The Concubine, the Princess, and the Teacher Douglas Scott Brookes,2010-01-01 In the Western imagination the Middle Eastern harem was a place of sex debauchery slavery miscegenation power riches and sheer abandon But for the women and children who actually inhabited this realm of the imperial palace the reality was vastly different In this collection of translated memoirs three women who lived in the Ottoman imperial harem in Istanbul between 1876 and 1924 offer a fascinating glimpse behind the veil into the lives of Muslim palace women of the late nineteenth and early twentieth centuries The memoirists are Filizten concubine to Sultan Murad V Princess Ayse daughter of Sultan Abdulhamid II and Safiye a schoolteacher who instructed the grandchildren and harem ladies of Sultan Mehmed V Their recollections of the Ottoman harem reveal the rigid protocol and hierarchy that governed the lives of the imperial family and concubines as well as the hundreds of slave women and black eunuchs in service to them The memoirists show that far from being a place of debauchery the harem was a family home in which polite and refined behavior prevailed Douglas Brookes explains the social

structure of the nineteenth century Ottoman palace harem in his introduction These three memoirs written across a half century and by women of differing social classes offer a fuller and richer portrait of the Ottoman imperial harem than has ever before been available in English

Princess rabbit hole she wasn't sure how to reconcile the difference between her parental expectations and the reality of her daughter's passion. In this book inspired by her viral New York Times Motherlode piece "Turn Your Princess Obsessed Toddler Into a Feminist in Eight Easy Steps" Blachor offers insight, advice, and plenty of humor and personal anecdotes for other mothers who cringe each morning when their daughter refuses to wear anything that isn't pink. Her story of how she surrendered control and opened up to her Princess Toddler to pink and to life is a universal tale of modern parenting. She addresses important issues such as how to raise a daughter in a society that pressures girls and women to bury their own needs, conform to a beauty standard, and sacrifice their own passions.
