Speaking In Public And Private

Jerome H. Neyrey

Speaking In Public And Private:

Religion in Public and Private Life (Routledge Revivals) Clarke E. Cochran, 2014-06-27 Religious crosses the spheres of both the private life and the public institution In a liberal democracy public and private interests and goals prove to be inseparable Clarke Cochran s interdisciplinary study brings political theory and the sociology of religion together in a fresh interpretation of liberal culture First published in 1990 this analysis begins with a reassessment of the nature of the public and the private in relation to the political The controversy over religion and politics is examined in light of such contested issues of political life as sexuality abortion and the changing nature of the family Clarifying a number of debates central to contemporary society this timely reissue will be of particular value to students with an interest in the relationship between religious society and politics How to Read Well in Public and Private. With a Suitable Selection of Poetical Readings from the Best Poets ,1873 **Elements of Public Speaking** Fortunato Gupit,1986 **Select Readings for Public and Private Entertainment** ,1885 Iliff's Select Readings for Public and Private Entertainment John W. Iliff,1893 Public Vs. Private Robert N. Gross,2018 Americans choose from a dizzying array of schools loosely categorized as public and private How did these distinctions emerge and what do they tell us about the relationship in the United States between public authority and private enterprise Challenged by the rise of Catholic and other parochial schools in the nineteenth century states sought to protect the public school monopoly through regulation Ultimately however Robert N Gross shows how the public policies that resulted produced a stable educational marketplace where choice flourished **The Gospel of John in Cultural and Rhetorical Perspective** Jerome H. Neyrey,2009-11-10 Johns Gospel has been studied and evaluated and interpreted constantly by theologians throughout the ages Can anything more possibly be said Jerome Neyrey says it can indeed by interpreting it in two fresh ways by means of ancient rhetoric and by viewing it in its cultural context In order to find patterns and concepts that have a bearing on how to read John Neyrey examines the rhetoric of praise and blame described in the ancient encomium the Greek commonplace on noble death rules for rhetorical conclusions and Jewish background materials He then uses materials from cultural anthropology such as the effects of limited good and envy secrecy and brokerage Even innocent topics such as time and space have much to say about interpreting the figure of Jesus In viewing John through these two lenses The Gospel of John in Cultural and Rhetorical Perspective brings the book into clear focus as a truly maverick gospel **Before an audience; or, The use of the will in public speaking, talks** Nathan Sheppard,1886 Public and Private in Thought and Practice Jeff Weintraub,Krishan Kumar,1997-03-15 These essays by widely respected scholars in fields ranging from social and political theory to historical sociology and cultural studies illuminate the significance of the public private distinction for an increasingly wide range of debates Commenting on controversies surrounding such issues as abortion rights identity politics and the requirements of democratization many of these essays clarify crucial processes that have shaped the culture and institutions of modern societies In contexts ranging

from friendship the family and personal life to nationalism democratic citizenship the role of women in social and political life and the contrasts between western and post Communist societies this book brings out the ways the various uses of the public private distinction are simultaneously distinct and interconnected Public and Private in Thought and Practice will be of interest to students and scholars in disciplines including politics law philosophy history sociology and women s studies Contributors include Jeff Weintraub Allan Silver Craig Calhoun Daniela Gobetti Jean L Cohen Jean Bethke Elshtain Alan Wolfe Krishan Kumar David Brain Karen Hansen Marc Garcelon and Oleg Kharkhordin Management Control in Public-Private Partnerships Thomas S. Konrad,2018-06-27 Thomas S Konrad analyzes the management control design and reveals critical success factors of strategically oriented public private partnerships for development between international governmental actors and the private sector He builds a sound basis for the identification of a research gap and the derivation of research questions The results generate sufficient evidence to answer these questions and therefore to close the identified research gap Finally he excelled in the discussion of the results by making a contribution of theory and by providing substantive recommendations to practitioners equally well
