Speaking In Other Tongues

Mae G. Henderson

Speaking In Other Tongues:

They Speak with Other Tongues John Sherrill, 2018-09-19 More than fifty years ago a reporter for Guideposts magazine set out to gather information about a strange new occurrence happening all over the country John Sherrill a skeptic when it came to speaking in tongues and the baptism with the Holy Spirit was determined to retain his objectivity while digging out the facts What he found would change his life With more than 2 5 million copies sold this classic work is the story of one man's journey from skepticism to a life changing relationship with God Filled with historical and biblical accounts of speaking in tongues this is also the deeply personal and moving story of how you too can walk in the power of the Spirit day by day Now includes a new epilogue and update on how to lean on the Holy Spirit for unity in an increasingly divisive world *Speaking With Other Tongues* Benson Munchini, 2015-05-11 This booklet reveals to the reader the power behind speaking in tongues It is high time that the Church of Jesus Christ re-discovered the secret of speaking in tongues The subject has a lot of benefits for every child of God and that is why the enemy has somehow hidden the truth behind it But no more it is time we discovered why Christ told the church that one of the signs of knowing believers is their tongue speaking ability Speaking With Other Tongues Bernard Grant, 2006 *Tongues: From Confusion to Understanding* James A. McMenis, 2009-12

TONGUES FROM CONFUSION TO UNDERSTANDING Understanding the Ministry of the Holy Spirit and Prayer This book was written for those who genuinely want to gain a full understanding of the often misunderstood topic of tongues What happened at Pentecost What did Jesus mean by they shall speak with new tongues Does the Bible support a prayer language or an unknown tongue What is the baptism of the Holy Spirit Can you be saved without the Holy Spirit How did Jesus teach us to pray These questions among many others are answered as Pastor McMenis expounds on each of these topics in a verse by verse study in the Word of God Over 200 Scripture references JAMES A MCMENIS is pastor of Word of God Ministries in Shreveport Louisiana and is known nationally as host of Ministering the Word television broadcast For more information contact Word of God Ministries P O Box 17794 Shreveport LA 71138 wogm org **The Gift of Speaking in Tongues** Claire Robin, 2020-07-25 What do you know about speaking in tongues A lot has been said about speaking in tongues one of the most misunderstood and rarely used gifts in all Christianity A huge percentage of Christians don't understand WHY they should speak in tongues The rest don't think they have it in them to speak in tongues Some Christians don't even believe in the gift of speaking in tongues They are still stuck with the question is speaking in tongues really for me The answer is a simple one speaking in tongues is for every Christian filled with the Holy Spirit Many Christians have received the gift of speaking in tongues which has helped stimulate their faith get their prayers answered multiply God's love and power in their lives and helped them receive healing and victory in their endeavors For others receiving the Holy Spirit's gift isn't the most exciting thing for them in today's world but it is one of the most important gifts you can receive as a Christian today You may be okay with the occasional prayers you say in the morning at night and in between your daily schedules But when you really

need to activate and pray from your spirit and not from your understanding you realize that you can't. And what's a poor Christian like you to do? Here's what you shouldn't do: You shouldn't stop trying to receive the gift that's why I have written this book to help you with one thing: receive the gift of speaking in tongues. This book explores various topics on how you can receive this gift including: How to Pray in Tongues at Will, You will learn What the Bible says about speaking in tongues, Being Saved and Being Filled with The Holy Spirit, Quality Prayer Points to Bring Up to Start Speaking in Tongues, The Basic Requirement for Speaking in Tongues, The Significance of the Manifestation of the Holy Spirit, How to Obtain the Holy Spirit and the Power to Speak in Tongues, How to Get Ready for the Baptism of the Holy Spirit, Speaking in Tongues and Staying with The Grace, How to Pray in Tongues at Will. If some or even all of the above are hindering you from claiming the gift the Holy Spirit is willing to give you today then you should immerse yourself in the Heavenly nuggets you will find scattered in this book to help you unlock and have access to your gift. *Hidden Power of Speaking in Tongues* Mahesh

Chavda, 2011-07-28 Almost 40 years ago John and Elizabeth Sherill introduced the world to the phenomenon of speaking in tongues in their book *They Speak with Other Tongues*. The book was an immediate success as thousands were touched by the power of this spiritual gift. *The Hidden Power of Speaking in Tongues* again explores this spiritual experience powerfully prevalent in the early church. This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day. In a day of spiritual poverty Chavda challenges the Body of Christ to experience afresh the secret dynamic of speaking in tongues as he removes the veil covering this glorious gift. *Speaking in Tongues*

Timothy Laurito, 2021-10-26 *Speaking in Tongues* explores the phenomenon from a multidisciplinary approach. Uncover how speaking in tongues can be logically defended from various fields of study and be proven to be an essential spiritual practice for Christians today. Through this unique Spirit-inspired act practitioners are offered a powerful mode of communication with God that is transformational. Discover the answer to questions like these: Does a Lukan theology of speaking in tongues support an initial physical evidence position? What are the Pauline frameworks for how speaking in tongues should operate in the church? How does speaking in tongues practically benefit the practitioner? Can speaking in tongues stand up against psychological, sociological, and linguistic scrutiny? Did speaking in tongues cease from church history? Take a deep dive into the phenomenon of speaking in tongues to learn how a multidisciplinary perspective can empower the practitioner to understand and defend this distinctive practice in fresh ways. *Should All Speak with Tongues?* Mac Ward Symes, 2013-03-07

Should All Speak with Tongues is a resource for anyone truly interested in whether or not speaking in tongues is a valid current manifestation of the Holy Spirit that should be experienced by all Christian believers. It shows scripturally how one is given the gift of the Holy Spirit when born again which Jesus described as being born of the Spirit. John 3:78 therefore one has the potential for the operation of all the gifts of the Spirit immediately upon being saved and should walk and live in the Spirit thereafter. Galatians 5:23 Speaking in tongues is one of the nine gifts of the Spirit that are given to every believer. Now to

each one the manifestation of the Spirit is given for the common good 1CO 12 7 NIV Why Christians Should Speak in Tongues Gordon Lindsay, 2024-10-01 Demystify the Gift of Speaking in Tongues Does the gift of speaking in tongues make you uncomfortable maybe downright skeptical Controversy misunderstanding and false teachings surround this topic for a reason the devil wants to keep you confused and ill informed on this supernaturally charged form of prayer In these pages Gordon Lindsay renowned 20th century Bible teacher and founder of Christ for the Nations supercharges your prayer life by demystifying the gift of speaking in tongues giving you access to its supernatural benefits so you can unleash powerful prayers that always hit the mark In this power packed booklet you ll discover not only the biblical foundations for this gift but also how it Boosts the effectiveness of your prayer life Unlocks a supernatural dimension of intimacy with God Imparts a personal powerful prayer language Edifies your faith Releases powerful prophetic words Immerses you in the rest and refreshing of the Lord Don t let the devil keep you from this untapped source of power It s time to demystify the gift of speaking in tongues and take your prayer life to a supernatural level **Speaking in Tongues and Dancing Diaspora**

Mae G. Henderson, 2014-05-07 The oral tradition has always played an important role in African American literature ranging from works such as Zora Neale Hurston s *Their Eyes Were Watching God* to Toni Morrison s *Beloved* These and countless other novels affirm the power of sonance and sound in the African American literary canon Considering the wide swath of work in this powerful lineage in addition to its shared heritage with performance Mae G Henderson deploys her trope of speaking in tongues to theorize the preeminence of voice and narration in black women s literary performance through her reconstruction of a fundamentally spiritual practice as a critical concept for reading black women s writing dialogically and intertextually The first half of the book is devoted to influential works of fiction as Henderson offers a series of spirited attentive readings of works by Zora Neale Hurston Alice Walker Sherley Anne Williams Toni Morrison Gayl Jones and Nella Larsen The second half shifts gears to consider the world of female African American performance most notably in the figures of Josephine Baker and the video dancer Drawing on the trope of dancing diaspora Henderson proposes a model of theorizing based on performing testimony and critical witnessing Throughout the book Henderson draws on a history of black women not only in the Pentecostal Holiness Church but also within the traditions of classical Christian African and black diasporic spirituality and performance Ultimately *Speaking in Tongues and Dancing Diaspora* provides a deeply felt reflection on race and gender and their effects within the discourses of speaker listener and audience performer
