The Principles Of Masonic Law Dodo Press:

The Principles of Masonic Law Albert G. Mackey, 2013-10-24 This treatise on the Constitutional Laws Usages and Landmarks of Freemasonry is doubtless one of the most important and invaluable works in a Freemasonic library Contents Preface Introduction The Authorities for Masonic Law Book First The Law of Grand Lodges Chapter I Historical Sketch Chapter II Of the Mode of Organizing Grand Lodges Chapter III Of the Members of a Grand Lodge Chapter IV Of the Officers of a Grand Lodge Chapter V Of the Powers and Prerogatives of a Grand Lodge Book Second Laws of Subordinate Lodges Chapter I Of the Nature and Organization of Subordinate Lodges Chapter II Of Lodges under Dispensation Chapter III Of Lodges Working under a Warrant of Constitution Chapter IV Of the Officers of a Subordinate Lodge Chapter V Of Rules of Order Book Third The Law of Individuals Chapter I Of the Qualifications of Candidates Chapter II Of the Rights of Entered Apprentices Chapter III Of the Rights of Fellow Crafts Chapter IV Of the Rights of Master Masons Chapter V Of the Rights of Past Masters Chapter VI Of Affiliation Chapter VII Of Demitting Chapter VIII Of Unaffiliated Masons Book Fourth Of Masonic Crimes and Punishments Chapter I Of What Are Masonic Crimes Chapter II Of Masonic Punishments Chapter III Of Masonic Trials Chapter IV Of the Penal Jurisdiction of a Lodge Chapter V Of Appeals Chapter VI Of Restoration **The Principles of**

Masonic Law Albert Gallatin Albert Gallatin Mackey, 2014-03-31 In presenting to the fraternity a work on the Principles of Masonic Law it is due to those for whom it is intended that something should be said of the design with which it has been written and of the plan on which it has been composed It is not pretended to present to the craft an encyclopedia of jurisprudence in which every question that can possibly arise in the transactions of a Lodge is decided with an especial reference to its particular circumstances Were the accomplishment of such an herculean task possible except after years of intense and unremitting labor the unwieldy size of the book produced and the heterogeneous nature of its contents so far from inviting would rather tend to distract attention and the object of communicating a knowledge of the Principles of Masonic Law would be lost in the tedious collation of precedents arranged without scientific system and enunciated without explanation When I first contemplated the composition of a work on this subject a distinguished friend and Brother whose opinion I much respect and with whose advice I am always anxious to comply unless for the most satisfactory reasons suggested the expediency of collecting the decisions of all Grand Masters Grand Lodges and other masonic authorities upon every subject of Masonic Law and of presenting them without commentary to the fraternity **The Principles of Masonic**

Law Albert Gallatin Mackey, 2022-11-13 In *The Principles of Masonic Law* Albert Gallatin Mackey meticulously examines the intrinsic legal framework and foundational precepts governing Freemasonry With a keen eye for detail and a scholarly approach Mackey navigates through historical texts symbols and rituals to elucidate the philosophical and ethical dimensions of Masonic law His literary style is characterized by its clarity and persuasiveness rendering complex legal concepts accessible to both seasoned Masons and curious outsiders Positioned within the broader context of 19th century Masonic

scholarship this work reflects the era's burgeoning interest in esoteric knowledge and the quest for moral rectitude among its practitioners Albert Gallatin Mackey was a prominent American Freemason physician and author whose lifelong commitment to the Masonic fraternity greatly influenced his writings His extensive involvement in Masonic leadership roles and his pursuit of knowledge in history and law provided him with a unique perspective that shaped *The Principles of Masonic Law* Mackey's personal experiences within the Masonic community coupled with his scholarly interests drive his exploration of the delicate balance between tradition and modernity in Masonic practice This seminal work is essential for anyone seeking to understand the legal underpinnings of Freemasonry and its implications for ethical conduct among its members Whether you are a Masonic beginner or an esteemed Master Mason Mackey's insights will deepen your appreciation for the sophistication to which Freemasonry aspires making this book a pivotal addition to any Masonic library

The Principles of Masonic Law Albert Gallatin Mackey, 2004-01-01 **The Principles of Masonic Law** Albert Mackey, 2024-05-21 **The Principles of Masonic Law** Albert G Mackey, 2025-06-18 In *The Principles of Masonic Law* Albert G Mackey outlines the structure duties and rights governing Freemasonry A foundational text for Masons and scholars alike it offers a clear and authoritative exposition of Masonic jurisprudence shedding light on the ancient fraternity's legal and ethical framework

The Principles of Masonic Law: A Treatise on the Constitutional Laws, Usages and Landmarks of Freemasonry Albert G. Mackey, 2017-01-18 Outlining the rights and laws of the larger groups of lodges within the Masonic tradition this book is a handy tool for those that seek to learn about the Masons or else use this teaching in their own lodge The reading can be thick but there is much that can be learned here if someone is willing to study and read it enough to find it

The Principles of Masonic Law Albert G. MacKey, 2017-05-16 In presenting to the fraternity a work on the *Principles of Masonic Law* it is due to those for whom it is intended that something should be said of the design with which it has been written and of the plan on which it has been composed It is not pretended to present to the craft an encyclopedia of jurisprudence in which every question that can possibly arise in the transactions of a Lodge is decided with an especial reference to its particular circumstances Were the accomplishment of such an herculean task possible except after years of intense and unremitting labor the unwieldy size of the book produced and the heterogeneous nature of its contents so far from inviting would rather tend to distract attention and the object of communicating a knowledge of the *Principles of Masonic Law* would be lost in the tedious collation of precedents arranged without scientific system and enunciated without explanation When I first contemplated the composition of a work on this subject a distinguished friend and Brother whose opinion I much respect and with whose advice I am always anxious to comply unless for the most satisfactory reasons suggested the expediency of collecting the decisions of all Grand Masters Grand Lodges and other Masonic authorities upon every subject of Masonic Law and of presenting them without commentary to the fraternity But a brief examination of this method led me to perceive that I would be thus constructing simply a digest of decrees many of

which would probably be the results of inexperience of prejudice or of erroneous views of the Masonic system and from which the authors themselves have in repeated instances subsequently receded for Grand Masters and Grand Lodges although entitled to great respect are not infallible and I could not conscientiously have consented to assist without any qualifying remark in the extension and perpetuation of edicts and opinions which however high the authority from which they emanated I did not believe to be in accordance with the principles of Masonic jurisprudence Another inconvenience which would have attended the adoption of such a method is that the decisions of different Grand Lodges and Grand Masters are sometimes entirely contradictory on the same points of Masonic Law The decree of one jurisdiction on any particular question will often be found at variance with that of another while a third will differ from both The consultor of a work embracing within its pages such distracting judgments unexplained by commentary would be in doubt as to which decision he should adopt so that coming to the inspection with the desire of solving a legal question he would be constrained to close the volume in utter despair of extracting truth or information from so confused a mass of contradictions This plan I therefore at once abandoned But knowing that the jurisprudence of Masonry is founded like all legal science on abstract principles which govern and control its entire system I deemed it to be a better course to present these principles to my readers in an elementary and methodical treatise and to develop from them those necessary deductions which reason and common sense would justify Hence it is that I have presumed to call this work *The Principles of Masonic Law* It is not a code of enactments nor a collection of statutes nor yet a digest of opinions but simply an elementary treatise intended to enable every one who consults it with competent judgment and ordinary intelligence to trace for himself the bearings of the law upon any question which he seeks to investigate and to form for himself a correct opinion upon the merits of any particular case

The New York Masonic Outlook ,1931 *The Principles of Masonic Law* Albert Gallatin Mackey,2020-08-07

The Principles of Masonic Law is a treatise on the constitutional laws usages and landmarks of Freemasonry The book is very informative and thorough and it treats a wide range of topics in Masonic jurisprudence providing a good insight to the overall governance of freemasonry Freemasonry consists of fraternal organizations that trace their origins to the local fraternities of stonemasons that from the end of the fourteenth century regulated the qualifications of stonemasons and their interaction with authorities and clients The basic local organizational unit of Freemasonry is the Lodge These private Lodges are usually supervised at the regional level by a Grand Lodge or Grand Orient The degrees of Freemasonry retain the three grades of medieval craft guilds those of Apprentice Journeyman or Fellow Craft and Master Mason _x000D_ _x000D_ _x000D_ *The Principles of Masonic Law* Albert G. Mackey,2004-01-01

The division of wrongs by the writers on municipal law into private and public or civil injuries and crimes and misdemeanors does not apply to the jurisprudence of Freemasonry Here all wrongs are crimes because they are a violation of the precepts of the institution and an offense against an individual is punished not so much because it is a breach of his private rights as because it affects the well being of the whole masonic community In replying to

the question what are masonic crimes by which is meant what crimes are punishable by the constituted authorities our safest guide will be that fundamental law which is contained in the Old Charges These give a concise but succinct summary of the duties of a Mason and of course whatever is a violation of any one of these duties will constitute a masonic crime and the perpetrator will be amenable to masonic punishment But before entering on the consideration of these penal offenses it will be well that we should relieve the labor of the task by inquiring what crimes or offenses are not supposed to come within the purview of masonic jurisprudence Religion and politics are subjects which it is well known are stringently forbidden to be introduced into Masonry And hence arises the doctrine that Masonry will not take cognizance of religious or political offenses Heresy for instance is not a masonic crime Masons are obliged to use the words of the Old Charges to that religion in which all men agree leaving their particular opinions to themselves and therefore as long as a Mason acknowledges his belief in the existence of one God a lodge can take no action on his peculiar opinions however heterodox they may be In like manner although all the most ancient and universally received precepts of the institution inculcate obedience to the civil powers and strictly forbid any mingling in plots or conspiracies against the peace and welfare of the nation yet no offense against the state which is simply political in its character can be noticed by a lodge On this important subject the Old Charges are remarkably explicit They say putting perhaps the strongest case by way of exemplifying the principle that if a Brother should be a rebel against the State he is not to be countenanced in his rebellion however he may be pitied as an unhappy man and if convicted of no other crime though the loyal Brotherhood must and ought to disown his rebellion and give no umbrage or ground of political jealousy to the government for the time being they cannot expel him from the lodge and his relation to it remains indefeasible

The Principles of Masonic Law a Treatise on the Constitutional Laws, Usages and Landmarks of Freemasonry Mackey Albert Gallatin, 2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

The United States Catalog Mary Burnham, Carol Hurd, 1928

The Principles of Masonic Law Albert Gallatin Mackey, 1858

The Principles of Masonic Law [Annotated] Albert Mackey, 2018-04-14 This treatise on the Constitutional Laws Usages and Landmarks of Freemasonry is doubtless one of the most important and invaluable works in a Freemasonic library This book was carefully put together and is not a scan of the original In presenting to the fraternity a work on the Principles of Masonic Law it is due to those for whom it is intended that something should be said of the design with which it has been written and of the plan on which it has been composed It is not pretended to present to the craft an encyclopedia of jurisprudence in which every question that can possibly arise in the transactions of a Lodge is decided with an especial reference to its particular circumstances Were

the accomplishment of such an herculean task possible except after years of intense and unremitting labor the unwieldy size of the book produced and the heterogeneous nature of its contents so far from inviting would rather tend to distract attention and the object of communicating a knowledge of the Principles of Masonic Law would be lost in the tedious collation of precedents arranged without scientific system and enunciated without explanation When I first contemplated the composition of a work on this subject a distinguished friend and Brother whose opinion I much respect and with whose advice I am always anxious to comply unless for the most satisfactory reasons suggested the expediency of collecting the decisions of all Grand Masters Grand Lodges and other masonic authorities upon every subject of Masonic Law and of presenting them without commentary to the fraternity The Principles of Masonic Law Albert Gallatin Mackey,1856
