Sylvia Rogers

Speaking Of Healing:

Healing Words Sylvia Rogers,2016-08-02 Sadly sickness has become the norm for many Christians who often lack knowledge of how the body functions how emotions impact health how thinking patterns affect health and how to receive healing from the atonement of Christ They spend thousands of dollars on health care and are often not truly healed or healthy Many are looking for answers and are hungry for this information Illness is not the will of God Healing Words makes it clear that it is God s will to see His people living an abundant life and it provides practical specific steps to move in this direction This book will teach people how to put the principles of healing to use Each chapter on body systems will include A description of the body system components and common challenges Chinese medicine insights and observations Proven and effective healing scriptures specific to various body systems Healing declarations and a sample prayer A foundation for learning about God s will to heal is included in the beginning so the reader can grow in knowledge and boldness in receiving what God has already provided

Speak Your Healing from the Homosexual Deception Bonnie M. Egglehand,2014-10-08 The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception Each step toward Jesus brings us closer to His image and we are changed We emerge free to be exactly whom Father God created us to be Leaving all secrets with honesty and transparency before God and man forgiving ourselves and all abusers we emerge in our true identity with a heterosexual desire This desire for the opposite sex is as natural as apple pie Leaving the judgments the facades the sins and all idols the stark truth remains Our true identity is found in Jesus Christ alone

God's will to be sick so I persevered and got into the Scriptures His love letters to us and began my journey of healing Finding myself was just the beginning staying with it because I knew it is God's will for me to be well was the most challenging thing I've ever done but it was worth every word spoken every hope dashed my faith torn into pieces because now I AM WELL
