Christopher Adams, 2008-09-15 **Politics in Manitoba** is the first comprehensive review of the Manitoba party system that combines history and contemporary public opinion data to reveal the political and voter trends that have shaped the province of Manitoba over the past 130 years The book details the histories of the Progressive Conservatives the Liberals and the New Democratic Party from 1870 to 2007 Adams looks in particular at the enduring influence of political geography and political culture as well as the impact of leadership campaign strategies organizational resources and the media on voter preferences Adams also presents here for the first time public opinion data based on more than 25 000 interviews with Manitobans conducted between 1999 and 2007 He analyzes voter age gender income education and geographic location to determine how Manitobans vote In the process Adams dispels some commonly held beliefs about party supporters and identifies recurring themes in voter behaviour **The Duke of Kent** Darcy McKeough, Rod McQueen, 2016-05-01 A refreshingly honest memoir about politics and private life Few Canadians have served their nation as well and as widely as the Honourable Darcy McKeough He was elected Member of Provincial Parliament for Chatham Kent Ontario five times between 1963 and 1977 In 1967 he was mockingly dubbed the Duke of Kent by an opposition MPP a title he has worn as a badge of honour ever since As Treasurer of Ontario Minister of Municipal Affairs and Minister of Energy during his time in office McKeough fought to achieve budget surpluses long before it was fashionable created regional governments that brought more efficient services to citizens and attempted to tame Ontario Hydro In The Duke of Kent McKeough takes readers behind the scenes and into the Cabinet rooms of government putting on full display the thrust and parry of legislative sittings where he almost always gave better than he got He brings to life the political and constitutional issues of the day as led litigated and legislated by an array of provincial and federal politicians including Charles MacNaughton John Robarts William Davis John Diefenbaker Robert Stanfield Lester B Pearson Pierre Trudeau Joe Clark Brian Mulroney Jean Chr tian Jacques Parizeau

and Peter Lougheed Between Education and Catastrophe George Buri,2016-12-01 A detailed account of the educational debate that raged between progressives and traditionalists in postwar Manitoba Harm's Way Anthony W. Rasporich,Maxwell Foran,2004 The stories told in this collection though tragic for many illustrate the steadfast determination and courage of people in the face of misfortune and extreme distress From the lesser known weed outbreaks and tornadoes to the world wide influenza outbreak in 1918 that devastated many Calgary families these stories focus on the human side of these disasters It may be a heroic individual or the collective response of a community but what is truly remarkable in these stories is the human response to the world being turned upside down by famine and disease by flood fire or rock slide by wind and cold by dynamite or gas explosions or even by the seemingly mundane threat of weeds upon crops It is the resolution to continue to fight and the persistence of the human spirit and its adaptability to challenges that is the true story of a century of development in western Canada Protecting Canadian Democracy Canadian Centre for Management Development,2003 In recent years Canada's Senate Parliament's chamber of sober second thought has often been the subject of controversy and calls for reform Protecting Canadian Democracy examines the history role and evolution of the Senate places it in the context of other federal systems and contrasts its role with that of provincial governments Contributors analyse the Senate's use of its legislative powers comparing it with the House of Commons and assess the Senate's contribution to public policy development and review showing how the upper chamber functions as a forum within Parliament for the representation of Canada's diverse regional linguistic cultural and socio economic interests contending that the Senate should be improved by means that do not require formal amendments to the Constitution The authors identify possibilities for reform the institution within the current constitutional framework addressing the Senate's veto power its appointment process and its legislative independence A valuable appendix of charts and statistics on the composition and operation of the Senate is also provided The Canadian Senate in Bicameral Perspective David E. Smith,2017-06-22 The Canadian Senate in Bicameral Perspective is the first scholarly study of the Senate in over a quarter century and the first analysis of the upper house as one chamber of a bicameral legislature David E Smith's aim in this work is to demonstrate the interrelationship of the two chambers and the constraints this relationship poses for Senate reform He analyses past literature on the Senate and current proposals for reform such as a Triple E Senate and compares Canada's upper chamber with those of Australia the United States Germany and the United Kingdom noting a revival of interest in Canada and abroad in upper chambers and bicameralism Drawing on parliamentary debates and committee reports as well as a range of broad secondary sources The Canadian Senate in Bicameral Perspective examines the Canadian Senate within the international context shedding light on its role as a political institution and arguing for a renewed investigation into its future

Manitoba Premiers of 19th and 20th Centuries Barry Ferguson,Robert Alexander Wardhaugh,2010 Annotation The province's history of religious linguistic ethnic and class conflict which has often drawn the entire country into its battles is

revealed in the biographies of the Premiers **Canadian Books in Print. Author and Title Index ,1975 Property Wrongs** Doug Smith,2023-04-13T00:00:00Z Until 1969 the City of Winnipeg had undertaken only two public housing projects even though the failure of the market to provide adequate housing for low income Winnipeggers had been apparent since the beginning of the century By 1919 providing housing was a significant issue in municipal politics that was embraced by civic officials professionals reformers labour leaders and social democratic politicians It also became a proxy issue for refighting the 1919 General Strike at city hall However Winnipeg s business community proved effective opponents of public housing The struggle for public housing was also a struggle for democracy Up until the 1960s public housing required approval by a referendum in which only the city s property owners could vote This rule deprived close to half the city s voters and virtually everyone who might qualify to live in public housing of the right to vote Over decades that barrier to democracy was whittled away An NDP provincial government elected in 1969 added 11 144 units of public housing to the existing 568 units Today public housing is once more under attack Rather being treated as valued public assets they are considered embarrassing encumbrances that should be sold as part of a process of turning public housing over to the private sector The struggle to protect and expand the provision of non profit housing is undermined by the rupture in political memory of the long struggle to build public housing and the current political situation
