The Precision Bidding System In Bridge:

The Precision Bidding System in Bridge C. C. Wei, 1992 **The Precision Diamond Bridge Bidding System** Ken Casey, 2019-09-11 The second edition of this book incorporates the 2 1 Game Force bidding system The book is designed to improve your bidding in 5 steps The 1st step involves maximizing your use of the 2 1 system whenever you open with a major suit The 2nd step involves your use of the New Minor Forcing convention to find a 5 card major in responder's hand The 3rd step involves adoption of the strong 2 bid a bid of 20 21p with an unbalanced hand one with a singleton or void By tweaking reverses this allows the opener to show an unbalanced hand by bidding at the 2 level with 16 17p or at the 3 level with 18 19p The 4th step involves optimizing your slam bidding with conventions to show the trump Queen It also involves the use of the Redwood kickback convention minor suit contracts and the use of the Fourth Suit Forcing convention to ascertain whether the opener has 4 or 5 cards in this 2nd bid suit The 5th step involves the use of bids to hamper the opponents from finding their 4 4 spade fit This involves the use of the Casey overcall and the use of the Casey Jacoby Transfer for Responder's 5 card majors Finally the use of inverted minors is discussed *Simplified Precision Club Bridge Bidding System* Ken Casey, 2021-08-23 This book incorporates the 2 1 Game Force bidding system for opening majors and the Casey Simplified Precision Club system for opening minors This book simplifies the traditional Precision Club system by eliminating many of its unnecessary complications You will only need to add one new convention the opening 1 bid to your Standard American system This system enables the responder to know the opener's point count within a 2p range after the opener's rebid In addition the Casey Overcall will improve your part scores by hampering the opponents from finding their spade fit The book will also help you reach a new level by improving your slam bidding The advantage of using the Casey Bidding System is that you will open the hand 12.6% more often than with Standard American Ken has published more than 15 bridge books There are 5 core books as follows Tournament Bridge for Beginning Players 4th ed 2020 Tournament Bridge for Intermediate Players 5th ed 2021 Tournament Bridge for Advanced Players 4th ed 2021 Tournament Bridge for Notrump Contracts 4th ed 2020 and Tournament Bridge Tips on Defense 4th ed 2020 In addition Ken has published two books on bidding The Casey Simplified Precision Club Bridge Bidding System 2nd ed 2021 and The Casey 2 1 Bridge Bidding System 5th ed 2022 Ken served as a Russian interpreter during the Vietnam War and then spent over 30 years practicing as a tax attorney Ken also has an MBA in accounting and a CPA The Precision Diamond Bridge Bidding System Ken Casey, 2019-06-19 The Precision Diamond system provides a solution to the flaws in the Standard American bidding convention SAYC There are 6 notable features of my bidding system The 1st feature is the ability of the responder to show his 5 card major suit immediately using the Casey Jacoby Transfer The 2nd feature is that Precision Diamond permits the opener to show his points within a 2p range from 16 21 points using the Casey Shift and the Strong 2 opening The 3rd feature is the ability of the overcaller to show his 4 card major suit immediately by assigning 1NT to show 4s The 4th feature of Precision Diamond is the ability of the Keycard

Asker in a slam contract to ascertain whether the opener has the trump queen using the Casey RKC method The 5th feature is the ability of the opener to show keycards including the trump queen at the 4 level in the case of a minor suit slam attempt using Minorwood The 6th feature is the ability of the opener to find a slam with a minor suit fit using the Casey Minor Rebid convention

Bridge Bidding System Ken Casey, 2021-08-23 This book incorporates the 2 1 Game Force bidding system for opening majors The Casey Reverse will enable the responder to know the opener's point count within a 2p range after the opener's rebid In addition the Casey Overcall will improve your part scores by hampering the opponents from finding their spade fit The book will also help you reach a new level by improving your slam bidding The advantage of using the Casey 2 1 Bidding System is that you will open a minor suit 12.6% more often than with Standard American Ken has published more than 15 bridge books There are 5 core books as follows Tournament Bridge for Beginning Players 4th ed 2020 Tournament Bridge for Intermediate Players 5th ed 2021 Tournament Bridge for Advanced Players 4th ed 2021 Tournament Bridge for Notrump Contracts 4th ed 2020 and Tournament Bridge Tips on Defense 4th ed 2020 In addition Ken has published two books on bidding The Casey Simplified Precision Club Bridge Bidding System 2nd ed 2021 and The Casey 2 1 Bridge Bidding System 5th ed 2022

Precision Simplified --- Second Edition Neil H. Timm Ph. D., 2011-05-05

The 2 1 Game Force System is an improvement over the Standard American System that has been played by bridge players for years The clear advantage of 2 1 is that it allows a partnership to know that game is possible with only a single bid by the responder However a significant disadvantage is that the opener may have between 12 and 21 high card points HCP when opening one of a suit obviously a very wide range To remedy this situation one may employ the strong club system in contract or duplicate bridge know simply as Precision

Bridge Bidding Nicolae Sfetcu, 2014-05-13 This e book presents some of the most important bridge bidding systems used in duplicate bridge tournaments detailing the most known bridge bidding system Standard American Yellow Card by using a logical sequential order for openings answers competitive bids and defensive play in order to help the players during the games Much of the complexity in bridge arises from the difficulty of arriving at a good final contract in the auction A bidding system in contract bridge is the set of agreements and understandings assigned to calls and sequences of calls used by a partnership and includes a full description of the meaning of each treatment and convention Standard American Yellow Card is a specific set of partnership agreements and conventions using Standard American as a base Standard American Yellow Card is a very specific collection of agreements which can of course be modified and augmented by partnership agreement In practical use the term is often misused to refer to Standard American in general or it could refer to a system that used SAYC as a base and made additional augmentations or changes to the base agreements

Precision Simplified Neil H. Timm,2010-02 My goal in writing this book is to provide a careful organization of topics so that one may easily convert from any standard two club opening system and in particular the 2 1 Game Force bids to Precision In the process one may keep most of their natural bidding sequences and the conventions they currently use with minor modifications I have tried to eliminate the fear of the memory features used by many variations of Precision by presenting a series of bids that are geared toward simplicity and allow the reader to integrate the Precision system into their more familiar natural bidding system using the 2 1 Game Force bidding structure which includes Combined Bergen Raises inverted minor suit raises with criss cross cue bidding modified scroll bids and many more familiar methods **Charles H. Goren Presents the Precision System of Contract Bridge Bidding** Charles H. Goren,1981-06-01 **The Simplified Precision Club Bridge Bidding System, 3rd Edition 2022** Ken Casey,2022-05-31 **The Bridge Game** Nicolae Sfetcu,2014-04-25 A comprehensive guide of bridge game online games variants suits hand evaluation bidding systems techniques strategy tactics Contract bridge usually known simply as bridge is a trick taking card game of skill for four players usually sitting around a table who form two partnerships or sides The partners on each side sit opposite one another The game consists of two main parts bidding or auction and play the rules of play are rather simple and similar to other trick taking games However the bidding and associated conventions are much more complex and represent the true learning barrier to new players Also there is an immense variety of techniques in play of the hand whose effective use requires learning and experience **The Precision System Of Bridge Bidding** Charles Goren,1971 **Contemporary Bridge Bidding** Leif B. Sorensen,2011-11-22 The reader for whom this new book is intended should be familiar with the fundamentals of duplicate bridge The book is aimed at intermediate players with a range of expertise who are intent on improving their bidding skills The main focus is on the two over one game force which together with its adjunct components comprises a bidding system that has gained enormous popularity The last two chapters are devoted to an introduction of two systems that are widely played around the world Precision Bridge and Acol Bridge Wait-A-Minute Bridge, II David Stevens,2012-08-01 In this sequel to Wait A Minute Bridge national tournament winner David Stevens teaches techniques of duplicate bridge for the advancing player He includes such topics as advanced bidding systems Two Over One Precision the squeeze play the strip and endplay the Principle of Restricted Choice and several techniques and conventions for better slam bidding play and defense Stevens retains the popular device of having an anonymous reader interrupt the narrative from time to time by crying Wait a minute He then explains a point in more detail with the goal of a more complete understanding of the topic This book is aimed at advancing bridge players who have been having some success and want to play against better competition This book will help them succeed at the next level and enjoy the process Full of robust humor and many examples Wait A Minute Bridge II is sure to be as popular as its predecessor Have more fun play better bridge *Charles H.*
