Artwork by Barnett Newman Contributions by Gabriele Schor *Barnett Newman* Gabriele Schor, Barnett Newman, Ulrike Gauss, 1996 **Trilogy about Several Urban View and Landscape Prints** M. Rosa Vives, 2021-10-25 Trilogy about Several Urban View and Landscape Prints presents three essays dedicated to the specific observation of prints by great artists such as Canaletto Goya Hokusai and Picasso whose main theme is the representation of outdoor space landscapes and urban views M Rosa Vives studies the contextualisation of these prints and their creative and iconographic links with tradition and with other artists and creative media The works remind us that engraving has been and continues to be an artistic medium with its own language a particular technology and a sensorial form of expression and communication They also recall how before the advent of photography engraving was a major force behind the spreading of images and culture

**Totality** Michael Schreyach, 2023-06-06 An original and ambitious approach to understanding the creative achievements of one of the most important American artists of the twentieth century Totality offers a deeply researched and thoughtful account of the art of Barnett Newman 1905 1970 While Newman's paintings are widely regarded as among the most significant statements of abstract expressionism and emblematic of modernism at midcentury they pose distinct challenges to formal description and historical evaluation With this book Michael Schreyach guides readers toward a transformed understanding of Newman's profound body of work Through a sequence of close readings Schreyach examines six key terms symbol surface self evidence space standpoint and scale that illuminate the meaning of Newman's claims for the metaphysical content of his art Totality progresses from the meticulous analysis of the technical structure and visual appearance of specific works to critical and archivally documented arguments about Newman's intentions The result is an altogether original interpretation of the artist's enterprise as surprising as it is nuanced [Prints of Barnett Newman 1961-1969 \(The\)](#). G. Schor, 1996 **Lynda Benglis** Susan Richmond, 2015-03-13 In four decades of abstract art practice Lynda Benglis has not merely challenged the status quo She has tied it in knots melted it down and poured it across the floor cast it in glass clay and bronze Daring and sometimes outrageous her intense and provocative practice has produced some of the most iconic pieces of art from the late twentieth century Richmond gives serious critical attention to work often dismissed as trivial and rootless recovering the themes that link the different phases of the artist's quest to capture the frozen gesture Whether challenging popular tastes and definitions of art with her 1970s abstract knotwork or mocking puritanical aesthetics of gender with her colourful latex pourings and their allusions to corporeal topographies Benglis never failed to provoke Her sculptures commemorate and celebrate the processes of creation themselves combining architectonic abstraction and feminized sensuality in a haunting visceral theme of the strangeness of the body that runs through all her experiments in glass video metals ceramics gold leaf paper and plastics Lynda Benglis *Beyond Process* examines in depth the

work and critical neglect of an artist who perhaps more than any of her contemporaries changed the face of American art in the 1960s and 1970s and continues to fetishise provoke and demand your attention *Barnett Newman: Prints 1961-1969* Barnett Newman,1997 **Barnett Newman** Armin Zweite,Barnett Newman,1999 The central works of Barnett Newman s oeuvre many of which are reproduced here as full page color plates are the subject of an analytical study by Armin Zweite This study not only gives a comprehensive appraisal of Newman s paintings from his beginnings through his later works predominantly large format monochromatic paintings but also deals in detail with all of Newman s sculptures Here I Here II and Here III Broken Obelisk Lace Curtain for Mayor Daley and Zim Zum I and Zim Zum II As well as with Newman s Model for a Synagogue The book affords a more differentiated insight into Newman s hermetic oeuvre than would ever be possible in separate treatises on individual parts or periods of Newman s work Jacket Subject, Society and Culture Roy Boyne,2008-03-25 This is a highly original indeed an extraordinary book standing out among the conventional philosophical treatments of subjectivity and reaching beyond the conventional area of investigation Boyne s feat is to find overlooked and unexplored angles which recast one of the perennial and ostensibly thoroughly familiar philosophical issues in a novel and fascinating light Zygmunt Bauman This book explores the relationships between visual culture social theory and the individual Visual culture has emerged as a central area of debate and research in contemporary sociology yet the field is still underdefined In particular the relationship between visual culture and the individual remains obscure Sociologists have insisted that all aspects of the individual are open to sociological explanation The result is that the individual sometimes seems to have been theorized away from sociological understanding Using a wide range of resources from Bourdieu s action theory and the contribution of actor network theory through to the artistic explorations of Francis Bacon and Barnett Newman this book shows how the concept of the individual is being reconstructed **Artists & Prints** Deborah Wye,Starr Figura,Museum of Modern Art (New York, N.Y.),2004 Volume covers the Collection of Prints and Illustrated Books not the collection of artists books **Dictionary of Artists: Müller - Pinchetti** Emmanuel Bénézit,2006 First English language edition of Emmanuel B n zit s Dictionnaire critique et documentaire des peintres sculpteurs dessinateurs et graveurs based on the 14 volume French edition published in 1999 It has been revised adapted and updated Preface **The Stamp of Impulse** David Acton,David Amram,David Lehman,2001 This magnificent volume is the first comprehensive study of the influence of Abstract Expressionism on printmaking **Annual Bibliography of Modern Art** Museum of Modern Art (New York, N.Y.).
