Emmanuel Cooper

The Pre Raphaelite Imagination 1848 1900:

The Pre-Raphaelite Imagination John Dixon Hunt, 1968 **Towards Creative Imagination in Victorian Literature**
Aleksandra Piasecka, 2014-06-19 This book explores the concept of the creative imagination in Mid and Late Victorian England In these times of transition as the age of the Industrial Revolution was regarded aesthetic considerations became involved in the broader debate on the shape of the modern world Thus the approach to the artistic imagination was closely connected with the shifting beliefs concerning the essence of beauty and the role of religion not to mention attitudes towards nature and society These aspects defined the aims furthered by painters and poets alike and set the direction for their artistic endeavours Five people have been chosen as representatives of their time in the discussion about artistic imagination John Ruskin William Morris Dante Gabriel Rossetti Walter Pater and Arthur Symonds Accordingly the material analysed to recreate the Victorian understanding of the artistic faculties is of different kinds and embraces not only critical essays Ruskin Pater Symonds but also belles lettres short stories Morris and poems Rossetti Symonds In this manner two positions complement each other namely the views of the theoreticians and those of practitioners The former attempted to discern and extract the quintessence of the artistic powers on the basis of their observations and reflections whereas the latter relied on their personal experiences in this respect **The Pre-Raphaelites** Inga Bryden, 1998 This unique collection demonstrates the profoundly interdisciplinary nature of Pre Raphaelitism and contains whole texts and key extracts from key Pre Raphaelite figures such as William Morris and from less well known figures *Worldwide Pre-Raphaelitism* Thomas J. Tobin, 2006-01-01 Pre Raphaelitism s influence during the long nineteenth century was far reaching affecting artistic and literary thought in places media and times far removed from its origins in 1848 London Worldwide Pre Raphaelitism examines the movement s development beyond England from the continental immortals glorified by the nascent Pre Raphaelite Brotherhood to later reactions against and in sympathy with the ideals of the movement after it had ended This collection of essays by art historians literary critics fashion historians women s studies scholars and independent researchers from around the world enhances our understanding of the global impact of Pre Raphaelitism on the art historical and literary developments of the nineteenth and twentieth centuries Pre-Raphaelites Re-viewed Marcia R. Pointon, 1989 The Pre Raphaelite Brotherhood formed in 1848 by the young Millais Holman Hunt and Rossetti has long been recognised as a high point in Victorian artistic production But whilst we know much of the private lives of Pre Raphaelite artists and writers and their best known paintings are very familiar their work and particularly their visual imagery has attracted limited attention from art historians and critical theorists This collection redresses the situation with a series of detailed critical and historical studies of individual issues and productions artistic and literary relative to Pre Raphaelitism Using rigorous new critical analysis the book throws new light on the ways in which the Pre Raphaelites addressed philosophical religious political and social questions It will be essential reading for all students of Victorian art literature and ideas Back cover Reform and

Intellectual Debate in Victorian England Barbara Dennis, David Skilton, 2016-07-01 First published in 1987 Readers of Victorian literature both poetry and prose are constantly aware of a powerful undercurrent of change political social and intellectual which determines the shape of the literature being produced Topics covered include parliamentary reform the Gentleman religious debate and secular thought education leisure and attitudes to the arts and the Woman Question This title will be of interest to students of history

Gardens and Grim Ravines Pauline Fletcher, 2017-03-14 This book is the first systematic examination of the significance of landscape in Victorian poetry Pauline Fletcher divides poetic landscapes into two categories antisocial landscapes of isolation or retreat and social landscapes that reflect the life of man in community Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Victorians Laurence Lerner, 2025-06-30 First published in 1978 *The Victorians* presents a survey of the Victorian era exploring the relationship between literature and society through three distinct sections The first delineates the literary history in two chapters on the Victorian novel and Victorian poetry respectively In the second and largest section of a series of essays discuss various fundamental aspects of Victorian society the economic and social framework government and institutions the sense of the past painting and illustration religion and the role of women The third section offers two essays which explicitly relate a particular work to the society one on Dicken s *Dombey and Son* and the other on Tennyson s *The Princess* By turning to each essay after the rounded picture of Victorian society given in the previous section the reader will not only find her appreciation enhanced but will also be enabled to argue back on equal terms in a way that is never possible with the survey of literature alone This book is a must read for scholars and researchers of English literature

Dante's New Life of the Book Martin Eisner, 2021-03-18 Dante s *Vita nuova* has taken on a wide variety of different forms since its first publication in 1294 How could one work have generated such different physical forms Through examining the work s transformations in manuscripts printed books translations and adaptations Eisner reconceives of the relationship between the work and its reception Dante s *New Life of the Book* investigates how these different material manifestations participate in the work drawing attention to its distinctive elements Dante framed his book as an attempt to understand his own experiences through the experimental form of the book and later scribes editors and translators use different material forms to embody their interpretations of Dante s collection of thirty one poems surrounded by prose narrative and commentary Traveling from Boccaccio s Florence to contemporary Hollywood with stops in Emerson s Cambridge Rossetti s London Nerval s Paris Mandelstam s Russia De Campos s Brazil and Pamuk s Istanbul this study builds on extensive archival research to show how Dante s strange poetic

forms including incomplete canzoni and sonnets with two beginnings continue to challenge readers Each chapter focuses on how one of these distinctive features has been treated over time offering new perspectives on topics such as Dante's love of Beatrice his relationship with Guido Cavalcanti and his attraction to another woman Numerous illustrations show the entanglement of the work's poetic form and its material survival Eisner provides a fresh reading of Dante's innovations demonstrating the value of this philological analysis of the work's survival in the world **Reviews and Essays of Austin**

Clarke Austin Clarke, 1995 Austin Clarke is widely regarded as one of 20th century Ireland's most important poets In this selection of nearly fifty essays and reviews written over Clarke's long career he demonstrates that he is an astute and provocative literary critic as well Having grown up in Dublin when the excitement of the Irish Literary Revival was still running high Clarke knew many of the principal figures of that movement personally and his readings of Yeats Joyce Synge O'Casey Lady Gregory George Moore and others enjoy the advantages of an insider's point of view Moreover committed in his own poetry to the basic assumption that fuelled the Literary Revival that the most productive course for Irish literature lay in the direction not of England but of Ireland Clarke in his criticism provides a way of understanding and judging the Revival's major writers in terms of their relationships to Ireland's rich literary and cultural traditions At the same time these essays call attention to a number of distinctly Irish but often overlooked writers working on the margins of the revival As Yeats observed more than once the Irish for all the contributions that they have made to modern fiction poetry and drama have fallen somewhat short in the genre of literary criticism Austin Clarke's essays and reviews many of which were written under a pseudonym and so not attributed to Clarke for years go a long way towards filling that gap *Andromeda's Chains*

Adrienne Munich, 1989 Applying feminist theory to some lesser known works by well known authors and painters Munich English SUNY Stony Brook explores the psychological and cultural implications of the Victorian male treatment of the Perseus and Andromeda myth and its medieval analog the legend of St George and the dragon With 31 photographs of the works discussed Annotation copyright by Book News Inc Portland OR **Alternatives in Biography** Michael

Kaylor, Stephen Hardy, Martina Horáková, Kateřina Prajznerová, 2014-01-01 Kniha se zabývá texty z anglicky psané literatury, které s sebou přinášejí fikci osobní i akademické konvence ve vztahu k literárnímu autobiografii a stejně upozoruje na mnohoznačnost psaní o životě a konstruování subjektivity Každý z kapitol zkoumá specifický typ transgresivní autobiografie pastorální biografii v dílech Petera Ackroyda Johna Bergera a Paula Cartera kolaborativní autobiografie domorodých obyvatel v Austrálii v textech Kima Scotta a Hazel Brown a Rity a Jackie Hugginsové beletrizovanou autobiografii A Newmana a Forresta Reeda a bioregionální biografii Emily Carrov a Emmy Bell Milesové **Some Poets, Artists & 'A Reference for Mellors'** Anthony Powell, 2005 Drawn from over four decades of regular reviews for the Daily Telegraph as well as pieces for Apollo Punch and Encounter this is a collection of Anthony Powell's critical writings *Fin de Sicile/Fin du Globe* John Stokes, 1992-11-20 The internationally distinguished scholars who have contributed to this timely book were asked to take

part in a collaborative act of demystification a reconsideration of the eschatological ideas of the last fin de siècle the 1890s in the light of the critical thought of the 1990s Their essays draw upon a range of approaches and are broadly interdisciplinary All are characterised by the realisation that with a century's hindsight the late 1800s should be seen not so much as a period of decadence as of discovery and growth The Course of English Surrealist Poetry Since the 1930s Rob Jackaman, 1989 This study proposes that there has been a revival of surrealist poetry and traces an uninterrupted thread of development in surrealism throughout 20th century English poetry **The Sexual Perspective** Emmanuel Cooper, 1994 This groundbreaking work has been fully updated in detailing the painting sculpture and photography of gay or lesbian artists Set in the context of current issues Cooper makes a vital contribution to debates on art gender and sexuality *The Pre-Raphaelites: From Rossetti to Ruskin* Dinah Roe, 2010-07-01 The Pre Raphaelite Movement began in 1848 and experienced its heyday in the 1860s and 1870s Influenced by the then little known Keats and Blake as well as Wordsworth Shelley and Coleridge Pre Raphaelite poetry etherialized sensation in the words of Antony Harrison and popularized the notion of art pour l'art art for art's sake Where Victorian realist novels explored the grit and grime of the Industrial Revolution Pre Raphaelite poems concentrated on more abstract themes of romantic love artistic inspiration and sexuality Later they attracted Aesthetes and Decadents like Oscar Wilde Aubrey Beardsley and Ernest Dowson not to mention Gerard Manley Hopkins and W B Yeats Flight from Certainty , 2021-11-01 **Landscape and Ideology** Ann Bermingham, 1986 In this interdisciplinary study Ann Bermingham explores the complex ambiguous and often contradictory relationship between English landscape painting and the socio economic changes that accompanied enclosure and the Industrial Revolution *Poetry, Painting and Ideas, 1885-1914* Alan Robinson, 1985-06-18
