The Principles of Political Economy, with Some Inquiries Respecting Their Application John Ramsay McCulloch, 1965

**New Principles of Political Economy** J. C. Simonde De Sismondi, In many respects Sismondi's thought was ahead of its time Schumpeter credited him as the father of dynamic analysis in the modern sense He is also recognized by all as the pioneer of business cycle analysis Until this book there had been no full translation of his major work in English This translation will illuminate the genesis of Marxist ideology and some of the basic causes of its failures

**Principles of Political Economy (Classic Reprint)** Charles Gide, 2017-12-19 Excerpt from Principles of Political Economy The successive French editions of the work have undergone numerous and important changes changes not so much in the general scope and spirit of the book as in the manner of presenting certain sections of the subject The fundamental purpose has remained precisely the same to give the reader a plain statement of the accepted principles of economics a summary of the unsettled problems of the science and a clear brief and impartial outline of the various solutions that have been proposed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Development of Economic Analysis 7th Edition , Guide to Reprints**, 2009 Thomas Tooke and the Monetary Thought of Classical Economics Matthew Smith, 2011-03-07 The purpose of this book is to provide a comprehensive account and reconsideration of the contribution to political economy of Thomas Tooke 1774-1858 classical economist and influential monetary theorist Its chief purpose is to examine Tooke's contributions to political economy with the aim of bringing to light its unified nature and its important legacy to contemporary economics In doing so the book aims to throw new light on monetary analysis within the framework of classical economics There remains no comprehensive account of Tooke's contributions that is concerned with showing his lasting and ongoing influence on the development of monetary thought The book provides an interpretation and analytical study of Tooke's political economy from the standpoint of the classical tradition This enables a demonstration of how his constructive contribution throws a new light on monetary thought in this tradition
