The Power of Love Dianne M. Hicks,2007-05-30 The POWER OF LOVE From the Well of Life is a book written to forever change and challenge us to get it right We were created out of love and we are Gods expression of His love for us From the Well of Life simply means it was written from life experiences I hope that you can relate to some of the poetry that has been written Because we are here on earth love not hate should be the ruler of the day The Bible tells us we are to God first and then we are to love our neighbors as ourselves If we learn to love God first we can experience some of the treasures He has planned for us here on earth However if we allow hate to rule our lives the consequences can be quite different Remember God has more in store for us than we can ever imagine if we learn to put Him first However because God created us and instilled in us the gift of choice we must choose to love to be in our lives I hope this book inspires you to do just that

The Power of Love Robert L.
