Special Branch In At The Kill:

Who Killed Rosemary Nelson? Neil Root, 2011-04-04 In March 1999 just months after the signing of the Good Friday Agreement human rights lawyer Rosemary Nelson was assassinated when a bomb exploded under her car The attack was claimed by a loyalist paramilitary group but over the last ten years there have been several government enquiries into Nelson's murder The latest one which has been ongoing since 2005 has dramatically alleged that there may have been some security service collusion in the killing Rosemary Nelson came to prominence for representing high profile Republican and nationalist clients It was no secret that her life was at risk and she had received many death threats but had always been refused police protection She had even claimed publicly that her life was being threatened by members of the RUC allegations which have always been denied by the police This fascinating and in depth book takes an unflinching yet impartial look at this controversial case As well as investigating the events leading to Rosemary Nelson's murder author Neil Root draws on first hand interviews with those relevant to the case He also examines the striking similarities between her death and the assassination of solicitor Pat Finucane in 1989 This is a complex and terrifying story which deserves to be told

Into the Dark Johnston Brown, 2005-11-01 Johnston Brown was hailed by Martin Dillon as the superb investigator who was central to bringing Mad Dog Adair to justice According to Dillon the day Brown publishes the story of life in the RUC from the troubled 1970s to the 1990s a veil will be lifted from the undercover war Into the Dark is that story Johnston Brown served in the RUC for nearly 30 years Recruited into the Criminal Investigation Department CID only two years into his service he quickly established himself as a detective of outstanding ability He was to lead the investigation into the murder of solicitor Pat Finucane and it was he who was responsible for finally bringing Johnny Adair to book Brown was however quickly to discover that he was up against another even more deadly enemy than the criminals he was pursuing those sinister elements of RUC Special Branch who for reasons of their own were determined to thwart his success Brown found to his cost that they would stop at nothing to do so Into the Dark offers a gripping insight into life in the RUC the day to day reality of policing the streets of West Belfast during the dark days of the PIRA hunger strike and what it was like to be a detective stationed in the killing fields of North Belfast during the 80s The narrative lays bare some of the key terrorist personalities as well as those operating within the Special Branch to pervert the course of justice as a means of asserting internal control The book is written in very clear and straightforward language and tells the story of the corruption at the heart of the RUC Special Branch during the recent troubles Brown spent 30 years in the force mostly as a detective in the CID branch and was responsible for bring some very important murderers to justice His brave honest and modest personality shines through every page

Disappeared Anthony Quinn, 2012-07-24 In Northern Ireland's darkest corner the Troubles have never ended Though bombs no longer rock Belfast for some the fight goes on Retired Special Branch agent David Hughes disappears after looking into the previously closed case of Oliver Jordan who went missing at the hands of the IRA decades ago Soon after a

former spy is found bludgeoned to death the day after placing his own obituary in the newspaper Beneath Northern Ireland's modern calm ancient jealousies threaten to rend the country asunder once more A Catholic detective in a Protestant nation Celcius Daly knows too well the agonies of sectarian strife To solve this string of murders he must reach decades into the past confronting a painful history that Ireland would prefer to forget Disappeared is the 1st book in the Inspector Celcius Daly Mysteries but you may enjoy reading the series in any order *Empire of Secrets* Calder Walton,2014-10-29 The renowned espionage historian offers a gripping account of British intelligence during the last days of empire The Daily Telegraph Drawing on a wealth of newly declassified records and hitherto overlooked personal papers intelligence expert Calder Walton offers a compelling and authoritative history of Britain's espionage activities after World War II A major addition to intelligence literature this is the first book to utilize records from the Foreign Office's secret archive which contains some of the darkest and most shameful secrets from the last days of Britain's empire Working clandestinely MI5 operatives helped to prop up newly independent states across the globe against a ceaseless campaign of Communist subversion Though the CIA is often assumed to be the principal actor against the Soviet Union through the Cold War Britain plays a key role through its so called special relationship with the United States In *Empire of Secrets* Walton sheds new light on everything from violent counterinsurgencies fought by British forces in the jungles of Malaya and Kenya to urban warfare campaigns conducted in Palestine and the Arabian Peninsula The stories here have chilling contemporary resonance detailing the use and abuse of intelligence by governments that oversaw state sanctioned terrorism wartime rendition and enhanced interrogation An important and highly original account of postwar British intelligence The Wall Street Journal

A Brutal State of Affairs Henrik Ellert,Malcolm Anderson,2020-04-02 A Brutal State of Affairs analyses the transition from Rhodesia to Zimbabwe and challenges Rhodesian mythology The story of the BSAP where white and black officers were forced into a situation not of their own making is critically examined The liberation war in Rhodesia might never have happened but for the ascendancy of the Rhodesian Front prevailing racist attitudes and the rise of white nationalists who thought their cause just Blinded by nationalist fervour and the reassuring words of the Ministry of Internal Affairs and army commanders the Smith government disregarded the advice of its intelligence services to reach a settlement before it was too late By 1979 the Rhodesians were staring into the abyss and the war was drawing to a close Salisbury was virtually encircled and guerrilla numbers continued to grow A Brutal State of Affairs examines the Rhodesian legacy the remarkable parallels of history and suggests that Smith's Rhodesian template for rule has in many instances been assiduously applied by Mugabe and his successors *Fighting and Writing* Luise White,2021-02-08 In *Fighting and Writing* Luise White brings the force of her historical insight to bear on the many war memoirs published by white soldiers who fought for Rhodesia during the 1964-1979 Zimbabwean liberation struggle In the memoirs of white soldiers fighting to defend white minority rule in Africa long after other countries were independent White finds a robust and contentious conversation about race difference and the war

itself These are writings by men who were ambivalent conscripts generally aware of the futility of their fight not brutal pawns flawlessly executing the orders and parroting the rhetoric of a racist regime Moreover most of these men insisted that the most important aspects of fighting a guerrilla war tracking and hunting knowledge of the land and of the ways of African society were learned from black playmates in idealized rural childhoods In these memoirs African guerrillas never lost their association with the wild even as white soldiers boasted of bringing Africans into the intimate spaces of regiment and regime

The Crowned Harp Graham Ellison, Jim Smyth, 2000-05-20 This book is a detailed analysis of policing in Northern Ireland Tracing its history from 1922 Ellison and Smyth portray the Royal Ulster Constabulary RUC as an organisation burdened by its past as a colonial police force They analyse its perceived close relationship with unionism and why for many nationalists the RUC embodied the problem of the legitimacy of Northern Ireland arguing that decisions made on the organisation composition and ideology of policing in the early years of the state had consequences which went beyond the everyday practice of policing Examining the reorganisations of the RUC in the 1970s and 1980s Ellison and Smyth focus on the various structural legal and ideological components the professionalisation of the force and the development of a coherent if contradictory ideology

Armed Struggle Richard English, 2008-09-04 A timely work of major historical importance examining the whole spectrum of events from the 1916 Easter Rising to the current and ongoing peace process fully updated with a new afterword for the paperback edition An essential book closely reasoned formidably intelligent and utterly compelling required reading across the political spectrum important and riveting Roy Foster The Times An outstanding new book on the IRA a calm rational but in the end devastating deconstruction of the IRA Henry McDonald Observer Superb the first full history of the IRA and the best overall account of the organization English writes to the highest scholarly standards Moreover he writes with the common reader in mind he has crafted a fine balance of detail and analysis and his prose is clear fresh and jargon free sets a new standard for debate on republicanism Peter Hart Irish Times The one book I recommend for anyone trying to understand the craziness and complexity of the Northern Ireland tragedy Frank McCourt author of Angela's Ashes

Mad Dog - They Shot Me in the Head, They Gave Me Cyanide and They Stabbed Me, But I'm Still Standing Johnny Adair, 2009-07-06 Johnny Adair was born in the Shankhill Road area of Belfast Northern Ireland The youngest of seven children he was raised a Protestant As a teenager Johnny and his gang would roam the streets looking for Catholics for no other reason than religion and he bears many scars and war wounds from endless street battles A young Loyalist Johnny earned his reputation as a paramilitary leader long before he fully understood the politics but quickly came to realise the purpose of the paramilitary antics freedom and peace in Northern Ireland and this belief fuelled his passion for the campaign making him unstoppably ruthless in his quest The authorities hold him responsible for 41 murders and he became known as the most feared and infamous terrorist of them all Now he breaks his silence to tell his true spine chilling story In 1995 Johnny was sentenced to 16 years for Directing Terrorism but in 1999 he was the 293rd

prisoner to be released from the Maze Prison under the Good Friday Agreement In total there have been ten attempts on his life and he has a hole in the back of his head the size of a 50p piece where he was shot whilst at a UB40 concert plus a hole in the side of one leg from another attack But his story is not one about money or grudges he was simply fighting for what he truly believes in peace in Northern Ireland a lifelong struggle in which he became known as the hardest man in the UK
