The Presbyterian Journal George Aiken Taylor,1973 **The King Is Coming** Louise A. Fugate,2016-04-07 In *The King Is Coming* Louise continues her personal study of Gods plan to bring redemption and eternal life to humanity through the Jewish nation Join her as she guides you on a journey from the time of King Davids death up to eternity Along the way you will meet the prophets and see why the Northern and Southern Kingdoms plunged into Assyrian and Babylonian captivity Spend time with Jesus the promised King and find out how He fulfilled the Law and the prophets through His birth death and resurrection Learn about The Messianic prophecies How Jesus Christ the Cornerstone united the Jews and the Gentiles in a New Covenant of Grace How Jesus fulfilled the Law and the prophets The Return of King Jesus For further study questions have been included at the end of each chapter *A Shadow of Good Things to Come* Louise A. Fugate,2014-10-20 An excellent book for anyone who is seeking to know more about the living God The first book in a two part series *A Shadow of Good Things to Come* is a colorful book of Jewish history dating from the time of creation with the Ancient of Days to king David You will learn that God had a plan to save mankind and He implemented that plan through the Jewish nation Told in Bible story form you will find answers to many questions you may have about the Bible and mans relationship with God questions such as Who is the true living God What is the purpose of man What promises did God give Abraham and his descendants through Isaac Why and how did God choose the nation of Israel to be His people Why and how did God set up the law and sacrificial system Why is Jesus called the Son of David Deeper Insight study questions are provided at the end of each chapter I always wondered why a loving God would bring so much death and annihilation to people in the Old Testament Now I understand Sin was rampant and evil men threatened the very existence of the future seed of Abraham through whom Christ the Savior of mankind would come This is a wonderful Bible based simply stated study that all Christians will enjoy Frances Henderson This is a good book for Christians who want to learn in detail about the twelve Tribes of Israel and their lineage leading to the birth of Christ I was amazed to scripturally learn about the division of the land God gave to the Israelites If you ever had doubts about Jesus you wont anymore Trudy Meriedth **Christian Register** *Disciples of Christ*,1924 *Intertextuality in the Second Century* D. Jeffrey Bingham,Clayton N. Jefford,2016-12-05 This volume offers an appreciation of the value of intertextuality from Greek Roman Jewish and biblical traditions as related to the post apostolic level of Christian development within the second century Not least of these foundational pillars is the certain impact of the Second Sophistic movement during this period with its insipient influence on much of early Christian theology s formation The variety of these strands of inspiration created a tapestry of many diverse elements that came to shape the second century Christian situation Here one sees biblical texts at work Jewish and Greek foundations at play and interaction among patristic authors as they seek to reconcile their competing perspectives on what it meant to be Christian within the contemporary context **The Politics of the Revised Version** Alan Cadwallader,2018-12-13 Alan Cadwallader explores

the intricate tensions and conflicts that infused the work of revision of the Authorised Version of the Bible between 1870 and 1885 The Promethean aspirations of the venture actually generated one of the most bitter instances of the political manoeuvres involved in the translation of a sacred book Cadwallader reveals how the public avowal of unity and fraternal harmony that accompanied the public release and marketing of the New Testament revision in 1881 and the Old Testament revision in 1885 masks fraught historical realities that threatened the realization of the project from the beginning Through a thorough examination of private correspondence notebooks kept by various members of the New Testament Revision Companies in England and the United States and other previously unstudied primary sources Cadwallader examines and presents the complexities of the political situation surrounding the translation He exposes the competing interests of an imperial sovereign nation and a seriously divided Established Church floundering over its continued relevance the ambitions and significance of Nonconformity in a nation s highly contested religious environment the agonistic conflicts that erupted from assertions of national and international prestige and responsibilities and the ultimate control exercised by publishing houses that fundamentally flawed the process of revision and the public acceptance of the final product **Hyper Biblical**

Duke Jeyaraj, 2024-07-10 Well it is not simply enough to merely pray against hell populating false teaching We must do more We must contend for the faith once for all delivered for the saints Jude 3 We must open our mouths and uncork our pens to warn about savage wolves which will come among you the local church believers not sparing the flock Acts 20 29 Spread virally thanks to the social media modern cultic false teachings such as 1 Hyper Grace No judgement for believers post Cross 2 Hyper Supernaturalism It is always God s will to heal me here and now Believers in Jesus need not die if they chose to and 3 Hyper Love Everyone is already saved but they just don t know it yet You will stop existing in hell or will eventually come to heaven from there have locust swarmed churches in South Indian cities and beyond In this book the incensed author argues vehemently from the Bible to show how much these scripture twisting half truth full of diabolical teachings have majorly deviated from the whole counsel of God The author offers these five loaves and two fish unto the Lord Perhaps the Lord use it for the restoration of the gangrene of false teaching infested Body of Christ back to sound doctrinal health this book also includes a section where there is an antidote against false teaching Those embracing these false teachings must be warned to steer clear of this book as it would greatly infuriate them calling a spade a spade without putting blade using illustrations from the world of Cricket The author s prayer is that the Holy Spirit could possibly cajole and convince such blood bought precious believers through these peppery pages to swiftly abandon these eternity shipwrecking doctrines and wholly embrace biblical balanced sound doctrine The Danielic Eschatological Hour in the Johannine Literature Stefanos Mihalios, 2011-03-17 Stefanos Mihalios examines the uses of the hour in the writings of John and demonstrates the contribution of Danielic eschatology to John s understanding of this concept Mihalios begins by tracing the notion of an eschatological time in the Old Testament within expressions such as in that time and time of distress which also appear in the

book of Daniel and relate to the eschatological hour found in Daniel Mihalios finds that even within the Jewish tradition there exists an anticipation of the fulfillment of the Danielic eschatological time since the eschatological hour appears in the Jewish literature within contexts that allude to the Danielic end time events Mihalios moves on to examines the Johannine eschatological expressions and themes that have their source in Daniel finding evidence of clear allusions whenever the word hour arises Through this examination he concludes that for the Johannine Jesus use of the term hour indicates that the final hour of tribulation and resurrection as it is depicted in Daniel has arrived

The Book of Revelation and Early Jewish Textual Culture Garrick V. Allen, 2017-07-03 The Book of Revelation and Early Jewish Textual Culture explores the relationship between the writing of Revelation and its early audience especially its interaction with Jewish Scripture It touches on several areas of scholarly inquiry in biblical studies including modes of literary production the use of allusions practices of exegesis and early engagements with the Book of Revelation Garrick Allen brings the Book of Revelation into the broader context of early Jewish literature including the Dead Sea Scrolls and other important works Arguing that the author of the New Testament Apocalypse was a scribal expert someone who was well versed in the content of Jewish Scripture and its interpretation he demonstrates that John was not only a seer and prophet but also an erudite reader of scripture

Luke's Stories of Jesus David Lee, 1999-11-01 The current interest in reading the Gospels as narratives has reclaimed aspects of these texts that historical critical approaches failed to respect The richness of these newer readings can however disguise their limitations as literary critical exercises Developing Hans Frei's concern for theological reading David Lee reworks the narratology of the Dutch literary theorist Mieke Bal to produce a theological narrative reading practice that formally respects the text as scripture while leaving open the possible meanings that readers may construct for themselves in the act of reading Lee demonstrates his approach through readings of the Narrator and the characters Jesus and the Demons as aspects of a composite Lukan narrative Christology
