins,2013-06-13 This pioneering collection explores the ways in which positive pleasure focused approaches to sexuality

can empower women Gender and development has tended to engage with sexuality only in relation to violence and ill health Although this has been hugely important in challenging violence against women over emphasizing these negative aspects has dovetailed with conservative ideologies that associate women's sexualities with danger and fear On the other hand the media the pharmaceutical industry and pornography more broadly celebrate the pleasures of sex in ways that can be just as oppressive often implying that only certain types of people young heterosexual able bodied HIV negative are eligible for sexual pleasure Women Sexuality and the Political Power of Pleasure brings together challenges to these strictures and exclusions from both the South and North of the globe with examples of activism advocacy and programming which use pleasure as an entry point It shows how positive approaches to pleasure and sexuality can enhance equality and empowerment for all

The Power of Culture Richard Wightman Fox, T. J. Jackson Lears, 1993-04 We are in the midst of a dramatic shift in sensibility and cultural history is the rubric under which a massive doubting and refiguring of our most cherished historical assumptions is being conducted Many historians are coming to suspect that the idea of culture has the power to restore order to the study of the past Whatever its potency as an organizing theme there is no doubt about the power of the term culture to evoke and stand for the depth of the re-examination not taking place At a time of deep intellectual disarray culture offers a provisional nominalist version of coherence whatever the fragmentation of knowledge however centrifugal the spinning of the scholarly wheel culture which even etymologically conveys a sense of safe nurture warm growth budding or ever present wholeness will shelter us The PC buttons on historians' chests today stand not for politically correct but positively cultural from the Introduction More and more scholars are turning to cultural history in order to make sense of the American past This volume brings together nine original essays by some leading practitioners in the field The essays aim to exhibit the promise of a cultural approach to understanding the range of American experiences from the seventeenth century to the present Expanding on the editors pathbreaking *The Culture of Consumption* the contributors to this volume argue for a cultural history that attends closely to language and textuality without losing sight of broad configurations of power that social and political history at its best has always stressed The authors here freshly examine crucial topics in both private and public life Taken together the essays shed new light on the power of culture in the lives of Americans past and present

The Power of Death Maria-José Blanco, Ricarda Vidal, 2014-10-01 The social and cultural changes of the last century have transformed death from an everyday fact to something hidden from view Shifting between the practical and the theoretical the professional and the intimate the real and the fictitious this collection of essays explores the continued power of death over our lives It examines the idea and experience of death from an interdisciplinary perspective including studies of changing burial customs throughout Europe an account of a dying party in the Netherlands examinations of the fascination with violent death in crime fiction and the phenomenon of serial killer art analyses of death and bereavement in poetry fiction and autobiography and a look at audience reactions to depictions of death on screen By

The Philosophy of Sex Raja Halwani, Alan Soble, Sarah Hoffman, Jacob M. Held, 2017-09-15 This best selling volume examines the nature morality and social meanings of contemporary sexual phenomena Updated and new discussion questions offer students starting points for debate in both the classroom and the bedroom Power in Struggle Davina

Cooper, 1995-07 Those seeking social change confront the centrality of power on a daily basis What precisely is power and how does it manifest itself And how are radical and progressive strategies shaped by the ways in which we conceptualize it Drawing on feminist poststructuralist and Marxist theory Davina Cooper develops an innovative framework for understanding power relations in forms as diverse as reproductive technology queer activism municipal politics and the regulation of lesbian reproduction Power in Struggle explores the relationship between power sexuality and the state and ultimately provides a radical re thinking of these concepts and their interactions Sexual politics Cooper posits must recognize the sexualization of everyday life and should not be exclusively the concern of a young educated elite nor should sex be shuttered as a private affair Concluding with an important and original discussion of how an ethics of empowerment can inform political strategy Power in Struggle is a must read for activists scholars and lawyers interested in understanding the role of power in the state

The Philosophy of Sex Alan Soble, Nicholas P. Power, Raja Halwani, 2008 Thirty contemporary essays that explore philosophically conceptually and theologically the nature social meanings and morality of contemporary sexual phenomena From publisher description At Home with Pornography Jane Juffer, 1998 Juffer demonstrates how women s consumption of erotica and porn for their own pleasure can be empowering while simultaneously reinforcing conservative ideals She shows for instance how the Victoria s Secret catalog functions as a kind of pornography whose popularity is enhanced by both its reliance on Victorian themes of secrecy and privacy and by its appeals to the pleasures of modern career women In her pursuit to understand what women like and how they get it Juffer delves into adult cable channels erotic literary anthologies sex therapy guides cyberporn masturbation and sex toys showing the degrees to which these materials have been domesticated for home consumption The Power of Feminist Theory Amy Allen, 2025-06-17 In this new second edition of The Power of Feminist Theory Domination Resistance Solidarity Amy Allen diagnoses the inadequacies of previous feminist conceptions of power and draws on the work of a diverse group of theorists of power including Michel Foucault Judith Butler bell hooks and Hannah Arendt in order to construct a new feminist conception of power The conception of power developed

in this book enables readers to theorize domination resistance and solidarity and perhaps more importantly to do so in a way that illuminates the interrelatedness of these three modalities of power The new edition of this foundational text includes substantial new material on intersectionality and power transnational feminism and power in relation to homonationalism and neo imperialism and empowerment feminism It addresses important criticisms of Foucault Arendt and Butler that have been raised by Black feminists critical philosophers of race postcolonial theorists and Marxists The Power of Feminist Theory Domination Resistance Solidarity is an essential text for students engaging with feminist analyses of power feminist theory and feminist political thought

Passion and Power Kathy Lee Peiss, Christina Simmons, Robert A. Padgug, 1989 *Passion and Power* brings together some of the most recent and innovative writings on the history of sexuality and explores the experiences ideas and conflicts that have shaped the emergence of modern sexual identities Arguing that sexuality is not an unchanging biological reality or a universal natural force the essays in this volume discuss sexuality as an integral part of the history of human experience Articles on sexual assault homosexuality birth control venereal disease sexual repression pornography and the AIDS epidemic examine the ways that sexuality has become a core element of modern social identity in the nineteenth and twentieth century United States It is only in recent years that historians have begun to examine the social construction of sexuality This is the first anthology that addresses this issue from a radical historical perspective examining sexuality as a field of contention in itself and as part of other struggles rooted in divisions of gender class and race Author note Kathy Peiss is Associate Professor of History and Women's Studies at the University of Massachusetts at Amherst and author of *Cheap Amusements Working Women and Leisure in Turn of the century New York* Temple P Christina Simmons is Assistant Professor of History at the University of Cincinnati Raymond Walters College
