Speaking In Our Tongues

Steven Brooks

Speaking In Our Tongues:

Speaking in Tongues Alexander O. Sign, 2014-06-05 This book will give you an in depth biblical understanding of speaking in tongues It examines the designs uses and benefits of speaking in tongues and the right biblical attitudes every Christian should adopt toward speaking in tongues It exposes you to why speaking in today is still for today and why some Christians can't speak in tongues

What the Bible Says about Speaking in Tongues John Argubright, 2014-05-22 The Biblical gift of speaking in tongues is the supernatural gift from God of speaking in a known foreign language to unbelievers without any previous knowledge or training in that language And what is spoken in that foreign language is the Gospel of Jesus Christ The main purpose is in order that Christ and Him crucified would be preached to all nations in a language that the hearer would understand Yet today many wolves in sheep clothing have perverted what the true gift of speaking in tongues really is and have replaced it with all sorts of false doctrines This Bible study teaches verse by verse on this topic teaching what the Bible says as compared to what the heretics of today have to say who are deceiving Christians by telling them to pray in ecstatic utterance that was once only associated with demonic possession And as you will see a very dangerous doctrine is being spewed from the tongues of these false prophets

An Essential Guide to Speaking in Tongues Ron Phillips, 2011-06-07 This book is part of the Foundation Series by Pastor Ron Phillips The series will contain books describing the basic foundational truths for the Spirit filled believer An Essential Guide to Speaking in Tongues will describe the author's own experience with speaking in tongues The author brings great balance to this topic and helps readers to understand that speaking in tongues is a blessing of God that gives us the ability to boldly approach God's throne with the Holy Spirit's power and language

Speaking in Tongues Kathleen Schwab, Matthew Schwab, Chris McKinney, 2020-02-02 Have you ever wondered why your prayer language doesn't sound like real words And why is it so repetitive Why does it usually start with the same few words or syllables Maybe you've asked those questions at times We've asked the same questions and quite a few others regarding the gifts of tongues and interpretation of tongues Then we sought the Lord for understanding of these gifts and did our best to operate in them faithfully He gave us many insights and answers and then brought it all together in a book That was something we never really planned It just sort of happened We aren't megachurch pastors We don't lead multi national ministries But we did have a calling from the Lord to write a book and spread a message What exactly is that message Speaking in tongues and interpreting tongues are powerful gifts with practical use for everyday people like us When people operate in these gifts God blesses the person operating in the gift but He also blesses the people around them Other Questions We Explore in the Book What does speaking in tongues feel like emotionally What is the purpose of speaking in tongues What are the benefits How does the gift of interpretation work Are biblical tongues earthly languages or heavenly languages Or both We invite you to explore these questions with us as you read through our book Come and Join Us Online Be sure to check out Called Writers on YouTube for instructions and testimonies about the gifts of

Speaking in Tongues Mark J. Cartledge, 2012-04-04 Speaking in tongues glossolalia is a common spiritual phenomenon in the Pentecostal and Charismatic streams of the Christian church Such Christians believe that when they speak in tongues they are communicating with God in a language that they have never learned spiritual prayer language given to them by the Holy Spirit This innovative volume seeks to enhance our understanding and appreciation of glossolalia by examining it from a range of different angles Christian scholars from diverse academic disciplines bring to bear the insights of their own specialist areas to shed new light on the practice of speaking in tongues The disciplines include New Testament Studies Max Turner Theology Frank D Macchia History Neil Hudson Philosophy James K A Smith Linguistics David Hilborn Sociology Margaret M Poloma Psychology William K Kay A final chapter by Mark J Cartledge seeks to show how all of these perspectives can work together and enrich a Christian appreciation of the gift of tongues

They Speak with Other Tongues John L. Sherrill, 2011-10-01 How a skeptical journalist was introduced to the charismatic renewal and to the phenomenon of speaking in tongues

Tongues Confusion Dr Curtis Hutson, 2000-08

Should All Speak with Tongues? Mac Ward Symes, 2013-03-07 Should All Speak with Tongues is a resource for anyone truly interested in whether or not speaking in tongues is a valid current manifestation of the Holy Spirit that should be experienced by all Christian believers It shows scripturally how one is given the gift of the Holy Spirit when born again which Jesus described as being born of the Spirit John 3 78 therefore one has the potential for the operation of all the gifts of the Spirit immediately upon being saved and should walk and live in the Spirit thereafter Galatians 5 23 Speaking in tongues is one of the nine gifts of the Spirit that are given to every believer Now to each one the manifestation of the Spirit is given for the common good 1CO 12 7 NIV

Speaking in Tongues: A Critical Historical Examination, Volume 2 Philip E. Blosser, Charles A. Sullivan, 2023-08-21 In three carefully researched volumes this ground breaking study examines the gift of tongues through two thousand years of church history Starting in the present and working back in time these volumes consider 1 the modern redefinition of tongues as a private prayer language 2 the church's perennial understanding of tongues as ordinary human languages and 3 the Corinthian tongues which in light of Jewish liturgical tradition turn out to have been a Semitic liturgical language requiring bilingual interpreters This second volume tracks the perception and practice of tongues back through the first eighteen

hundred years of church history demonstrating that tongue speaking was always active but puzzlingly different from today's glossolalia. From Pope Benedict XIV's detailed treatise in the 1700s it works back through long forgotten scholastic and patristic debates to the earliest Christian writers such as Irenaeus. No other resource on the subject approaches the depth and scope of the present volume.

How to Operate in the Gifts of the Spirit Steven Brooks, 2014-02-18

How to Operate in the Gifts of the Spirit

Now concerning spiritual gifts, brethren, I do not want you to be ignorant. 1 Cor 12:1 NKJV

Are the gifts of the Spirit operating in your life? Maybe you thought that the Holy Spirit no longer gave gifts to His people in the twenty-first century. There's a good chance you have heard of these gifts but you have only seen them listed in a "What We Believe" section on a church website and you have not personally experienced their operation. Steven Brooks shares solid Biblical insight and powerful personal testimony of what it looks like to exercise each of the nine gifts of the Spirit. Discover how Jesus ministered supernaturally using the gifts of the Spirit and you can do the same. The Holy Spirit can use any of the nine spiritual gifts through you to bring divine transformation to a person or situation. You can walk in the gifts and fruit of the Spirit as a supernatural lifestyle where you do the works of Jesus with power and you reflect the character of Jesus with integrity. The Holy Spirit lives within you. Operate His gifts and transform the world around you.
