**Congressional Record** United States. Congress,1971 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **The Messiah Conquers the White House** Aying Godman,2013-10 On November 4 2008 Barack Hussein Obama a senator from the state of Illinois was elected to the White House as the forty fourth president of the United States This momentous event overwhelmed America and took the whole world by surprise Although he had led his opponent Senator John McCain throughout the period preceding the election in the opinion polls no one really believed that the timing was right for an African American president of the United States In *The Messiah Conquers the White House* author Aying Godman combines scripture biography politics and numerology to explain the historic victory of Barack Obama and to reveal his messianic mission to the White House An eminent biblical scholar mystic and numerologist Godman predicted the reelection of President Barack Obama in 2012 and it happened in spite of a steep political opposition and an unfavorable economic backdrop This study also examines the impact and significance of Obama s victories and concludes with a projection of what the world will be like after he leaves office *The Messiah Conquers the White House* uncovers the sacred weapons that Barack Obama uses as he fights conquers and exercises power in the White House This evidence demonstrates the power of numbers and the Holy Scriptures in the ongoing victories of Barack Obama *The Pentagon's Battle for the American Mind* Lori L. Bogle,2004-10-12 The U S military has historically believed itself to be the institution best suited to develop the character spiritual values and patriotism of American youth In *Strategy for Survival* Lori Bogle investigates how the armed forces assigned itself the role of guardian and interpreter of national values and why it sought to create ideologically sound Americans capable of defeating communism and assuring the victory of democracy at home and abroad Bogle shows that a tendency by some in the armed forces to diffuse their view of America s civil religion among the general population predated tension with the Soviet Union Bogle traces this trend from the Progressive Era though the early Cold War when the Truman and Eisenhower administrations took seriously the battle of ideologies of that era and formulated plans that promised not only to meet the armed forces manpower needs but also to prepare the American public morally and spiritually for confrontation with the evils of communism Both Truman s plan for Universal Military Training and Eisenhower s psychological warfare programs promoted an evangelical democracy and sought to inculcate a secular civil military religion in the general public During the early 1960s joint military civilian anticommunist conferences organized by the authority of the Department of Defense were exploited by ultra conservative civilians advancing their own political and religious agendas Bogle s analysis suggests that cooperation among evangelicals the military and government was considered both necessary

and normal The Boy Scouts pushed a narrow vision of American democracy and Joe McCarthy's chauvinism was less an aberration than a particularly noxious manifestation of a widespread attitude To combat communism American society and its armed forces embraced brainwashing narrow moral education that attacked everyone and everything not consonant with their view of the world and how it ought to be ordered Exposure of this alliance ultimately dissolved it However the cult of toughness and the blinkered view of reality that characterized the armed forces and American society during the Cold War are still valued by many and are thus still worthy of consideration *Twenty Years of Service* Brandon J.
